All matters pertaining to old age assistance that had been presented to the County Board this date were referred to the Committee of the Whole. The Board took a recess and the Committee of the Whole proceeded to consider all matters pertaining to old age assistance that had been referred to said committee this date. After due consideration of the above mentioned matters the Committee of the Whole adjourned and Chairman Ferrin again called the Board to order.

Commissioner Ferrin, Chairman of Old Age Assistance, offered the following resolution:

RESOLVED, WHEREAS, an article appeared in a recent issue of the Minneapolis Star signed by Arthur F. Noot as former Chairman of the Old Age Pension Committee of Hennepin County, which statements show his ignorance as to the Social Security Act passed by the Federal Government and the State of Minnesota since Noot became a private citizen, and

WHEREAS, said act did away with Old Age Pension and created Old Age Assistance based on need, also changed the age limit from 70 to 65 years, Noot also criticizes the Federal, State and County Government for bringing on a Happy New Year. If he knew what he were talking about he would realize that the years come and go and general conditions and circumstances, which people find themselves in go to make each New Year a happy one or otherwise, and

WHEREAS, he further shows his ignorance when he states that there are 4,000 people involving an expenditure of $80,000. If he would take the trouble to inquire he would find that there are 9,849 on the lists in Hennepin County requiring an expenditure of $206,929 and average of $21.00 per month and that 2,600 were paid 9 days later than usual while 7,249 get theirs 3 days earlier, which was brought about by the State demanding one and the same date as pay day for all. Hennepin County is the only County in the State that is paying in advance and there is still a legal question whether that will continue or whether they may all have to wait until the end of the month. Whether it was Noot's ignorance or his desire to play cheap politics caused his "Brain Storm" when he stated he considered a cheap trick had been played on a helpless group of people, we would suggest that he familiarize himself with contents of the Social Security Act before he make any further misleading statements trying to promote his political standing by attempting to mislead the so-called helpless group that he stated should have done a little pre-election thinking, and

THEREFORE, BE IT RESOLVED, that this Board go on record as opposed to anyone using the Old Age Assistance Department, either employees or applicants to promote the political standing of any person or party, and a copy of this resolution be sent to Arthur F. Noot and also to the Minneapolis Star.

The question was on the adoption of the resolution, and the roll being called there were: five YEAS and no NAYS, as follows: Alexander yea, Heffelfinger yea, Morse yea, Youngdahl yea, Mr. Chairman yea.

And so the resolution was adopted.

WHEREAS, the rate for subsequent publications is fixed by law at 45¢ per folio, and

WHEREAS, the Minneapolis Star has submitted a proposal modifying the original proposal for subsequent publications to 45¢ per

folio and special assistant county attorney E. J. Shannon has presented a written opinion that the Board may accept the modified proposal and contract with the Minneapolis Star accordingly,

NOW THEREFORE BE IT RESOLVED, that said modified proposal be accepted by this Board and that said modification be inserted in the contract with the Minneapolis Star in lieu of the original proposal for subsequent publications.
