The Board of County Commissioners of Hennepin County Minn. met at the Court House in the City of Minneapolis at 10 O'Clock A.M. pursuant to adjournment.

The following members were present, Conroy, Rayberg, Swart and Mr. Chairman.

The following communications were received

Minneapolis Feb. 20th 1899

To the Honorable Board of County Commissioners

Gentlemen;

On the 15th inst. I had an examination made of the Pile Bridge on the Hayzato & Spring Park Road in Section 2 T117, N. R. 23, W. designated as Bridge Number 31, and found the same to be unsafe

This Bridge was built in 1888 and has been in use for over 10 years. All the piles and many of the timbers are rotten and the bridge should be at once reconstructed, as it is not safe for anything but the lightest travel.

I would recommend that the length of this bridge, now 300 ft. be cut down to 50 or 60 ft. and the balance filled in if arrangements can be made for obtaining the dirt within reasonable distance and provided the soundings of the marsh show a suitable foundation.

I understand that temporary repairs are to be made by the Supervisors of Orono pending your action. I estimate the cost of reconstruction as follows.

Building 60 ft. of new bridge at $14.00 per. ft.	$720.00
Filling 250 lineal ft. 300 yards at 25¢	$75.00
	$1015.00

The original bridge cost $4.50 per. ft. in 1888. The price of timber is now about $7.00 higher but a portion of that now in the bridge could be used for flooring.

Temporary repairs for carrying the bridge for a year or two might be made at an expense of Two or Three Hundred Dollars. It is important that action should be taken at once.

Dear Sir,-

Section 765 Statutes of Minn. 1894 authorizes the Board of Commissioners to give room in the Court House for abstractors who have a set of tract indexes and compels said board to require a bond of not less than $500 or more than $5000 from the abstractors.

I understand that there are parties in this office who have no indexes and that no bond has ever been required from any one.

I must deny these abstractors the free access to the records and papers unless the law is complied with.

Commissioner Conroy presented the following report.

To the Honorable Board of County Commissioners
Gentlemen;

Your Committee to whom was referred the matter of agreement of Frank E. Niederhofer and Gussie Nelson have given the same careful consideration and beg leave to report as follows:

That one Gussie Nelson did on or about the 5th day of April 1899, complain to the Municipal Court, City of Minneapolis, County and State aforesaid, charging one Louis Niederhofer with having had wilful, unlawful and carnal intercourse with her at Minneapolis, in said County and State, on the 20th day of December 1898, by reason of which she became pregnant with child, which if born alive will

be a bastard.

That said Louis Neiderhoffer is not yet of full age, and has no property whatsoever, but that said Gussie Nelson is twenty one years of age and is capable of supporting herself and child, if born alive.

That on the 13th day of April, 1899, a brother of said Neiderhofer, acting for and on his behalf entered into an agreement in writing with said Gussie Nelson, whereby the sum of Fifty Dollars ($50 00) has been secured to be paid her immediately upon the approval of said agreement by this Board And said Gussie Nelson has agreed to accept the same in full satisfaction of every claim and demand which she or her said child, if born alive, might have against said Louis Neiderhofer for any cause whatsoever; and whereas,

It is evident that such payment will be a just and equitable settlement of the whole matter and under all of the circumstances, is probably the best that can be done to prevent said child from becoming a charge upon the County

Resolved,

That said board does hereby approve said agreement, and accepts the compromise so made relative to the support of said child And on behalf of said County, hereby discharges said putative from all liability for said support upon the payment to said Gussie Nelson of the amount of $50 00
