At a meeting of the County Board of Hennepin County, State of Minnesota, held on the 30th day of December 1929, the petition of Iona S. Otis asking that her land described in said petition be set off from School District No. Ind. St. Louis Park to School District No. 17 in said county came on to be heard by said Board; and it having been made to appear to its satisfaction that notice of said hearing had been published, posted and served as required by law and its order, said Board, having heard all persons interested in said matter, both for and against, finds as follows:

That said petitioner Iona S. Otis is a freeholder and resident of said county; and that she owns land now in School District No. Ind. St. Louis Park in said county described as follows, to-wit:

That part of Lots 13 and 14 in Grimes Homestead, described as follows:

Commencing at the Northwesterly corner of said Lot 14; thence Easterly along Northerly line of said lots 13 and 14 a distance of 150 feet; thence Southwesterly along center line of said Lot 13 a distance of 75 feet; thence Westerly along a line parallel with the Northerly line of said Lots a distance of

150 feet to Westerly line of said Lot 14, thence Northerly along Westerly line of said Lot 14 a distance of 75 feet to place of beginning and that said land adjoins School District No. 17 in said county.

That the reasons for setting off said land of petitioner are as follows, to-wit:

The resident rented the house on the assurance of the County School Superintendent that their child a girl age 8 would attend the district #17 school which is 5 blocks from said residence. As a portion of the lot is in District #17 this seemed logical. She has been attending this school since September 1928. The superintendent of District #17 says parents must now pay tuition or send child to St. Louis Park School which is 13 blocks away from the residence with no bus service provided.

It is Therefore Determined and Ordered; That the said land of said petitioner as above described be, and the same hereby is set off from said School District No. Ind. St. Louis Park to said School District No. 17 in said county; and that hereafter said land be and constitute a part of said School District No. 17.

All that part of lots thirteen and fourteen (13 & 14) Grimes Homestead, according to the plat thereof on file or of record in the office of the Register of Deeds in and for said Hennepin County, Minnesota, described as follows, to-wit:

Beginning at a point in the southwesterly line of said lot fourteen (14) which point is distant eighty-five (85) feet northwesterly from the southwesterly corner of said lot fourteen (14) a distance of sixty-five (65) feet; thence northeasterly parallel with the southeasterly line of said lots thirteen and fourteen (13 & 14) a distance of one hundred and twenty-five (125) feet; thence southeasterly parallel with said southwesterly line of said lot fourteen (14) a distance of sixty-five (65) feet; thence southwesterly a distance of one hundred and twenty-five (125) feet to the point of beginning and that said land adjoins School District No. 17 in said county.

That the reasons for setting off said land of petitioner are as follows, to-wit: On account of said School in District No. 17 being situated much nearer than the St. Louis Park School. The distance being at least twice that of School in District No. 17, or about one mile additional distance. Also that at the

present time there are two children of school age attending the School in District No. 17 from the above described home.
