A petition for repurchase of land heretofore forfeited to the State for non-payment of taxes was received from the Minnetonka Land and Improvement Company, by J. E. Davidson, President. Said petition was read and Mrs. J. E. Davidson addressed the Board briefly requesting immediate action upon the petition. The whole matter was referred to the Committee on Public Grounds

and Buildings.

Commissioner Scott offered the following resolution:

WHEREAS, The Minnetonka Land & Improvement Company has presented a verified petition to this Board to repurchase the lands described in said petition, pursuant to Chap. 283, Laws of 1939;

RESOLVED, That a hearing on said petition be had in room 118 Court House, Minneapolis, Minn., forthwith.

The question was on the adoption of the resolution, and the roll being called there were: Four YEAS and No NAYS, as follows: Alexander yea, Brown absent, Heffelfinger yea, Scott yea, Mr. Chairman yea.

And so the resolution was adopted.

Commissioner Scott offered the following resolution:

BE IT RESOLVED, That Whereas the petition of the Minnetonka Land & Improvement Company having come duly before the County Board of Hennepin County, Minn., on this date, pursuant to the setting of hearing of the same, and the Board having heard the evidence adduced by and on behalf of the petitioner in support of its petition to repurchase from the State the land hereinafter described, and the Board being advised in the premises, FINDS:

That the land described in said petition is situated in said Hennepin County, Minnesota, and more particularly described as follows:

Lots Twenty five, Twenty six, twenty seven, in Block Six, "Homes on Gideons Bay", Minnetonka Lake Park.

That at the time of the forfeiture to the State of the said land for the taxes hereinafter set out, the Minnetonka Land & Improvement Company was the owner of said land.

That taxes on said land became delinquent for the year 1928, and remained delinquent and unpaid for the subsequent years of 1929 to 1937 inclusive.

That the aggregate of all taxes and assessments, without penalties and costs, is the sum of One Hundred Sixty-eight and 72/100 (\$168.72) Dollars.

That the failure to pay the taxes which caused the forfeiture was not in willful disregard of law, and that it would be unfair and inequitable that the petitioner should not be permitted to repurchase said property.

That the allegations of the petition are true, therefore,

BE IT FURTHER RESOLVED, That such sale of said land to said petitioner be, and hereby is, authorized, and the County Auditor of said County is hereby directed to proceed to effect said sale upon the following terms:

Payment by petitioner of the amount of all delinquent taxes and special assessments, without penalties or costs, in the sum of One Hundred Sixty-eight and 72/100(\$168.72) Dollars, and further payment of any special assessments which may have been heretofore cancelled under laws 1935, Chapter 386, or any other law, which such special assessments shall be reinstated by the County Auditor, and any such special assessments so reinstated which are payable in the future shall be paid at the time and in the manner said special assessments would have been paid except for forfeiture, except that special assessments payable in 1939 shall be paid in full at the time of repurchase. The sum of such special assessments that would except for forfeiture have been levied and assessed against such land between the date of forfeiture and January 1, 1939, and payable before such date, shall be computed by the County Auditor and included in the repurchase price hereunder.

Further, that the County Auditor shall compute and determine as in the case of omitted taxes, upon the basis of the assessed valuation of said land in effect at the time of forfeiture the amount of taxes that would have been assessed and levied against such parcel between the date of forfeiture and the date of repurchase, and the amount so determined without penalties or costs, shall be included in such repurchase price.

There shall be computed and paid interest at four per cent on said delinquent taxes and assessments from the time such taxes and assessments became delinquent to the date of repurchase, and interest at four per cent to the date of repurchase from the time taxes and assessments would have become delinquent, if levied and assessed against said land between the said date of forfeiture and date of repurchase.

Further, that the terms of sale are hereby fixed as follows:

That the purchaser pay at the time of repurchase one-half of the total purchase price as such total is hereinbefore specified, the balance in five equal installments, with interest at four per cent on the balance remaining unpaid each year, the first installment of principal and interest to become due and payable on December 31st of the year following in which repurchase shall be made, remaining installments to become due and payable on December 31st each year thereafter until fully paid.

The question was on the adoption of the resolution, and the roll being called there were: Four YEAS and No NAYS, as follows: Alexander yea, Brown absent, Heffelfinger yea, Scott yea, Mr. Chairman yea.

And so the resolution was adopted.

Commissioner Alexander offered the following resolution:

BE IT RESOLVED, That the Municipal Building Commission be requested to include in their budget of expenditures for the year 1940 for improvements in the Court House for items as follows:

BE IT RESOLVED, That Whereas the petition of Margaret Bolinger having come duly before the County Board of Hennepin County, Minn., on this date, pursuant to the setting of hearing of the same, and the Board having heard the evidence adduced by and on behalf of the petitioner in support of her petition to repurchase from the State the land hereinafter described, and the Board being advised in the premises, FINDS:

That the land described in said petition is situated in said Hennepin County, Minnesota, and more particularly described as follows:

Lot 9, Block 1, Tingdale Bros. Lincoln Hills.

That at the time of the forfeiture to the State of the said land for the taxes hereinafter set out, Margaret Bolinger was the owner of said land.

That taxes on said land became delinquent for the year 1930 and remained delinquent and unpaid for the subsequent years of 1931 to 1937 inclusive.

That the aggregate of all taxes and assessments, without penalties and costs, is the sum of Sixty-seven and 73/100 (\$67.73) Dollars.

That the failure to pay the taxes which caused the forfeiture was not in willful disregard of law, and that it would be unfair and inequitable that the petitioner should not be permitted to repurchase said property.

That the allegations of the petition are true, therefore,

BE IT FURTHER RESOLVED, That such sale of said land to said petitioner be, and hereby is, authorized, and the County Auditor of said County is hereby directed to proceed to effect said sale upon the following terms: Payment by petitioner of the amount of all delinquent taxes and special assessments, without penalties or costs, in the sum of Sixty-seven and 73/100 (\$67.73) Dollars, and further payment of any special assessments which may have been heretofore cancelled under Laws 1935, Chapter 386, or any other law, which such special assessments shall be reinstated by the County Auditor, and any such special assessments so reinstated which are payable in the

future shall be paid at the time and in the manner said special assessments would have been paid except for forfeiture, except that special assessments payable in 1939 shall be paid in full at the time of repurchase. The sum of such special assessments that would except for forfeiture have been levied and assessed against such land between the date of forfeiture and January 1, 1939, and payable before such date, shall be computed by the County Auditor and included in the repurchase price hereunder.

Further, that the County Auditor shall compute and determine as in the case of omitted taxes, upon the basis of the assessed valuation of said land in effect at the time of forfeiture the amount of taxes that would have been assessed and levied against such parcel between the date of forfeiture and the date of repurchase, and the amount so determined without penalties or costs, shall be included in such repurchase price.

There shall be computed and paid interest at four per cent on said delinquent taxes and assessments from the time such taxes and assessments became delinquent to the date of repurchase, and interest at four per cent to the date of repurchase from the time taxes and assessments would have become delinquent, if levied and assessed against said land between the said date of forfeiture and date of repurchase.

Further, that the terms of sale are hereby fixed as follows:

BE IT RESOLVED, That Whereas, the petition of Rea Realty Company having come duly before the County Board of Hennepin County, Minn., on this date, pursuant to the setting of hearing of the same, and the board having heard the evidence adduced by and on behalf of the petition in support of its petition to repurchase from the State the land hereinafter described, and the Board being advised in the premises, FINDS:

That the land described in said petition is situated in said Hennepin County, Minnesota, and more particularly described as follows:

East Twenty-eight feet, Lot thirty-seven, Meldal and Sunde's Subdivision Subdivision of Block 179, Minneapolis.

That at the time of the forfeiture to the State of the said land for the taxes hereinafter set out, the Rea Realty Company was the owner of said land.

That taxes on said land became delinquent for the year 1926, and remained delinquent and unpaid for the subsequent years of 1927 to 1937 inclusive.

That the aggregate of all taxes and assessments, without penalties and costs, is the sum of Three Hundred Twelve and 43/100 (\$312.43) Dollars.

That the failure to pay the taxes which caused the forfeiture was not in willful disregard of law, and that it would be unfair and inequitable that the petitioner should not be permitted to repurchase said property.

That the allegations of the petition are true, therefore,

BE IT FURTHER RESOLVED, That such sale of said land to said petitioner be, and hereby is, authorized, and the County Auditor of said County is hereby directed to proceed to effect said sale upon the following terms: Payment by petitioner of the amount of all delinquent taxes and special assessments, without penalties or costs in the sum of Three Hundred Twelve and 43/100 (\$312.43) Dollars, and further payment of any special assessments which may have been heretofore cancelled under laws 1935, Chapter 386, or any other law,

HENNEPIN COUNTY, MINNESOTA

which such special assessments shall be reinstated by the County Auditor, and any such special assessments so reinstated which are payable in the future shall be paid at the time and in the manner said special assessments would have been paid except for forfeiture, except that special assessments payable in 1939, shall be paid in full at the time of repurchase. The sum of such special assessments that would except for forfeiture have been levied and assessed against such land between the date of forfeiture and January 1, 1939, and payable before such date, shall be computed by the County Auditor and included in the repurchase price hereunder.

Further, that the County Auditor shall compute and determine as in the case of omitted taxes, upon the basis of the assessed valuation of said land in effect at the time of forfeiture the amount of taxes that would have been assessed and levied against such parcel between the date of forfeiture and the date of repurchase, and the amount so determined without penalties or costs, shall be included in such repurchase price.

There shall be computed and paid interest at four per cent on said delinquent taxes and assessments from the time such taxes and assessments became delinquent to the date of repurchase, and interest at four per cent to the date of repurchase from the time taxes and assessments would have been become delinquent, if levied and assessed against said land between the said date of forfeiture and date of repurchase.

Further, That the terms of sale are hereby fixed as follows:

That the purchaser pay at the time of repurchase one-half of the total purchase price as such total is hereinbefore specified, the balance in five equal installments, with interest at four per cent on the balance remaining unpaid each year, the first installment of principal and interest to become due and payable on December 31st of the year following in which repurchase shall be made, remaining installments to become due and payable on December 31st each year thereafter until fully paid.

A communication was received from County Auditor Al. P. Erickson requesting authorization of lease lands heretofore forfeited to the State for non-payment of taxes. Said communication was read and referred to the Committee on Public Grounds and Buildings.

Commissioner Scott offered the following resolution:

BE IT RESOLVED, That Whereas the petition of Minnie L. Slattery having come duly before the County Board of Hennepin County, Minn., on this date, pursuant to the setting of hearing of the same, and the board having heard the evidence adduced by and on behalf of the petitioner in support of her petition to repurchase from the State the land hereinafter described and the Board being advised in the premises FINDS;

That the land described in said petition is situated in said Hennepin County, Minnesota, and more particularly described as follows:

Lot 12, Block 6, Irwin Shores, Village of Richfield.

That at the time of the forfeiture to the State of the said land for the taxes hereinafter set out, Minnie L. Slattery was the owner of said land.

That taxes on said land became delinquent for the year 1930, and remained delinquent and unpaid for the subsequent years of 1931 to 1937 inclusive.

That the aggregate of all taxes and assessments, without penalties and costs, is the sum of Forty-six and 12/100 (\$46.12) Dollars.

That the failure to pay the taxes which caused the forfeiture was not in willful disregard of law, and that it would be unfair and inequitable that the petitioner should not be permitted to repurchase said property.

That the allegations of the petition are true, therefore,

BE IT FURTHER RESOLVED, That such sale of said land to said petitioner be, and hereby is, authorized, and the County Auditor of said County is hereby directed to proceed to effect said sale upon the following terms: Payment by petitioner of the amount of all delinquent taxes and special assessments, without penalties or costs, in the sum of Forty-six and 12/100 (\$46.12) Dollars, and further payment of any special assessments which may have been heretofore cancelled under law 1935, Chapter 386, or any other law, which such special assessments shall be reinstated by the County Auditor, and any such special assessments so reinstated which are payable in the future shall be paid at the time and in the manner said special assessments would have been paid except for forfeiture, except that

HENNEPIN COUNTY, MINNESOTA

special assessments payable in 1939 shall be paid in full at the time of repurchase. The sum of such special assessments that would except for forfeiture have been levied and assessed against such land between the date of forfeiture and January 1, 1939, and payable before such date, shall be computed by the County Auditor and included in the repurchase price hereunder.

Further, that the County Auditor shall compute and determine as in the case of omitted taxes, upon the basis of the assessed valuation of said land in effect at the time of forfeiture the amount of taxes that would have been assessed and levied against such parcel between the date of forfeiture and the date of repurchase, and the amount so determined without penalties or costs, shall be included in such repurchase price.

There shall be computed and paid interest at four per cent on said delinquent taxes and assessments from the time such taxes and assessments became delinquent to the date of repurchase, and interest at four cent to the date of repurchase from the time taxes and assessments would have become delinquent, if levied and assessed against said land between the said date of forfeiture and date of repurchase.

Further, that the terms of sale are hereby fixed as follows:

That the purchaser pay at the time of repurchase one-half of the total purchase price as such total is hereinbefore specified, the balance in five equal installments, with interest at four per cent on the balance remaining unpaid each year, the first installment of principal and interest to become due and payable on December 31st of the year following in which repurchase shall be made, remaining installments to become due and payable on December 31st each year thereafter until fully paid.

Further, that the county auditor shall compute and determine as in the case of omitted taxes, upon the basis of the assessed valuation of said land in effect at the time of forfeiture the amount of taxes that would have been assessed and levied against such parcel between the date of forfeiture and the date of repurchase, and the amount so determined without penalties or costs, shall be included in such repurchase price.

There shall be computed and paid interest at four per cent on said delinquent taxes and assessments from the time such taxes and assessments became delinquent to the date of repurchase, and interest at four per cent to the date of repurchase from the time taxes and assessments would have become delinquent, if levied and assessed against said land between the said date of forfeiture and date of repurchase,

BE IT RESOLVED, That whereas the petition of Jacob Hohl having come duly before the County Board of Hennepin County, Minn., on this date, pursuant to the setting of hearing of the same, and the board having heard the evidence adduced by and on behalf of the petitioner in support of his petition to repurchase from the State the land hereinafter described, and the Board being advised in the premises, FINDS,

HENNEPIN COUNTY, MINNESOTA

That the land described in said petition is situated in said Hennepin County, Minnesota, and more particularly described as follows:

Lot 8, Block 2, Dreamwood, according to the plat thereof on file and of record in the office of the Register of Deeds in and for said Hennepin County, Minn.

That at the time of the forfeiture to the State of the said land for the taxes hereinafter set out, Jacob Hohl was the owner of said land.

That taxes on said land became delinquent for the year 1926, and remained delinquent and unpaid for the subsequent years of 1932 to 1937 inclusive.

That the aggregate of all taxes and assessments, without penalties and costs, is the sum of Twenty-two and 82/100 (\$22.82) Dollars.

That the allegations of the petition are true, therefore,

BE IT FURTHER RESOLVED, That such sale of said land to said petitioner be, and hereby is, authorized, and the County Auditor of said County is hereby directed to proceed to effect said sale upon the following terms: Payment by petitioner of the amount of all delinquent taxes and special assessments without penalties or costs, in the sum of Twenty-two and 82/100 (\$22.82) Dollars, and further payment of any special assessments which may have been heretofore cancelled under laws 1935, Chapter 386, or any other law, which such special assessments shall be reinstated by the County Auditor, and any such special assessments so reinstated which are payable in the future shall be paid at the time and in the manner said special assessments would have been paid, except for forfeiture, except that special assessments payable in 1939, shall be paid in full at the time of repurchase. The sum of such special assessments that would except for forfeiture have been levied and assessed against said land between the said date of forfeiture and date of repurchase.

Further, that the terms of sale are hereby fixed as follows:

That the purchaser pay at the time of repurchase one-half of the total purchase price as such total is hereinbefore specified, the balance in five equal installments, with interest at four per cent on the balance remaining unpaid each year, the first installment of principal and interest to become due and payable on December 31st of the year following in which repurchase shall be made, remaining installments to become due and payable on December 31st each year thereafter until fully paid.

BE IT RESOLVED, That Whereas the petition of E. J. Conroy having come duly before the County Board of Hennepin County, Minn., on this date, pursuant to the setting of hearing of the same, and the board having heard the evidence adduced by and on behalf of the petition in support of his petition to repurchase from the State the land hereinafter described, and the Board being advised in the premises, FINDS,

That the land described in said petition is situated in said Hennepin County, Minnesota, and more particularly described as follows:

Lots 3, 4, and 5, Block 1, Woodland Point.

That at the time of the forfeiture to the State of the said land for the taxes hereinafter set out, E. J. Conroy was the owner of said land.

That taxes on said land became delinquent for the year 1929 and remained delinquent and unpaid for the subsequent years of 1930 to 1937 inclusive.

That the aggregate of all taxes and assessments, without penalties and costs, is the sum of One Hundred Seventy and 98/100 (\$170.98) Dollars.

That the failure to pay the taxes which caused the forfeiture was not in willful disregard of law, and that it would be unfair and inequitable that the petitioner should not be permitted to repurchase said property.

That the allegations of the petition are true, therefore,

BE IT FURTHER RESOLVED, That such sale of said land to said petitioner be, and hereby is, authorized, and the County Auditor of said County is hereby directed to proceed to effect said sale upon the following terms: Payment by petitioner of the amount of all delinquent taxes and special assessments without penalties or costs, in the sum of One Hundred Seventy and 98/100 (\$170.98) Dollars, and further payment of any special assessments which may have been heretofore cancelled under Laws 1935, Chapter 386, or any other law, which such special assessments shall be reinstated by the County Auditor, and any such special assessments so reinstated which are payable in the future shall be paid at the time and in the manner said special assessments would have been paid except for forfeiture, except that special assessments payable in 1939 shall be paid in full at the time of repurchase. The sum of such special assessments that would except for forfeiture have been levied and assessed against such land between the date of forfeiture and January 1, 1939, and payable before such date, shall be computed by the County Auditor and included in the repurchase price hereunder.

HENNEPIN COUNTY, MINNESOTA

There shall be computed and paid interest at four per cent on said delinquent taxes and assessments from the time such taxes and assessments became delinquent to the date of repurchase, and interest and assessments would have become delinquent, if levied and assessed against said land between the said date of forfeiture and date of repurchase.

Further, that the terms of sale are hereby fixed as follows:

That the purchaser pay at the time of repurchase one-half of the total purchase price as such total is hereinbefore specified, the balance in five equal installments, with interest at four per cent on the balance remaining unpaid each year, the first installment of principal and interest to become due and payable on December 31st of the year following in which repurchase shall be made, remaining installments to become due and payable on December 31st each year thereafter until fully paid.

Minneapolis, Minnesota, Monday, October 30th, 1939.

HENNEPIN COUNTY, MINNESOTA

the Board being advised in the premises, FINDS:

That the land described in said petition is situated in said Hennepin County, Minnesota, and more particularly described as follows:

Southeasterly 30 feet of Northwesterly 52 ft. of Southwesterly 85 feet of Lot 4, Block 49, Town of Minneapolis according to the plat thereof, on file and of record in the office of the Register of Deeds, in and for the County of Hennepin, State of Minnesota.

That at the time of the forfeiture to the State of the said land for the taxes hereinafter set out, Dora V. Benjamin was the owner of said land.

That taxes on said land became delinquent for the year 1930 and remained delinquent and unpaid for the subsequent years of 1931 to 1937 inclusive.

That the aggregate of all taxes and assessments, without penalties and costs, is the sum of One Thousand Six Hundred Ninety Three and 16/100 (\$1693.16) Dollars.

That the failure to pay the taxes which caused the forfeiture was not in willful disregard of law, and that it would be unfair and inequitable that the petitioner should not be permitted to repurchase said property.

That the allegations of the petition are true, therefore,

BE IT FURTHER RESOLVED, That such sale of said land to said petitioner be, and hereby is, authorized, and the County Auditor of said County is hereby directed to proceed to effect said sale upon the following terms: Payment by petitioner of the amount of all delinquent taxes and special assessments without penalties or costs, in the sum of One Thousand Six Hundred Ninety Three and 16/100 (\$1693.16) Dollars, and further payment of any special assessments which may have been heretofore cancelled under laws 1935, Chapter 386, or any other law, which such special assessments so reinstated by the County Auditor and any such special assessments so reinstated which are payable in the future shall be paid at the time and in the manner said special assessments would have been paid except for forfeiture, except that special assessments payable in 1939 shall be paid in full at the time of repurchase. The sum of such special assessments that would except for forfeiture have been levied and assessed against such land between the date of forfeiture and January 1, 1939, and payable before such date, shall be computed by the County Auditor and included in the repurchase price hereunder.

Further, That the County Auditor shall compute and determine as in the case of omitted taxes, upon the basis of the assessed valuation of said land in effect at the time of forfeiture the amount of taxes that would have

been assessed and levied against such parcel between the date of forfeiture and the date of repurchase, and the amount so determined without penalties or costs, shall be included in such repurchase price.

There shall be computed and paid interest at four per cent on said delinquent taxes and assessments from the time such taxes and assessments became delinquent to the date of repurchase, and interest at four per cent to the date of repurchase from the time taxes and assessments would have become delinquent, if levied and assessed against said land between the said date of forfeiture and date of repurchase.

Further, That the terms of sale are hereby fixed as follows:

That the purchaser pay at the time of repurchase one-half of the total purchase price as such total is hereinbefore specified, the balance in five equal installments, with interest at four per cent on the balance remaining unpaid each year, the first installment of principal and interest to become due and payable on December 31st of the year following in which repurchase shall be made, remaining installments to become due and payable on December 31st each year thereafter until fully paid.

The question was on the adoption of the resolution, and the roll being called there were: Four YEAS and No NAYS, as follows: Alexander yea, Brown yea, Heffelfinger absent, Scott yea, Mr. Chairman yea.

And so the resolution was adopted.

At 10:20 o'clock A. M. the petition of the Lake Side Park Association for the repurchase of lands heretofore forfeited to the State was read and referred to the Committee on Public Grounds and Buildings.

Commissioner Scott offered the following resolution:

WHEREAS, The Lakeside Park Association has presented a verified petition to this Board to repurchase the lands described in said petition, pursuant to Chap. 283, Laws of 1939;

HENNEPIN COUNTY, MINNESOTA

Commissioner Scott offered the following resolution:

BE IT RESOLVED, That Whereas the petition of the Lakeside Park Association having come duly before the County Board of Hennepin County, Minn., on this date pursuant to the setting of hearing of the same, and the Board having heard the evidence adduced by and on behalf of the petitioner in support of its petition to repurchase from the State the land hereinafter described and the Board being advised in the premises FINDS:

That the land described in said petition is situated in said Hennepin County, Minnesota, and more particularly described as follows:

Block 1, Abraham Lincoln Addition to Lakeside Park, Mound, Minnetonka.

That at the time of the forfeiture to the State of the said land for the taxes hereinafter set out, Lakeside Park Association was the owner of said land.

That taxes on said land became delinquent for the year 1930 and remained delinquent and unpaid for the subsequent years of 1931 to 1937 only.

That the aggregate of all taxes and assessments, without penalties and costs, is the sum of One Hundred Seventy-one and 52/100 (\$171.52) Dollars.

That the failure to pay the taxes which caused the forfeiture was not in willful disregard of law, and that it would be unfair and inequitable that the petitioner should not be permitted to repurchase said property.

That the allegations of the petition are true, therefore,

BE IT FURTHER RESOLVED, That such sale of said land to said petitioner, be, and hereby is, authorized, and the County Auditor of said County is hereby directed to proceed to effect said sale upon the following terms: Payment by petitioner of the amount of all delinquent taxes and special assessments, without penalties or costs, in the sum of One Hundred Seventy-one and 52/100 (\$171.52) Dollars, and further payment of any special assessments which may have been heretofore cancelled under Laws 1935, Chapter 386, or any other law, which such special assessments shall be reinstated by the County Auditor, and any such special assessments so reinstated which are payable in the future shall be paid at the time and in the manner said special assessments would have been paid except for forfeiture, except that special assessments payable in 1939 shall be paid in full at the time of repurchase. The sum of such special assessments that would except for forfeiture have been levied and assessed against such land between the date of forfeiture and January 1, 1939, and payable before such date, shall be computed by the County Auditor and included in the repurchase price hereunder.

Further, that the County Auditor shall compute and determine as in the case of omitted taxes, upon the basis of the assessed valuation of said land in effect at the time of forfeiture the amount of taxes that would have been assessed and levied against such parcel between the date of forfeiture and the date of repurchase, and the amount so determined without penalties or costs, shall be included in such repurchase price.

There shall be computed and paid interest at four per cent on said delinquent taxes and assessments from the time such taxes and assessments became delinquent to the date of repurchase, and interest at four per cent to the date of repurchase from the time taxes and assessments would have become delinquent, if levied and assessed against said land between the said date of forfeiture and date of repurchase.

Further, that the terms of sale are hereby fixed as follows:

That the purchaser pay at the time of repurchase one-half of the total purchase price as such total is hereinbefore specified, the balance in five equal installments, with interest at four per cent on the balance remaining unpaid each year, the first installment of principal and interest to become due and payable on December 31st of the year following in which repurchase shall be made, remaining installments to become due and payable on December 31st each year thereafter until fully paid.

The question was on the adoption of the resolution, and the roll being called there were: Four YEAS and No NAYS, as follows: Alexander yea, Brown yea, Heffelfinger absent, Scott yea, Mr. Chairman yea.

And so the resolution was adopted.
