WHEREAS, This Board made a complete examination of said list and of the data and information presented by said Land Commissioner, together with said recommendation;

NOW, THEREFORE, Acting pursuant to the provisions of Laws of 1939, Chapter 328 and amendments thereto, BE IT RESOLVED:

WHEREAS, It has been the practice of the County Board in the past to forgive Personal Property Taxes when the amount is less than Seven and 50/100 Dollars ($7.50), the reason for this practice being that the cost of collection would be too great, and

WHEREAS, the number of people who are taking advantage of this practice amounted last year to more than three thousand people with a sum involved in excess of ten thousand dollars;

NOW, THEREFORE, BE IT RESOLVED, that this County Board go on record as notifying the general public, and particularly these people who took advantage of the aforesaid practice to not pay their Personal Property Taxes, that the policy of this Board for the present year and for all subsequent years will be changed and all of these Personal Property Taxes will be given in for judgment.

Mr. Ainsworth issued the following statement explaining his vote of "Nay" on the foregoing resolution: "In two years of checking the list of delinquent personal property taxes as returned by the Sheriff, I have not proceeded along the lines set forth in the resolution by using $7.50 as a basis for cancellation. I think the matter of cancellation of these taxes or of ordering judgment entered should be at the discretion of each Commissioner, knowing his district. My record will bear out my statement."

Mr. Heffelfinger issued the following statement explaining his vote of "Nay" on the foregoing resolution: "I am not voting for this resolution for the following reasons: Because so many judgments will just clog up the Courts, and in my opinion, it will cost more than $8.00 for every judgment that is collected, so why try to collect a tax of under $7.50 when you lose money by such action, and often put a very heavy burden on those least able to pay."

Ed Ryan, Sheriff, who appeared before the Board relative to the hiring and discharging of employees in his office, stated that the County Auditor and the County Treasurer had been advised by the LegalDepartment not to pay the deputies appointed by him to replace the deputies that had been discharged, and inquired whether or not it was possible for the County Board to appropriate money from the Emergency Fund to pay the deputies he had appointed. WHEREAS, the Supreme Court of the State of Minnesota has failed to make a decision in regard to the merit of the case of the Deputy Sheriffs of Hennepin County, and

WHEREAS, it may take until December before this case is finally decided; and

WHEREAS, there are seven Deputy Sheriffs who are now employed in the Sheriff's Office who have received no pay since February of 1947, and

WHEREAS, most of these Sheriffs are veterans of the War and have families to support, and some have been employed with Hennepin County for the last fourteen years, and

WHEREAS, they have been giving service to Hennepin County ever since they received their last pay, and it is the belief of the Board of Hennepin County Commissioners that they are legally entitled to receive pay for the work they have done for Hennepin County;

NOW THEREFORE BE IT RESOLVED, that Alfred Turner be paid the sum of $358.72; that Robert Schultz be paid the sum of $615.60; that James Burt be paid the sum of $1,026.00; that Joseph Jaremko be paid the sum of $1,087.11; that Eugene Arnold be paid the sum of $1,026.00; that S. BE IT FURTHER RESOLVED, That the Sheriff's Office reimburse the fund called "Monies Not Otherwise Appropriated" when and if the Supreme Court decides in his favor.

The question was on the adoption of the resolution, and the roll being called there were two YEAS and three NAYS, as follows: Ainsworth nay, Heffelfinger nay, Matthews nay, Scott yea, Chairman Dickman yea.

Resolution not adopted.

Commissioner Heffelfinger stated that on the advice of the Legal Department he was voting "Nay" on the resolution.

Commissioner Ainsworth stated that he felt sorry for the families of the men in theSheriff's office who were receiving no pay, but on account of the legality of paying these men, he was voting "Nay".

Commissioner Dickman stated that as an attorney he knows that there are two opinions on every legal question, and while he agrees with Commissioners Ainsworth and Heffelfinger in feeling sorry for these men, he feels that sympathy is not enough - what they need is money, andunless this Board votes to pay them, there is no method of bringing the matter before the courts.

Commissioner Matthews stated that if it is legally possible to get the money from the State Legislature, or if our own attorney will rule that we can pay these men, or if there is a legal decision in the proceedings instituted by Ed Ryan, Sheriff, as to the payment of these salaries, he will be glad to vote the money at that time.

Commissioner Dickman offered the following resolution, and moved its adoption:

WHEREAS, It appears from a letter presented to this Board by F. J. Hill, M.D., Commissioner of Health, City of Minneapolis, that William P. Tilden, Federal Transient now in theCity of Minneapolis, Minnesota, is afflicted with pulmonary tuberculosis and therefore a menace to public health;

A petition signed b y G. A. Lefler and 27 others for the incorporation of the Village of Spring Park was received. Attached to said petition was a letter from Frank J. Williams, Assistant County Attorney, recommending that the Board approve thenew petition despite the fact that a prior petition for the incorporation of the Village of Spring Park had been defeated at an election held on March 26, 1947. He stated that according to Mr. Johnson in the County Auditor's office, the land described in the present petition is approximately one-third less than that which was included in the prior proceedings, and that in his opinion a reduction of one-third in the area proposed to be incorporated would be such a substantial change in the proposition that the new petition would be entitled to be acted upon as a separate and distinct proposition and that it would be best to give the voters in the area another opportunity to express their wishes. The matter was referred to the Committee on Public Grounds and Buildings.

A letter from Waldron W. Douglas, approved by Earl J. Lyons, Judge of the District Court, requesting the transfer of funds from the Home School for Boys regular salary budget to the temporary salary budget was read and referred to the Committee on Home School for Boys.

Commissioner Matthews offered the following resolution, and moved its adoption:

WHEREAS, The last session of the State Legislature passed an act submitting to the voters of the State of Minnesota a proposal to increase the percentage of the gas tax reverting to each county from the present one-third to one-half; and

WHEREAS, Both Mr. Price and Mr. Zimmerman have shown through letters, figures, and available data that the cost to Hennepin County, in order to receive the increased funds amounting to $110,000.00 would amount to $922,834.85 based on the assumption that Hennepin County pays 25% of the total gas tax; and

WHEREAS, T he pro rata 25% probably does not represent the total payment of Hennepin County due to the fact that the Hennepin County registration includes a large percentage of the heavier vehicles and that the average Hennepin County car is driven a larger than average annual mileage; and

WHEREAS, Upon checking these figures with Mr. G. W. Price, Manager of the Hennepin County Good Roads Association, which figures were rechecked by L. P. Zimmerman, County Highway Engineer; and
