Dear Mr. Latham; - Your letter asking me to speak at the Horticulture meeting is at hand. So far as I now know I shall be very glad to discuss as you state,

"Birds a Factor in Horticulture." It is just possible that I may not be able to use just the day you place me. It might occur that I would be out of town just that date, but will do my best to be on date.

Dear Mr. Latham

Our last report was sent you some time ago. Let
me know if not received.

We are always glad to get the annual report of your society,
the most active and progressive horticultural society in this
country, I believe.

Yours truly

Los Angeles, Cal. Dec. 9, 1915.

Mr. A. W. Latham, Sec.,
Minn. State Horticultural Society,
Minneapolis, Minn.

My dear Mr. Latham:

I have received the announcement of the winter meeting of the Horticultural Society, and have read the program with a great deal of interest. You certainly are having a fine meeting, and I wish that it might be my privilege to be with you on this occasion. However distance and duty prevent.

I enclose, herewith, draft for Ten Dollars for Life Membership in the Society.

Kindly inform me which numbers of "The Minnesota Fruits and Flowers" are available, and I will select those numbers with which I am not now supplied. This will avoid sending any duplicate copies.

Wishing you abundant success at the meeting and in the carrying out of the future plans, and with best regards to you personally, I am,

Very sincerely yours,

F. E. Older.

P.S. You see what my intentions were. After writing the above, and before the draft was purchased, I received an injury to my arm which put me in the hospital. By the time the hospital and the doctors were through with me, the arm was safe, but I didn't have ten dollars in cash left. Now I have recuperated physically and somewhat financially and enclose draft herewith.
