Minneapolis, Minn. January 7th 1901

To the Honorable Board of County Commissioners of Hennepin County: Minneapolis.

Gentlemen;

I beg leave to notify you hereby that I have a claim against the County of Hennepin, arising out of unpaid salary due to me as Assistant County Attorney for the year 1900, and up to and including the 7th day of January 1901, which claim is based upon the following state of facts:

After the passage of Chapter 209 of the laws of 1899, relating to the appointment of assistant county attorneys in counties having 200,000 or more population, the Board of County Commissioners of Hennepin County, on June 19th, 1899, fixed the salary of the then assistant county attorneys and placed mine at $150.00 per month, "until the fist day of January 1900," to quote the words of the report.

On January 15th 1900, the Board of County Commissioners fixed my salary at $2200.00 per year; and on April 2. 1900, said Board attempted to reduce my salary, and fix it at the sum of $166.67 per month.

I contend that the action of the Board of County Commissioners on January 15th, 1900, when my salary was fixed at $2200.00 per year, was applicable to the whole year; but I received only $150.00 for the month of January, 1900, that amount being the same as that which I had theretofore received.

I further contend that, having fixed my salary at the sum of $2200.00 per year, the Board had no right, legal or otherwise, to reduce it in any sum, or to change the contract from employment by the year to employment by the month.

I should have received, for the year 1900, $2200.00, and for the seven days in January, 1901, during which time I continued to be Assistant County Attorney, $42.00, making in all $2242.00.

But I have, in fact, received only $2054.35, leaving a balance in my favor of $188.65.

Your early action with regard to this claim will be appreciated by me.

Very truly yours,

J. T. Hutchinson.

HENNEPIN COUNTY, MINNESOTA.

Minneapolis Minn. Jan. 21. 1901

To the Honorable Members of the Board of County Commissioners.
Hennepin County, Minnesota.

Gentlemen:-

In response to your two advertisements I herewith submit you propositions covering each.

In both instances I have submitted three propositions:

One contemplates inserting your advertising in both the Minneapolis Tribune (our morning publication), and the Evening Tribune.

The second contemplates the publishing of your advertisement in the Evening Tribune only.

The third contemplates the publishing of your advertising in the Minneapolis Tribune only.

While under the law it is necessary to publish a legal advertisement in the entire edition of a newspaper, only that portion of it which circulates in Hennepin County will be of especial value to the tax payers.

I have, therefore in addition to furnishing you the circulation statement asked for, taken occasion to guarantee the minimum Hennepin County circulation of the Minneapolis Tribune; the Evening Tribune, and Both Newspapers combined.

I may add that the Hennepin County circulation of the Minneapolis Tribune is as large as that of any other morning publication in the City, and that the Hennepin County circulation of the Evening Tribune is as large as that of any other evening publication in the City, and that the Hennepin County circulation of the Minneapolis Tribune and the Ebening Tribune combined is as large as the Hennepin County circulation

of all other English dailies in the City combined.

The Board of County Commissioners of Hennepin County Minn, met at the Court House in the City of Minneapolis at 10 o'clock A.M. pursuant to adjournment.

Members all present.

A Communication from Geo C. Merrill, Register of Deeds, asking that the salary of the Chief Deputy in that office be raised to $125.00 per month, was read and referred to the Committee on Ways, Means and Salaries.

The following opinion of the Assistant County Attorney was read and ordered placed on file:-

Minneapolis. Jan. 25. 1901.

To the Hon. Board of County Commissioners.

Gentlemen:-

In answer to your inquiries,

1st. As to whether or not, if the contract for the printing of the tax lists and proceedings of the Board of County Commissioners be let to "The Minneapolis Tribune", whether it will be necessary to print the same matters in the editions of "The Evening Tribune", I beg leave to report that after carefully examining the same, both as to the facts of publications of the two papers and as to the law applicable thereto, it is my opinion that if you let the contract to "The Minneapolis Tribune," that it will be legal and that said publications will not necessarily have to occur in "The Evening Tribune."

2nd. In reply to your question as to whether the "Searchlight" is a newspaper with the necessary requirements for printing legal publications, I beg leave to report that I have carefully and thoroughly investigated the same and have come to the conclusion that the "Searchlight" is not such a paper.

Very respectfully
C. L. Smith.

The following opinion of the County Attorney was read and ordered placed on file.

Minneapolis. Jan. 28. 1901

Hon. Board of County Commissioners:

Gentlemen:-

I beg leave to report upon a communication handed to me in reference to the lowering of the water in Lake Calhoun by reason of hauling ice from the Lake: that the individual owners of property have adequate remedies at law to prevent any injury, if any, that may be occasioned by reason of taking ice from the Lake and for that reason

I would advise against the County taking any action in the matter.

Very respectfully
C. L. Smith.

Commissioner Ryberg offered the following resolution:

Resolved, That all advertising or other official publications of the County of Hennepin of whatever nature shall be published only in newspapers which print in their columns the label of the Allied Printing Trades Council of Minneapolis, and the County Auditor is hereby directed to insert a specification carrying out the purposes of this resolution whenever he invites bids for advertising or official publications of the County of Hennepin, and he is also directed to insert such a specification in each and every contract which may be made with any Newspaper for said advertising, and he is further directed not to approve any bills for said advertising or official publications, except such as are for publications made in accordance with the terms of this resolution.

The question was on the adoption of the resolution, and the roll being called, there were: 2 yeas and 3 Nays, as follows:
Damey, Smith, Nash - No.
Ryberg, Mr Chairman - Aye.
And so the Resolution was lost.

Commissioner Nash offered the following resolution:

Minneapolis Minn. March 18th 1901

To the Honorable Board of County Commissioners.

Gentlemen:-

An article appeared in one of our evening papers a few days ago seriously reflecting on the administration of the office of the County Surveyor.

Notwithstanding the fact that this article was a combination of misrepresentation and malicious lies, I believe it is proper to call your attention to it and request that your honorable body proceed to satisfy yourself of the truth or falsity of the charges therein contained.

A portion of this article seems to reflect on the methods of supervision of your honorable body over this office and consequently call into question the integrity of the County Commissioners.

I therefor desire that you make a thorough and searching examination of all the details of my office in order that the public may know precisely how the same is conducted.

Respectfully. Geo W. Cooley

To the Honorable Board of County Commissioners.

Gentlemen;-

I present you herewith, statement showing the condition of the County Revenue Funds at the close of business on the last days of the months of January, February & March 1901.

In this connection I wish to state that the reason why these statements were not presented to you at the first meeting in Feb. and March was because I was adoised and instucted by the Public Examiner to withhold the same until a law could be passed by the legislature curing some of the evils of the law under which we now work.

It having come to our notice that the new law, if passed, will not take effect until Jan. 1st 1902, I take the first opportunity since learning that fact, to present this statement.

Very Respectfully,
Hugh R. Scott

The following Communication received and ordered placed on file.-

Minneapolis, June 17th 1901.

Hon. Board of County Commissioners,

Gentlemen,

I have given the matter careful consideration, regarding the revoking of the licenses of the saloon-keepers in the Town of Orono. Chapter 259 of the laws of 1895 read in connection with State vs. Cook, 24 Minn. p. 257 I think, is conclusive upon this subject, and that when the Town of Orono voted no license on the 12th day of Mch. 1901, that of itself revoked all of the licenses in that town and all sales of intoxicating liquors from and after that date are illegal.

The law revoking the license of itself, I see nothing further necessary to be done by this board, and I do not believe the law contemplates that when the law itself provides for the revoking of licenses, that it is necessary for this Board to take any further steps.

Yours respectfully

C. L. Smith

Minneapolis Minn. July 22d 1901.

The Board of County Commissioners of Hennepin County, Minn. met at the Court House in the City of Minneapolis, Minn. at 10 oclock A.M. pursuant to adjournment.

Members all present.

The following Communication read:-

Minneapolis Minn. July 18: 1901

To the Board of County Commissioners,
Hennepin Co. Minn.

Gentlemen:-

The Board of Court House and City Hall Commissioners wishes to call your attention to the following facts:-

That it expects, before the beginning of another year, to have finished and furnished - fully ready for occupancy - the basement, first, second and third floors of the City side of the Courthouse and City Hall Building;

That it expects such premises will be promply occupied upon completion by the various departments of the City government;

That this Board does not intend to install any heating or lighting plant in the City side of the building mentioned, it being of the opinion that one such set of plants can satisfactorily serve the whole thereof, with an annual saving of a number of thousand dollars to the tax payers in the County as compared with the amount they would be required to pay were there two such sets of plants there;

That the plants in question, for the entire building, have been installed upon the County side of it.

It seems to us that your attention should be officially called to the above facts, since you must be counted upon and, under proper arrangement, will be asked to heat and light the City side of the building, in order that you may take such action as you may deem necessary when making up estimates of expenditures for the ensueing year.

The Board of Courthouse and City Hall Commissioners, by
E. M. Johnson. President.

Minneapolis, Oct. 7th 1901

Hon. Board of County Commissioners,

Gentlemen,-

Since commencing the investigation of Sheriff Megaarden's bills, rendered to Hennepin County, since he became sheriff in January 1898, he has paid me for overcharges, and funds collected for the County, not previously turned into the county, the sum of $8698.62.

This includes interest on the various amounts at 6 per cent. This practically completes the investigation of Mr. Megaarden's bills.

Further investigation of some items that still remain unsettled will probably increase this amount somewhat. Mr. Megaarden stands ready to pay this amount as soon as it can be definitely ascertained.

My purpose in communicating this information to you is this:

Under the Statute, for at least a portion of these items, the county can recover three times the amount.

I desire to know whether your board is satisfied with the principal and interest paid back, or whether you insist on the statutory penalty of three times the amount.

It is necessary that your board take some action in regard to this matter at your meeting this morning.

Very respectfully

C. L. Smith.

P.S. As soon as possible I will render a full account of my action in the above matters to your honorable board.

C. L. Smith

On Motion the Board adjourned until 3 o'clock P.M.

At a meeting of the Board of County Commissioners of said County, held Nov. 18th 1901, a copy of the report of the Committee appointed by us at our last session, to examine the road hereinafter named, having been duly returned, by which said report it appears that the said Committee met at the time and place designated in our order of appointment and examined the highway proposed to be opened, viz;

Commencing at the intersection of the line between Sections 23 and 24 Town 117 North, Range 22 West, with the County road running Northwesterly through the North half of said Section 24; thence North on the line between Sections 23 & 24 and on the line between Sections 13 & 14 and on the line between Sections Eleven & Twelve of said Town & Range to the Cedar Lake & Minnetonka Mills Road running Southwesterly through the South half of Sections 11 & 12 T 117 N. R 22 W.

And recommended that the prayer of the petitioners for opening said highway be granted; and being of the opinion that the public interest would be promoted by the opening of said highway, and that the opening of said road would be of sufficient advantage to the County to warrant the paying of damages hereinafter assessed, we do hereby order and determine that the prayer of said petitioners be granted and that a highway be and is hereby opened according to the description above given, which is hereby declared to be a public highway, and the Auditor is hereby directed to notify the Supervisors of the several towns through which such highway is opened, that they cause so much of said highway as lies in their respective towns to be opened without delay.

We have assessed the damages sustained by reason of the opening of said road to the lands over which the same passes and to the owners thereof, as follows:-

Commissioner Barney offered the following resolution:

Whereas, there is unpaid upon the bills of Phillip T. Megaarden as Sheriff of Hennepin County, Minnesota, for the months of September, October, November and December, 1901, $3200.00, and whereas the State Public Examiner reports a deficiency in the accounts of Phillip T. Megaarden, as sheriff during the years 1899, 1900 and 1901 of the amount of $3500.00, above the amounts already paid into the County by said Philip T. Megaarden; and whereas said Philip T. Megaarden disputes the accuracy of said report; and whereas it would be impossible to ascertain how the accounts stand between said Philip T. Megaarden and Hennepin County without suit at law in court or an adjustment between parties; and whereas such a settlement is impossible during the present fiscal year; and whereas it may be that there is nothing due said Philip T. Megaarden, or that the court may decree any part of said $3200.00 due said Philip T. Megaarden; and whereas it is proper that whatever amount is found to be due said Philip T. Megaarden for the services rendered this year that the same should be paid out of the moneys appropriated for that purpose for the present year; and whereas there will not be sufficient funds of next year's appropriations to pay said amount, therefore,

Be it Resolved, that the Auditor and Treasurer be directed to set apart and hold separate out of the proper funds the amount of $3200.00, until the final settlement between the County and said Philip T. Megaarden, or until said Auditor and Treasurer be directed to credit said amount to other funds.

Adopted.

Commissioner Nash offered the following resolution:

Whereas the Board of County Commissioners, on November 4. 1901, voted Philip T. Megaarden, upon a bill presented by him, the sum of $730.33; and whereas on December 2d the County Attorney was directed to appeal from the allowance of said claim, owing to the fact that the Board was of the opinion that at that time said Philip T. Megaarden was indebted to Hennepin County in a larger sum than the County was to Philip T. Megaarden; and whereas on December 3rd said County Attorney did appeal said bill as directed; and whereas since the allowance and the appeal of said bill for services performed by said Philip T. Megaarden, there is the sum of $3904.77 unpaid.

And whereas, after allowing the above appealed bill there will be sufficient funds to offset the indebtedness of Philip T. Megaarden to said Hennepin County.

Therefore, Be it Resolved, that the County Attorney be directed to dismiss the appeal of said bill in the amount of $730.33.

Adopted.
