Minneapolis Min Aug. 5. 1884

To the Board of Commissioners
of Hennepin County

Gent^l Concerning items of Sheriff's bill for protection of Jail and removal of a Cantieny to the Jail of Ramsey County, I advise you that the prisoner Cantieny at the time charged in the bill was a county prisoner under the law, having been regularly committed by the Judge of the Municipal Court, to await examination, to the County Jail. The Municipal Judge, as to violators

Tuesday August 5th 1884.

of State laws, is simply a magistrate and as such is entitled to commit prisoners to the County Jail either before or after examination. The protection of the Jail as County property and of the prisoners as a County charge for the time being, by guarding the Jail and finally by removal of the prisoner was the duty of the Sheriff, and the cost is a valid charge against the County. The prisoner was removed to Ramsey County by order of the District Court. The Sheriff informs me that the price charged by him is the exact price paid to his assistants & I do see no good objection to payment of the bill as rendered.

Yours respectfully
