ARTHUR A. CASWELL,

BE IT RESOLVED, That Whereas, this Board ~~indicated~~ early this ~~in the~~ year in making an ~~appointment~~ apportionment of its Road and Bridge Fund for 1928 voted that the sum of $65,000. be set aside from that fund to be expended on the East River Road this year, and

Mr. Ringhand offered the following Resolution and moved its adoption, which motion was seconded by Mr. Houle:

WHEREAS, The Department of Highways of the State of Minnesota, has let a contract for the completion of Trunk Highway No. 62 from Coon Creek in Anoka County to St. Paul in Ramsey County, and

WHEREAS, With the completion of said paving, the Commissioner of Highways, will return to Anoka County all of the temporary Trunk Highway No. 62 in Anoka County, which Anoka County will then be obliged to maintain, and

WHEREAS, The maintenance of that portion of the so-called "East River Road" between Coon Creek and Fridley will, in addition to the maintenance of the balance of said road, impose a heavy burden on the taxpayers of Anoka County, and

WHEREAS, It is estimated that the cost of maintaining the "East River Road" in a passable condition will be more than $50,000.00 over a five year period, with a possibility of an increase in cost of such maintenance on said road, and

WHEREAS, A large part of that burden will fall upon the taxpayers of Anoka County this year unless Hennepin County takes up the immediate reconstruction of said "East River Road", and

WHEREAS, The County of Anoka will have insufficient funds for the paving of said road for many years to come, and

WHEREAS, Under the existing laws Hennepin County cannot legally acquire right-of-way for the "East River Road", and it is imperative that such right-of-way be procured if Hennepin County is to construct and let a contract for the construction of the said road, and

WHEREAS, In view of the above facts and circumstances, it is the desire of this Board in the interests of the taxpayers of Anoka County that this road be constructed at as early a date as possible in order that there will be no obstacles to its being designated as an additional Trunk Highway of the State of Minnesota, as provided for in the Constitution of the State and thus relieve Anoka County and its taxpayers for all times of the construction, re-construction and maintenance of said highway;

NOW, THEREFORE, BE IT RESOLVED, That the Board of County Commissioners of Anoka County hereby agree and resolve to acquire the right-of-way for such highway in accordance with the requirements as shown by the plans approved by the Commissioner of Highways of the State of Minnesota and to procure and acquire such right-of-way at the earliest possible date for the purposes aforesaid and without expense to Hennepin County, provided that Hennepin County will release Anoka County from the payment of $10,000 due in 1932 under the terms of that certain Resolution adopted by Anoka County September 7, 1927, in which said Resolution the said Anoka County agreed to a diversion of $10,000 of State Aid Funds to Hennepin County, and provided further, that Anoka County be relieved from any payment for right-of-way between station #32 and #59 opposite the Minneapolis Filtration Plant, according to the right-of-way map prepared by and on file with the Commissioner of Highways.

Upon roll call there were four ayes as follows:

Wm. Ringhand	Aye
Geo. H. Sanderson	Aye
Louis Larson	Aye

Arthur A Caswell

County Auditor.

Commissioner Christian offered the following resolution and moved its adoption:

WHEREAS, The Commissioner of Highways of Minnesota has called for bids to be opened on Sept. 20, 1927, for the completion of the paving on Trunk Highway #62 in Anoka County, and

WHEREAS, With the completion of said paving the Commissioner of Highways will return to Anoka County all of the temporary Trunk Highway #62 in Anoka County which Anoka County will then be obliged to maintain, and

WHEREAS, The maintenance of that portion of the so-called East River Road between Coon Creek and Fridley will in addition to the maintenance of the balance of said road impose a heavy burden on the tax payers of Anoka County, and

WHEREAS, The weakened condition of the bridge between Anoka and Champlin necessitates the routing of all busses and trucks of a gross load of six tons, or over, by way of the so-called East River Road with the possibility that the loading capacity of the said bridge may further be reduced, and

WHEREAS, It is estimated that the cost of maintaining the East River Road in a passable condition will be more than $50,000 in a five year period, with a possibility of an increase in the cost at the expiration of the said five years.

NOW, THEREFORE, BE IT RESOLVED, That the County Commissioners of Anoka County, hereby agree to a diversion to Hennepin County of $10,000 each year for five years, from the State Aid Allotment to Anoka County, beginning in 1928, on condition that the Commissioners of Hennepin County will let a contract for the grading of the said East River Road from Coon Creek to the Anoka-Hennepin County line, and that the Commissioners of Hennepin County will pave said road with a 27 ft. pavement the entire distance from the said Coon Creek to the said Anoka-Hennepin County line, as soon as practicable and not later than 1930.

Commissioner Sanderson seconded the motion for the adoption and upon roll call there were five ayes and the resolution was unanimously adopted.

State of Minnesota, } *ss.*

County of Anoka,

I, ARTHUR A. CASWELL, Auditor of said County of Anoka, do hereby certify, that I have compared the foregoing attached copy with the original RESOLUTION adopted by the County Board September 7, 1927, *now remaining on file and of record in my office, and that the same is a correct transcript therefrom, and of the whole of such original.*

WITNESS my hand and official seal, this 3rd *day of* March, 1928. *190*
