And so the resolution was adopted.

In the Matter of the Petition of Henry F. W. Busch, and others for County Ditch No. 25 in the County of Hennepin, State of Minnesota.

State of Minnesota,)
:ss
County of Hennepin.)

WHEREAS, A petition bearing date the 6th day of January, A. D. 1914, signed by Henry F. W. Busch and George M. Bleecker praying for the establishment of a ditch in said County, designated and numbered by the County Auditor as County Ditch No. 25, the route of which is fully described in said petition, together with a proper bond accompany-

ing the same, has been filed with the County Auditor of said County, and said County Auditor has given due notice of the pendency of said petition, and the said notice has been published and served as by law required, and hearing had on said petition pursuant to said notice; and the said County Board of said County have heretofore duly appointed a competent engineer, to-wit: Anton Nelson to make a survey of said ditch.

NOW THEREFORE, We, the County Board of said County, at an adjourned session held this day, do hereby appoint J. D. Christy and Peter J. Scheid and John Engel three resident freeholders of said County, who are not interested in the construction of said proposed work, and not of kin to any of the parties known to be interested therein, to be viewers of said proposed work and of the route thereof. The said viewers shall first take an oath to faithfully perform their duties as such viewers; and thereafter, having received a certified copy of the petition for said ditch and of the order appointing them such viewers and of the order of the County Auditor of said County designating the time and place of the first meeting of said viewers, shall meet at the time and place specified, in the order of the County Auditor aforesaid and shall proceed to view said proposed work, and the land damaged or benefitted thereby; and, having completed said view and examination of said work, shall make and file their report thereof with said County Auditor of said County within thirty days from the date of their first meeting. In said report they shall in tabular form give the names of the owners of each tract of land to be benefitted or damaged by said proposed work, the description of each tract of land so benefitted or damaged (said names of owners to be the same as appear on the County tax duplicates of said County, and the description to be given in legal form), and the total number of acres in each of said tracts, the estimated number of acres in each tract of land to be benefitted or damaged (as the case may be), the number of acres added to any tract by the total or partial drainage of any meandered lake, or the change of any water course and the location and value of such added land; the damage, if any, to riparian rights pertaining to any tract, and the amount that each tract of land will be benefitted or damaged by the construction of said work. In case said ditch drains, either in whole or in part, any public or corporate road or railroad, or benefits any such road so that the roadbed or traveled track of any such road will be made better by the construction of said ditch, said viewers shall estimate the benefits arising therefrom to said road, roadbeds or railroads, and

report said benefits, together with the names of roads and other particulars necessary to identify the corporations, private or public, to be benefitted thereby, and amounts of benefits to each; they shall report as part of such tabular statement the damages awarded to each municipal or other corporation for injury to any road or roadbed, and from the necessary construction and maintenance of any bridge, culverts or other works rendered necessary by the establishment of such ditch, stating the same separately. They shall also report the total estimated benefits in respect to said ditch entire, and branches thereof, if any, and also whether or not, in their opinion, the estimated expense of the construction of said ditch including the damages assessed therefor, is greater than the utility of said proposed ditch, and whether or not said proposed ditch is impracticable for any reason, and if so, stating the reason why it should not be constructed. In making said view and survey of said proposed work and their report thereon, the said viewers shall proceed according to Chapter 230 of the General Laws of 1905 and amendments thereto.

Referred to Committee on roads and bridges.

Office of
County Surveyor,
Hennepin County.

Frank E. Haycock,
County Surveyor.

Minneapolis, Minn., April 27th, 1914.
To the Honorable Board of County Commissioners, Hennepin County, Minn.
Gentlemen: In relation to expansion joints in concrete pavement for Crystal

Lake Hill and Superior Boulevard, will state that after careful examination of many miles of concrete road in Wayne County Michigan which are well provided with such joints and our experience on our own Superior Boulevard, I find such joints of actual damage to the pavement instead of a benefit, this is the reason that no such joints were provided for in my specifications on Crystal Lake Hill and Superior Boulevard.

Respectfully Submitted,

Frank E. Haycock,
County Surveyor.

On motion the Board adjourned until 1:30 o'clock P. M.

WHEREAS, A petition signed by twenty-four freeholders of said County, praying for the change of a certain highway in said County, running in the Village of Wayzata and Town of Orono and not within the limits of any incorporated city, as hereinafter described, was presented to this Board at its session on the 13th day of April 1914 and this Board having determined by the judgment of a majority of its members that said petition is reasonable on its face, and having by its order made at said session, appointed Monday the 18th day of May 1914, at 11 o'clock A. M., at the Court House in said County, as the time and place for a hearing upon said petition, and having by said order appointed a committee of its members to examine said proposed change of said road and designated Friday the 15th day of May 1914, at 11 o'clock A. M., at the easterly terminus of the road proposed to be changed in said County, at the time and place for said committee to meet on the route of said change of road, for the examination of the same, and having caused notices of said hearing and said meeting of said committee embodying a copy of said petition, to be posted in the three most public places of each town through which said proposed change of said road runs, or affected thereby, at least twenty days before the day of said hearing upon said petition, and being satisfied that said notices were so posted and proof of said posting duly made, and the said committee having met at the time and place designated in said order and said notices, and examined the same and made its report in writing to this Board, and recommended that said petition be granted, and said Board having met at the time and place designated in said order and said notices, to-wit: at the Court House in Minneapolis in said County on the 18th day of May 1914, at 11 o'clock A. M. and duly heard all that anyone had to say in favor of, or against, the granting of said petition

and considered said petition and the report of said committee thereon, and a majority of said Board having agreed that said petition should be granted.

IT IS HEREBY ORDERED, That the prayer of said petition be and the same is hereby granted, and said highway is hereby changed so as to run according to said committee's report, by courses and distances as follows, to-wit:

Beginning at a point in the center of County Road #27 which point is distant 1450.5 feet westerly, measured along the center line of said road from the east line of Section I Township II7 North Range 23 West of the 5th principal meridian; thence running westerly along the center line of said road and said center line extended a distance of 660.5 feet; thence deflecting to the right 10 degrees and 55 minutes a distance of 551.0 feet; thence deflecting to the right 54 degrees and 15 minutes a distance of 715.0 feet to a point in the center line of said road #27 and there terminating, and for the vacation of all that part of County Road #27 between the above described points of beginning and ending not mentioned within the above described course.

IT IS FURTHER ORDERED, That the County Auditor notify the Town Supervisors of each town through which said road is changed of the fact of said change and that they shall cause to be opened so much of said highway as lies in their respective towns.

IN WITNESS WHEREOF, The Chairman of this Board has hereunto set his hand and affixed our seal at Minneapolis in said County, this 18th day of May A. D. 1914.

WHEREAS, We find that the estimated benefits to be derived from the Construction of said ditch are greater than the total cost of said ditch, and that said benefits have been duly awarded and assessed and that such work will be of public utility and promote the public health and that said report is complete and correct.

NOW THEREFORE, Be it Resolved, and ordered, that said ditch be established as specified in the report of the Civil Engineer and that we do hereby establish adopt and confirm the Viewer's report and the Chairman of the Board is hereby directed and ordered to execute the order hereto attached.

The question was on the adoption of the resolution, and the roll being called there were: five Yeas and no Nays, as follows:

Chase, yea

Cook, yea

Knight, yea

Waddell, yea

Mr. Chairman, yea

And so the resolution was adopted.

State of Minnesota,)
:ss.
County of Hennepin.)

In the Matter of the Petition of
Henry F. W. Busch and Others,
for a Public Ditch in the County of Hennepin
State of Minnesota, Designated and Numbered as County Ditch No. 25.

The above entitled matter came on duly to be heard by and before the Board of County Commissioners of the County of Hennepin, State of Minnesota, at a Special Meeting of said Board duly called for the purpose of hearing and considering the petition for said ditch in the above entitled matter, on the 25th day of May A. D. 1914, at 10 o'clock A. M., of said day and it appearing by proper evidence that due notice had been given of the pendency of said petition and of said time of hearing thereon and that Anton Nelson the Civil Engineer appointed by this Board to survey the route of said ditch, has completed his work and duly filed his report

thereon in the office of the County Auditor of said County, and that the Viewers appointed by said Board to view and report upon said work have duly completed their labors and made and filed their report in due form of law in the office of said County Auditor, the said Board of County Commissioners did, at the time above specified, proceed to hear said petition and said Viewer's report thereon, and said Board having duly considered said petition and heard all the parties interested for or against the construction of said ditch and all other matters pertaining thereto, find as follows, to-wit:

FIRST: That the said Civil Engineer has completed his work and made and filed his report thereon in all respects according to law.

SECOND : That the Viewers appointed herein have duly completed their labors and have made and filed their report thereon according to law.

THIRD: That the estimated benefits to be derived from the construction of said work are greater than its total cost, including damages awarded.

FOURTH: That the damages and benefits arising from the construction of said ditch have been duly awarded and assessed, and that said work will be of public utility and promote the public health and that said reports of said Engineer and Viewers are complete and correct.

FIFTH: That notice of this hearing of said petition and of said Viewers' report and said Engineer's report has been duly given, published and posted and mailed as by law required, and that proofs of said service of said notice have been duly made and filed in the office of the County Auditor of said County, and that all other proceedings in the matter have been made and taken in accordance with the provisions of law.

NOW, THEREFORE, As conclusions from the foregoing findings, we, the Board of County Commissioners of the County of Hennepin, State of Minnesot at said Special Session of said Board, held at the time above specified, being satisfied that the proposed ditch will be of public utility and conducive to public health and public benefit and convenience, do hereby locate and establish the said ditch according to the report and the specifications of said Civil Engineer made and filed herein; and do hereby establish and confirm the report of the Viewers made and filed herein.

IT IS FURTHER ORDERED, That the damages awarded to the persons and corporations named in the Viewers' report herein, in excess of benefits,

be paid out of the County Treasury of said County on warrants to be drawn and attested by the Auditor of said County and signed by the Chairman of this Board of County Commissioners, and delivered to the persons entitled thereto as provided by law.

Given under our hands this 25th day of May A. D. 1914.

By the Board,
C. M. E. Carlson,
Chairman Board of County Commissioners,
of Hennepin County, Minnesota.

Attest: Al. P. Erickson,
County Auditor and Ex-Officio Clerk of Board.
By N. G. Chapman, Deputy
(Seal of County Auditor.)
