Dated August 29th, 1917.

A. P. Erickson
County Auditor.

153. All castings shall be properly cleaned; and all fins, seams, and other irregularities shall be removed, so that the castings shall have clean, smooth surfaces. Drainage holes of adequate size shall be drilled in all places where water is likely to collect. Unfinished bolts may have a play of one sixteenth (1/16) inch in bolt holes. All turned bolts must have the diameter of the shank at least one-eighth (1/8) inch greater than the diameter of the threaded portion, and they must have a driving fit in the bolt holes.

154. HAND OPERATING MACHINERY. Machinery for hand operation shall be provided in accordance with the accompanying drawings.

155. TOWER-SHEAVE BEARING CONNECTIONS. Each pair of bearings shall be assembled, aligned, and adjusted to correct relative position with their shafts placed in them, on a steel plate not less than one-quarter (1/4) inch thick; and holes shall be drilled through the plate corresponding to the holes for bolts in the bearings. The plate shall then be placed and aligned on the structural supports--which must be completely assembled--and the bolt holes drilled. A separate plate shall be employed for each pair of bearings; and it shall not be shorter than the total length of the shaft nor narrower than the total width of the bearings.

156. COUNTERWEIGHT AND OPERATING ROPES AND THEIR ATTACHMENTS. All wire rope shall be made by John A. Roebling's Sons Company, or some other manufacturer approved by the Engineer. The counterweight ropes shall be made of plow steel wire and shall consist of six (6) strands of nineteen (19) wires each, laid around a hemp center. All ropes shall be laid up in the best possible manner and shall be thoroughly soaked in an approved lubricant during the process of manufacture.

157. All sockets used in connection with this rope shall be forged, without welds, from solid steel, if it is possible to obtain them. In cases where this cannot be done, they may be steel castings, but only with the specific written permission of the Engineers. In every case the dimensions shall be such that no part under tension shall be loaded higher than 65,000 pounds per square inch when the rope is stressed to its ultimate strength as named above. The sockets must be attached to the rope by a method which is absolutely reliable and which will not permit the rope to slip in its connection to the socket.

County Auditor

Minneapolis, Minn., Monday Feb. 19th 1917.

The Board of County Commissioners of Hennepin County met at the Court House in Minneapolis at 10 o'clock A. M., pursuant to the call of the County Auditor and pursuant to adjournment.

Members all present.

At 11 o'clock hearing was called for on Engineers and Viewers reports on ditch #29.

No one appearing to be heard, the said reports were read.

Commissioner Waddell offered the following resolution:

WHEREAS, We the Board of County Commissioners are assembled in pursuance to the call of the County Auditor as required by Chapter 230 General Laws of 1905 with Amendments thereto; said call being issued for Feb. 19th, 1917 to hold a hearing on Engineer's and Viewer's report and consider the establishment of what is known as Ditch #29 as petitioned for by B. W. Carpenter and others, and

WHEREAS, We the Board of County Commissioners do find that the report of the Engineer's and Viewer's and all other proceedings in the matter of the construction of said ditch have been made and taken in accordance with the requirements of law and

WHEREAS, we find that the estimated benefits to be derived from the construction of said ditch are greater than the total cost of said ditch, and that said benefits have been duly awarded and assessed and that such work will be of public utility and promote the public health and that said report is complete and correct.

NOW THEREFORE, BE IT RESOLVED, and ordered that said ditch be established as specified in the report of the Civil Engineer and that we do hereby establish, adopt and confirm the viewers report and the Chairman of this Board is hereby directed and ordered to execute the order hereto attached. The question was on the adoption of the resolution, and the roll being called there were: five yeas and no nays, as follows: Anderson, yea Cook, yea Montgomery, yea Waddell yea Mr. Chairman, yea.

And so the resolution was adopted.

State of Minnesota,)
: ss.
County of Hennepin.)

In the Matter of the Petition of
B. W. Carpenter and Others, for a Public Ditch in
the County of Hennepin, State of Minnesota,
Designated and Numbered as County Ditch No. 29

The above entitled matter came on duly to be heard by and before the Board of County Commissioners of the County of Hennepin, State of Minnesota, at a Special Meeting of said Board duly called for the purpose of hearing and considering the petition for said ditch in the above entitled matter, on the 19th day of February A. D. 1917, at 11:00 o'clock A. M., of said day, and it appearing by proper evidence that due notice had been given of the pendency of said petition and of said time of hearing thereon and that E. E. Terrell the Civil Engineer appointed by this Board to survey the route of said ditch, has completed his work and duly filed his report thereon in the office of the County Auditor of said County, and that the Viewers appointed by said Board to view and report upon said work have duly completed their labors and made and filed their report in due form of law in the office of said County Auditor, the said Board of County Commissioners did, at the time above specified, proceed to hear said petition and said Viewer's report thereon; and said Board having duly considered said petition and heard all the parties interested for or against the construction of said ditch and all other matters pertaining thereto, find as follows, to-wit:

FIRST: That the said Civil Engineer has completed his work and made and filed his report thereon in all respects according to law.

SECOND: That the Viewers appointed herein have duly completed their labors and have made and filed their report thereon according to law.

THIRD: That the estimated benefits to be derived from the construction of said work are greater than its total cost, including damages awarded.

FOURTH: That the damages and benefits arising from the construction of said ditch have been duly awarded and assessed, and that said work will be of public utility and promote the public health and that said reports of said Engineer and Viewers are complete and correct.

FIFTH: That notice of this hearing of said petition and of said Viewers' report and said Engineer's report has been duly given, published and posted and mailed as by law required, and that proofs of said service of said notice have been duly made and filed in the office of the County Auditor of said County, and that all other proceedings in the matter have been made and taken in accordance with the provisions of law.

NOW, THEREFORE, As conclusions from the foregoing findings, we, the Board of County Commissioners of the County of Hennepin, State of Minnesota, at said Special Session of said Board, held at the time above specified, being satisfied that the proposed ditch will be of public utility and conducive to public health and public benefit and convenience, do hereby locate and establish the said ditch according to the report and the specifications of said Civil Engineer, made and filed herein; and do hereby establish and confirm the report of the Viewers made and filed herein.

IT IS FURTHER ORDERED, That the damages awarded to the persons and corporations named in the Viewers' report herein, in excess of benefits, be paid out of the County Treasury of said County on warrants to be drawn and attested by the Auditor of said County and signed by the Chairman of this Board of County Commissioners, and delivered to the persons entitled thereto as provided by law.

Given under our hands this 19th day of February A. D. 1917.

By the Board,
Henry R. Chase
Chairman of Board of County Commissioners,
of Hennepin County, Minnesota.

C. B. Waddell

Barney Anderson

Commissioner Cook offered the following resolution:

RESOLVED, That the report of the Committee be accepted and adopted.

Adopted.

Commissioner Anderson offered the following resolution:

RESOLVED, That this Board having examined the delinquent personal property tax list for the taxes for the year 1916 as returned to it by the County Treasurer, and having carefully investigated each case reported to it therein; hereby directs and orders that all taxes in said list standing against persons opposite whose names the letter "C" is written be cancelled and that all taxes in said list standing against persons opposite whose name the letter "J" is written be sent to the Clerk of the District Court for judgment as provided by Sections 2080 and 2081 General Statutes of Minnesota for 1913. The question was on the adoption of the resolution, and the roll being called there were: five yeas and no nays, as follows:

Anderson, yea Cook yea Montgomery yea Waddell, yea Mr. Chairman yea

And so the resolution was adopted.
