WHEREAS, During the ten years that the Old-Age and survivors insurance law has now been in operation, it has collected \$7,083,000,000 from the citizens of this country, and of this vast sum it has returned only \$807,000,000 to the channels of business and employment back home, through benefits to beneficiaries, and

WHEREAS, To extend and broaden this present Old-Age and survivors insurance law to cover more millions of our citizens, as now proposed by some, would mean an even greater flow of tax dollars to Washington with a correspondingly small return in benefits to recipients back home and, thus to business and employment channels throughout the Nation, and

WHEREAS, Greater BUYING POWER among our lower income groups in every city, town and village over the country will be an immediate and vital factor in creating more business, employment and prosperity in our postwar era, and

WHEREAS, The operation of the present Old-Age and survivors insurance law shows clearly that this law is insufficient and wholly inadequate to provide this BUYING POWER or meet the future demands and needs of our people; that plans are now being considered in Washington to revise and improve this law, and

WHEREAS, There is now before the House Ways and Means Committee, Congressman Cannon's Federal Insurance Bill H.R. 2229 which provides for adequate social insurance for all unemployable citizens over 18 years old, widows with one child or more to support, and voluntary retirement at 60 years, and

WHEREAS, All tax revenue collected under this Bill each month (less administration costs) will be pro-rated among the qualified beneficiaries and returned to the channels of trade, creating more business and employment throughout the Nation, all within sixty days time, therefore, be it

Minneapolis, Minnesota, Monday, October 1, 1945

**HENNEPIN COUNTY, MINNESOTA**

STATE OF MINNESOTA )  
COUNTY OF HENNEPIN )

At a regular meeting of the County Board of Hennepin County, State of Minnesota, held on the 1st day of October, 1945, the petition of Orval N. Ostlund, asking that his land described in said petition be set off from School District No. 98 joint with Carver County School District No. 98 to School District No. 128 in said Hennepin County came on to be heard by said Board; and it having been made to appear to its satisfaction that notice of said hearing had been published, posted and served as required by law and its order, said Board, having heard all persons interested in said matter, both for and against, finds as follows:

That said petitioner, Orval N. Ostlund, is a freeholder and resident of said county; and that he owns land now in School District No. 98 joint with Carver County School District No. 98, in said county described as follows, to-wit:

The South 150 feet of the West 175 feet of the Northwest 1/4 of the Southwest 1/4 of Section 30, Township 117 North, Range 22 West, Hennepin County, Minnesota, except the rights of the public in the West 33 feet for road purposes. (Now known as Lot 27, Auditors Subdivision No. 334.) and that said land adjoins School District No. 128 in said county of Hennepin.

That the reasons for setting off said land of petitioner, Orval N. Ostlund, are as follows, to-wit: District No. 98 has no kindergarten; therefore, the child would lose one year of school. She also would have to walk two miles. District No. 128 has bus conveniences and she would get in with all the children of the neighborhood.

IT IS THEREFORE DETERMINED AND ORDERED: That the said land of said petitioner, Orval N. Max Alexander  
Chairman, Board of County Commissioners

Attest: Al P. Erickson

Minneapolis, Minnesota, Monday, October 8, 1945  
HENNEPIN COUNTY, MINNESOTA

The Board of County Commissioners of the County of Hennepin, Minnesota, met in the Court House in the City of Minneapolis, at ten o'clock A.M., pursuant to adjournment.

All members were present.

At ten o'clock A.M., bids for the rental of a power shovel and bulldozer were called for. As the bid of the Park Construction Company was the only one received, upon advice of the Legal Department, it was ordered returned to the bidder, and the County Auditor was directed to re-advertise for bids.

At 10:15 o'clock A.M., Chairman Alexander announced that before the Board took action on the proposed dissolution of School Districts No. 20 and No. 21, hearings on the proposed attachments having been set for 10:15 o'clock A.M. and 10:30 o'clock A.M., respectively, the Board desired to hear arguments for and against the proposals. The Board recessed in committee, and Commissioner Ainsworth took the chair as chairman of the Committee on Public Grounds and Buildings.

School Board members and others from Districts No. 20 and No. 21 and adjoining districts, were present and debated at length on the proposal of the Golden Valley Civic League, that District No. 20 be divided and attached to Districts No. 24 and No. 138, and that District No. 21 be divided and attached to Districts No. 24 and No. 89. Board members of Districts No. 20 and No. 21 declared they would prefer to withdraw their petitions for dissolution, rather than accept the Civic League's proposal.

Chairman Alexander resumed the chair.

Commissioner Heffelfinger, seconded by Commissioner Scott, moved that both petitions be denied. On roll call, the vote was Heffelfinger yea, and the other four commissioners voting nay.

Chairman Alexander, seconded by Commissioner Scott, then moved to continue the matter of dissolution and attachment hearings of School Districts No. 20 and No. 21 until Tuesday, October 16, 1945. On roll call, the vote was unanimous
