Commissioner Scott offered the following resolution, and moved its adoption:

RESOLVED, That the report of the committee be accepted and adopted, subject to later amendment as to the salaries covered by Chapter 607, Laws of 1945 if the Cost of Living Index Figures of the Bureau of Labor Statistics for the month of June, 1946, show an increase or decrease in the cost of living over the figures shown in the release of that Department for the month of May, 1946.

The question was on the adoption of the resolution, and the roll being called there were three YEAS and two NAYS, as follows: Ainsworth nay, Dickman yea, Heffelfinger nay, Scott yea, Chairman Alexander yea.

Resolution adopted.

Mr. Heffelfinger issued the following statement:

"I am voting 'No' on the budget. I do so because I believe that appropriations of $750,000.00 less would give the taxpayers of Hennepin County a fairer deal. I have tried to bring this about by my vote on the individual budgets. Taxes in the City of Minneapolis rose 18% this year and now the County Budget proposes further increases. It is the duty of every county official to keep expenditures to the lowest amount possible. If taxes are too high, tax delinquency, industry moving, and other evils follow. I therefore protest against this budget as recorded in the proceedings.

(Signed) W. W. Heffelfinger

On Motion, the Board adjourned.

On Motion, the Board recessed as a Committee of the Whole for a discussion of the matters covered in the report of the Public Examiner, Richard A. Golling, on Tax Forfeited Lands, Sales, and the Financial Condition of the Forfeited Tax Sale Fund in Hennepin County. After considerable heated discussion, the Board was again called to order by Chairman Alexander.

Commissioner Heffelfinger presented a documented statement submitted to the public, relative to the grading of tax-forfeited lands, as described in the Public Examiner's report on his examination of the Tax Forfeited Land Department. Commissioner Ainsworth offered the following resolution and moved its adoption:

WHEREAS, The recent report of the Public Examiner covering his examination of the operations of the Tax Forfeited Land Department points to many irregularities and much inefficiency in the operation of that department; and

WHEREAS, As pointed out by the Public Examiner, the tax payers of the State of Minnesota, the County of Hennepin, and the City of Minneapolis are losing many thousands of dollars annually by these irregularities;

BE IT RESOLVED, In the interest of honesty and decency of governmental operations and in order to save the public funds, that the operations of the Tax Forfeited Land Department be entirely suspended and the following persons employed in said department be given an indefinite leave of absence effective October 24th, 1946, until the operations of that department are put on a sound and efficient basis: W. S. Irwin, Shirley Bunnell, J. C. Sheehan, and Andrew Gisslen.

BE IT FURTHER RESOLVED, That all parcels of tax-forfeited land now listed for sale, with the exception of those listed for sale on November 13th, 1946, be withdrawn from sale so that the same may be properly appraised and again offered for sale to the public when the reorganization of the land department is completed.

Commissioners Scott and Dickman stated that they could see no reason for voting to suspend John Landy in view of the fact that Commissioner Scott had never seen the report and Commissioner Dickman had only seen the report for between fifteen minutes and half an hour.

They also stated that a public servant has no right to vote for something unless he is fully informed, which neither of these two Commissioners was.

Commissioner Dickman moved, seconded by Scott, that the Public Examiner, Richard A. Golling, be requested to furnish each of the County Board members, and Frank J. Williams, the Attorney for the County Board, and L. P. Zimmerman, the County Highway Engineer, with a copy of said Examiner's report on the Tax Forfeited Land Department of Hennepin County; and that the consideration of the Examiner's report be continued to November 7th, 1946, to allow time for a proper study of the said report.

Commissioner Heffelfinger issued the following statement:

"As it is now, I am a free lance to work as I see fit."

HENNEPIN COUNTY, MINNESOTA

The Board of County Commissioners of the County of Hennepin, Minnesota, met in the Court House in the City of Minneapolis, at ten o'clock A.M., pursuant to adjournment.

Members present: Commissioners Ainsworth, Dickman, Scott, and Chairman Alexander. Member absent: Commissioner Heffelfinger.

The Board proceeded with the hearing on the applications of 13 petitioners asking that their lands be set off from School District No. 53 (Groveland) to School District No. 128 (Deephaven), said hearing having been continued from October 3rd, 1946. Mrs. Lauren V. Soderholm, Mrs. Kenneth D. Morlan, and Mr. James B. DeLong addressed the Board in favor of granting the petitions and Mr. Paul Hommeyer, Chairman of School District No. 53, spoke in opposition thereto. There being a question as to whether the present 13 petitions for set-off and the 21 others from adjoining territory in the same district did not in fact constitute an attempt to change the boundaries of the school district, the matter was referred to Frank J. Williams, Attorney for the County Board.

A motion was made by Commissioner Dickman, seconded by Ainsworth, and regularly carried, to continue the hearing to Thursday, December 5th, 1946, at ten o'clock A.M.

On Motion, the Board adjourned until Monday, November 18th, 1946, at ten o'clock A.M.
