The hearing was then continued until August 3rd, 1936, at 11 o'clock A. M. at which time the following persons were heard in support of the petition: none, and the following persons in opposition thereto: none.

From the petition, the testimony produced at the hearing, and on all the files and records in said matter, the Board finds as facts:

I.

That the land described in the petition is owned by the petitioners and used solely for agricultural purposes.

IV.

That said land is not necessary for the reasonable exercise of the police powers or other powers or functions of such village.

Upon the foregoing findings, IT IS
