Dear Sir:—
 your letter of the 1st inst
 to the postmaster at this place has
 been handed to me.

The package referred to in your
 letter was brought to the bank in
 our mail & I noticed that it was
 addressed to the Farmers Inst. and
 thinking that it contained printing
 and adv. matter pertaining to our Inst.
 I opened it. Our Supt. of Cons. Schools
 who is working up the inst. called
 and I showed the matter to him
 and he said a few of the books were
 just what he wanted in his work
 and so took them thinking he would
 take the matter up when we have
 our inst. which will be at a later
 date. The package minus a few phoos

Dear Sir-

I am sending you my check for five dollars, for membership. I earned this extra from my garden this year and hope I can do as well next summer so that my membership will be paid up for life!!

Gardening is a hobby with me as my regular occupation is teaching but I find it the opposite to an expensive

hobby and I enjoy the out-
door work and I am mak-
ing a number of experiments
of my own in plant breeding.

I have every copy of the
"Garden Magazine". If I
could have taken out a
life membership in that I
would have been very much
ahead financially so I think
it better to take advantage of
the life membership in this
society.

Yours sincerely

Miss Marie J. DeGraff.
