AFTERNOON SESSION.

Members all present.

Commissioner Chase offered the following resolution: Whereas, We the Board of County Commissioners are assembled in pursuance to the call of the County Auditor as required by Chapter 230 General Laws of 1905 with amendments thereto; said call being issued for Jan. 9th and then adjourned until Feb. 10th to hold a hearing on the Engineer's and Viewer's report and consider the establishment of what is known as Ditch #24 as petitioned for by Simon Gelle and others and

Whereas, We the Board of County Commissioners do find that the report of the Engineer and Viewers and all other proceedings in the matter of the construction of said ditch have been made and taken in accordance with the requirements of law and

Whereas, We find that the estimated benefits to be derived from the construction of said ditch are greater than the total cost of said ditch, and that such benefits have been duly awarded and assessed and that such work will be of public utility and promote the public health and that said report is complete and correct,

Now, Therefore, Be it Resolved, and ordered, that said ditch be established as specified in the report of the Civil Engineer and that we do hereby establish, adopt and confirm the Viewer's Report and the Chairman of the Board is hereby directed and ordered to execute the order hereto attached. The question was on the adoption of the resolution, and the roll being called there were: four yeas and one nays, as follows:

State of Minnesota,)
:ss.
County of Hennepin.)

In the Matter of the Petition of Simon Gelle and Others, for a Public Ditch in the County of Hennepin State of Minnesota, Designated and Numbered as County Ditch No. 24.

The above entitled matter came on duly to be heard by and before the Board of County Commissioners of the County of Hennepin State of Minnesota, at a Special Meeting of said Board duly called for the purpose of hearing and considering the petition for said ditch in the above entitled matter, on the 10th day of February A. D. 1913, at 10 o'clock A. M., of said day; and it appearing by proper evidence that due notice had been given of the pendency of said petition and of said time of hearing thereon and that Frank H. Nutter, Jr., the Civil Engineer appointed by this Board to survey the route of said ditch, has completed his work and duly filed his report thereon in the office of the County Auditor of said County, and that the Viewers appointed by said Board to view and report upon said work have duly completed their labors and made and filed their report in due form of law in the office of said County Auditor, the said Board of County Commissioners did, at the time above specified, proceed to hear said petition and said Viewer's report thereon; and said Board having duly considered said petition and heard all the parties interested for or against the construction of said ditch and all other matters pertaining thereto, find as follows, to-wit:

FIRST: That the said Civil Engineer has completed his work and made and filed his report thereon in all respects according to law.

SECOND: That the Viewers appointed herein have duly completed their labors and have made and filed their report thereon according to law.

THIRD: That the estimated benefits to be derived from the construction of said work are greater than its total cost, including damages awarded.

FOURTH: That the damages and benefits arising from the construction of said ditch have been duly awarded and assessed, and that said work will be of public utility and promote the public health and that said reports of said Engineer and Viewers are complete and correct.

FIFTH: That notice of this hearing of said petition and of said Viewers' report and said Engineer's report has been duly given, published and posted and mailed as by law required, and that proofs of said service of said notice have been duly made and filed in the office of the County Auditor of said County, and that all other proceedings in the matter have been made and

taken in accordance with the provisions of law.

NOW, THEREFORE, As conclusions from the foregoing findings, we, the Board of County Commissioners of the County of Hennepin, State of Minnesota, at said Special Session of said Board, held at the time above specified, being satisfied that the proposed ditch will be of public utility and conducive to public health and public benefit and convenience, do hereby locate and establish the said ditch according to the report and specifications of said Civil Engineer made and filed herein; and do hereby establish and confirm the report of the Viewers made and filed herein.

IT IS FURTHER ORDERED, That the damages awarded to the persons and corporations named in the Viewer's report herein, in excess of benefits, be paid out of the County Treasury of said County on warrants to be drawn and attested by the Auditor of said County and signed by the Chairman of this Board of County Commissioners, and delivered to the persons entitled thereto as provided by law.

Given under our hands this 10th day of February A. D. 1913.

By the Board,
C. M. E. Carlson,
Chairman Board of
County Commissioners, of
Hennepin County, Minnesota.

Attest: Al. P. Erickson,
County Auditor
By N. G. Chapman
Deputy
(Co. Auditor's Seal.)

Commissioner Waddell offered the following resolution:

Whereas, there has been filed with the County Auditor of Hennepin County, a certain petition made by Michael Gleason and twenty four others, said petitioners being freeholders of Hennepin County, dated on the 31st day of Dec. 1912, praying for the change of a certain County road in said petition described and said petition appears to be reasonable upon its face.

NOW THEREFORE BE IT RESOLVED, by the Board of County Commissioners of Hennepin County, that said petition be heard before Board at a meeting thereof to be held on Monday the 24th day of March 1913 at 11 o'clock A. M., at the Court House in said County at which time all parties interested therein may be heard, and that C. B. Waddell, Henry R. Chase and F. W. Cook members of this Board are hereby appointed a Committee to examine the route of such road and that Friday March 21st at 11 o'clock A. M., at the Northerly terminus of that portion of the road proposed to be

changed, is hereby fixed as the time and place at which said committee will meet to examine the same, and it is further ordered that notice of said meeting of said committee and notice of said meeting of said Board be given and posted as by law provided.

Adopted.

In the Matter of the Petition of B. Thompson and others for State Rural Highway No. 37 in the County of Hennepin State of Minnesota;

State of Minnesota,)
:ss.
County of Hennepin.)

WHEREAS, A petition bearing date the 2nd day of November A. D. 1912, signed by B. Thompson, W. J. Murphy, Walter A. Eggleston, David P. Jones, T. J. Janney, F. H. Carpenter, Joseph R. Kingman, N. F. Hawley, R. M. Bennett, Fred B. Snyder praying for the establishment of a State Rural Highway in said County, designated and numbered by the County Auditor as State Rural Highway No. 37 the route of which is fully described in said petition, together with a proper bond accompanying the same, has been filed with the County Auditor of said County, and said County Auditor has given due notice of the pendency of said petition, and the said notice has been published and served as by law required, and hearing had on said petition pursuant to said notice, and the said County Board of said County have heretofore duly appointed a competent engineer, to-wit:

W. E. Stoopes to make a survey of said State Rural Highway.

NOW THEREFORE, We, the County Board of said County, at a regular session held this day, do hereby appoint E. S. St. Martin and J. E. Burgan and J. E. Beckman three resident freeholders of said County, who are not interested in the construction of said proposed work, and not of kin to any of the parties known to be interested therein, to be viewers of said proposed work and of the route thereof. The said viewers shall first take an oath to faithfully perform their duties as such viewers, and thereafter, having received a certified copy of the petition for said State Rural Highway and of the order appointing them such viewers and of the order of the County Auditor of said County designating the time and place of the first meeting of said viewers, shall meet at the time and place specified, in the order of the County Auditor aforesaid and shall proceed to view said proposed work, and the land damaged or benefitted thereby, and, having completed said view and examination of said work, shall make and file their report thereof with said County Auditor of said County within thirty days from the date of their first meeting. In said report they shall in tabular form give the names of the owners of each tract of land to be benefitted or damaged by said proposed work, the description of each tract of land so benefitted or damaged (said names of owners to be the same as appear on the County tax duplicates of said County, and the description to be given in legal form), and the total number of acres in each of said tracts, the estimated number of acres in each tract of land to be benefitted or damaged (as the case may be) and the amount that each tract of land will be benefitted or damaged by the construction of said work. In case said State Rural Highway either in whole or in part, any public or corporate road or railroad, or benefits any such road so that the roadbed or travelled tract of any such road will be made better by the construction of said State Rural Highway, said viewers shall estimate the benefits arising therefrom to said road, roadbeds or railroads, and report said benefits, together with the names of roads and other particulars necessary to identify the corporations, private or public, to be benefitted thereby, and amounts of benefits to each, they shall report as part of such tabular statement the damages awarded to each municipal or other corporation for injury to any road or roadbed , and from the necessary construction and maintenance of any bridge, culverts or other works rendered necessary by the establishment of such State Rural Highway stating the same separately. They shall also report the total estimated benefits in respect

to said State Rural Highway entire, and branches thereof, if any, and also whether or not, in their opinion, the estimated expense of the construction of said State Rural Highway including the damages assessed therefor, is greater than the utility of said proposed State Rural Highway and whether or not said proposed State Highway is impracticable for any reason, and if so, stating the reason why it should not be constructed. In making said view and survey of said proposed work and their report thereon, the said viewers shall proceed according to Chapter 230 of the General Laws of 1905.

WHEREAS, We the Board of County Commissioners assembled pursuant to the call of the County Auditor as required by Chapter 254 General Laws 1911 and Chapter 230 General Laws of 1905, in the matter of the petition of W. K. Powers, and others for a State Rural Highway in the County of Hennepin, State of Minnesota, designated and numbered as State Rural Highway #26, it appearing by proper evidence that due notice had been given of the pendency of said petition and of said times of hearing thereon and that W. E. Stoopes, the Civil Engineer appointed by this Board to survey the route of said State Rural Highway has completed his work and duly filed his report thereon in the office of the County Auditor of said County, and that the Viewers appointed by said Board to view and report upon said work have duly completed their labors and made and filed their report in due form of law in the office of said County Auditor, the Board of County Commissioners did at the time above specified, proceed to hear said petition and said Viewer's report thereon and said Board having duly considered said petition and heard all the parties interested for or against the Construction of said State Rural Highway and all other matters pertaining thereto, find as follows, to-wit:

First: That the said Civil Engineer has completed his work and made and filed his report thereon in all respects according to law.

Second: That the Viewers appointed herein have duly completed their labors and having made and filed their report thereon according to law.

Third: That the estimated benefits to be derived from the construction of said work are greater than its total cost including damages awarded.

Fourth: That the damages and benefits arising from the construction of said State Rural Highway have been duly awarded and assessed; and that said work will be of public utility and that said reports of said Engineer and Viewers are complete and correct.

Fifth: That notice of this hearing of said petition and of said Viewer's report and said Engineer's report has been duly given, published and posted and mailed as by law required, and that proofs of said service of said notice have been duly made and filed in the office of the County Auditor of said County, and that all other proceedings in the matter have been made and taken in accordance with the provisions of law.

NOW THEREFORE BE IT RESOLVED as conclusions from the foregoing findings, We the Board of County Commissioners of Hennepin County, State of Minnesota, at said special session of said Board, held at the time above specified, being satisfied that the proposed State Rural Highway will be of public utility and public benefit and convenience, do hereby locate and establish the said State Rural Highway according to the report and the specifications of said Civil Engineer made and filed herein; and do hereby establish and confirm the report of the Viewers made and filed herein, and the Chairman of this Board is hereby directed and ordered to execute the order establishing said State Rural Highway.

Commissioner Knight offered the following resolution:

IN THE MATTER OF THE ADOPTION OF THE GARBO ELECTION SYSTEM BY THE COUNTY COMMISSIONERS OF HENNEPIN COUNTY.

WHEREAS one N. F. Garbo, is, or claims to be, the patentee and owner of patent rights of certain devices or system, the primary purpose of which is to facilitate the counting of election ballots, which system consists of a "filing frame" so called, and a particular form of ballot so

shaped, and, as to primary election ballots so creased as to permit of the same being filed on the filing frame and readily counted and canvassed when so filed; and

WHEREAS the said ballots may be made to conform approximately to the forms now prescribed by law for the ballots to be used at general elections and

WHEREAS the use of such election system can be adapted to use under the laws now in force regulating the holding of general and primary elections in this state, except that the form of the primary ballot now in use is not so adapted to said election system, and

WHEREAS it is the intention to adopt and use such election system at all primary and general elections within such counties as shall adopt such system provided the use of same can be contracted for and the necessary patented devices can be purchased and procured from some person authorized to manufacture and vend such patented devices;

NOW THEREFORE, BE IT RESOLVED, That the County Commissioners of Hennepin County, Minnesota, also known as the County Board, provide for and adopt the use of said Garbo system at the next primary and general election to be held in Hennepin County, Minnesota, in accordance with the provisions of Chapter 582, General Laws of the State of Minnesota, passed during the 38th session of the State Legislature; and Resolved further that the said Board of County Commissioners may hereafter enter into a contract with the owner of the patent rights upon and covering the devices constituting the said system, for the use thereof in said county at primary and general elections therein, for the purchase of such patent ballots, filing frames and other patent devices used therein; and such contract, if entered into, shall provide for the future acquisition by the county of such additional patent devices necessary for the full and complete use of such system as may from time to time be needed, as well as additional patent devices and other improvements to said system as may be necessary or desirable to fully protect the present and future rights of the county in adopting and using said system; and

BE IT FURTHER RESOLVED that the said Board of County Commissioners shall in all things be authorized and empowered in adopting said system and authorizing its use, to enter into whatever contracts and to do whatever is necessary to carry into effect the use of said election system at said primary and general elections as contemplated and set forth in the provisions of said law above referred to.

BE IT FURTHER RESOLVED, That in case satisfactory terms cannot be arranged with the patentee of such system or for any reason such contract cannot be entered into by this Board, or in case Chapter 582 Laws of Minnesota 1913 is held by the Attorney General of the State of Minnesota to be unconstitutional, this resolution shall not make it obligatory upon the Board of County Commissioners to enter into such contract.
