STATE OF MINNESOTA )  
 )  
 COUNTY OF HENNEPIN )

At a regular meeting of the County Board of Hennepin County, State of Minnesota, held on the 25th day of October, 1949, the petition of George A. Becker asking that his land described in said petition be set off from School District No. 52 to School District No. 144 in said county came on to be heard by said Board, and it having been made to appear to its satisfaction that notice of said hearing had been published, posted, and served as required by law and its order, said Board, having heard all persons interested in said matter, both for and against, finds as follows:

That said petitioner is a freeholder and resident of said county, and that he owns land now in School District No. 52 in said county described as follows, to-wit:

South 222 ft. of North 1099.5 feet of West 4/5 of Southwest quarter of Northeast quarter of Section 10, Township 117, Range 22,

and that said land adjoins School District No. 144 in said county.

That the reasons for setting off said land of petitioner are as follows, to-wit: Daughter is 11 years old and in order to attend school at Minnetonka Mills, district 52, she would have to walk approximately one mile to the nearest bus stop, whereas the bus for the Wayzata School, District 144, practically stops in front of petitioner's property. Furthermore, all other children in the immediate neighborhood, whether in school District 52 or 144, attend Wayzata School District 144. If this petition is not granted, it sure would impose a hardship on the child in not only having to walk so far to the bus but also deprive her of association with her playmates while in school.

IT IS THEREFORE DETERMINED AND ORDERED: That the said land of said petitioner as above described be, and the same hereby is set off from School District No. 52 to said School District No. 144 in said County, and that hereafter said land be and constitute a part of said
