Minneapolis Feby 13th 1889

To The Hon Board of County Commissioners

Gentlemen. A petition signed by residents of the Town of Medina, has been referred to me by your Board. The petition asks that a new School District be established in said Town, said petition is insufficient in many respects, the law under which it was drawn not having been followed. It is lacking in so many requirements that I do not deem it necessary to point out the defects specifically. I recommend that the petition be not granted, it failing to comply with the law.

Respectfully
Robert Jamison
County Attorney.

Com^r. Coburn offered the following resolution:

Whereas

This Board of County Commissioners of the County of Hennepin in the State of Minnesota have become satisfied, that the action of the Board of County Commissioners

of said County in the year 1868 whereby said Board sought to annex a certain portion of the Town of Excelsior to the Town of Medina, was illegal and void, and that the further action of said Board in 1884 annexing certain other territory and portion of said town of Excelsior to said Town of Medina was also illegal and void, and

Whereas by reason of the void and illegal action of said Board in the year 1868 and 1884, the said Town of Medina contained on the 9th day of April 1889 only thirty six Sections, thereby making it necessary under the law to submit the question of the division of said Town of Medina to a vote of the electors therein, and

Whereas the action of this Board taken on the 9th day of April 1889. dividing said Town of Medina and establishing and creating the Town of Orono was taken without knowledge that the said acts of said Board in the year 1868 and 1884 were illegal and void

Now therefore resolved, that the resolution and the action thereunder of this Board had on the 9th day of April 1889 dividing the said Town of Medina in Hennepin County, Minnesota and creating from a portion of said Town of Medina, the town of Orono, be and the same is hereby rescinded, and

Resolved further that the resolution of said Board passed on the said 9th day of April 1889 providing for the holding of an election in said town so created as the town of Orono, be and the same is hereby rescinded.
