Mr. C. J. Minor.
Co. Auditor and Clerk of Board of County Commissioners.
Minneapolis, Minn.

Dear Sir:-

Relative to the bill pending before the Board of County Commissioners for compensation to Mr. Haynes for services rendered in the Metcalf investigation, I beg leave to make the following statement:

When the complaint was first presented to me, after considering its character and the probably lengthy investigation that would ensue, I concluded that it might be more economical both for the State and your County to refer it for investigation by the grand jury, which was then shortly to convene, and I so referred it.

After this reference, Mr. Metcalf, with the concurrence of the County Attorney, requested that the papers might be returned to this office and that I direct the investigation

from here, as authorized by the statute. I did so. After reflection and under all the circumstances, I came to the conclusion that it might be better and prove more satisfactory all around if the State were represented at the hearing by special counsel and I accordingly requested Judge Haynes to come over for a conference a few days before the hearing.

I asked him to act in behalf of the State, calling his attention to the provision of the law under which the Board of County Commissioners is authorized to pay $10.00 per day for services of that character.

Mr. Haynes stated that he could not take charge of the case and devote the necessary time to it for that compensation.

I thereupon suggested that I would endeavor to make such reasonable additional allowance out of the contingent fund as might be fair after the hearing was over and after it was known to what extent his services would be required and the amount and character of the work involved. Under this suggestion of mine, Mr. Haynes took charge. His work was efficiently carried on, as is shown by the record, and I trust that your Board of County Commissioners will allow him the amount of compensation which the statute authorizes. The balance which it may be determined that he is entitled to, I shall pay out of the Governor's contingent fund, but this fund is not sufficient to pay him a reasonable fee without crippling the office in other directions.

Very respectfully
Your obedient servant
John Lind.
Governor.

Commissioner Ryberg offered the following Resolution:

Whereas, Edward E. Smith, George W. Savage and Charles A. Eggleston, who were heretofore appointed by the District Court in and for the County of Hennepin, assessors to assess benefits upon the several tracts, pieces and parcels of land in Hennepin and Carver Counties, Minnesota, deemed by them to be specially benefited by the construction of a dam at the outlet of Lake Minnetonka and establishing a uniform height of water in the said lake, have, as such assessors, completed, made, returned and filed

in the office of the Clerk of the District Court in and for Hennepin County their assessment and report as such assessors.

Therefore be it

Resolved, That the County Attorney of Hennepin County be and he hereby is instructed to prepare and present to the District Court in and for said Hennepin County a petition for and in behalf of this Board, asking said court to confirm said assessment and report, and for an order of said Court directing that the proper notice be given to all parties in interest, as prescribed by Chapter 88 of the General Laws of 1897 in such cases made and provided, and that the hearing for the confirmation of said assessment will be had upon the day specified in said notice ordered to be served by said Court.

Now, therefore, be it resolved by the Board of County Commissioners of Hennepin County, Minnesota, that the personal tax judgment entered in favor of the State of Minnesota and against said Andrew A. Johnson and docketed in the District Court of said Hennepin County on the 16th day of September 1899, and amounting to the sum of $75.47, that upon the payment of the sum of 10 cents on the dollar said judgment be satisfied as to the Southeasterly 22 ft of Lot 8 Block 46 Town of Minneapolis, Lots 1 and 2 Block 4 Minnehaha Add. and Lot 9 Block 4 Groveland Add, that said Real Estate upon said payment be released from the lien of said judgment and that said judgment remain in force as to the balance thereof

Gentlemen: Your Committee on Ways and Means to whom was referred the matter of Petition of Frank Horan, on behalf of Timothy F. Guinney and Mrs. Chas Benolkin, sureties on the Bond of Hearn Horan, have given the same careful consideration, and beg leave to report as follows:

That Frank Horan has by his petition shown that the above named sureties are liable to Hennepin County in the sum of $100.00 upon a Bond executed by them for the appearance of Hearn Horan Etal, before the District Court and whereas said petition further shows that Frank Horan not being qualified to act as surety on said Bond himself, did give said sureties his own Bond in order that they might act in his stead and therefor become personally liable to said Sureties, and the petitioner having further shown by his petition that he is unable through sickness and death in his family to meet said obligations, therefor we recommend that the petition be granted and that said

Sureties be fully and finally released from any and all liability upon said Bond.

Gentlemen :-

On the 27th day of December 1900 under instructions from the County Surveyor, I went to Long Lake and measued the distance from the front door of the school house to the front door of the saloon of E. Kommers on an air line and found the distance to be 1264 ft.

By request of E Komers I set a stake 240 ft. back on line of saloon and school house to which point he agree to move his building, making the distance 1504 ft.

In regard to what is known as the Olson Hotel and saloon, I found it to be 1019 ft. on an air line from school house.
