Attest: Robert J. Fitzsimmons
County Auditor

AUG 29 1950

Minneapolis, Minnesota

Tuesday, September 5, 1950

The Board of County Commissioners of the County of Hennepin, Minnesota, met in the Court House in the City of Minneapolis, at ten o'clock A.M., pursuant to law.

All members were present.

The meeting was called to order by George W. Matthews, Chairman.

A monthly report received from Donald C. Bennyhoff, Register of Deeds and Registrar of Titles, was ordered placed on file.

A letter from the officials of Medicine Lake School District No. 51 informing the Board of the adoption by the voters of a resolution petitioning for the dissolution of said district, and enclosing a copy of the official ballot, was referred to the Attorney for the County Board.

A letter from W. W. Douglas, Superintendent of the County Home School for Boys, relative to hiring additional staff members, and relative to the charges for meals served to guests, and enclosing a report on butchering for the months of July and August, was referred to the Chairman of the County Board.

At 10:15 o'clock A.M., the Board called for bids for furnishing one tax receipt drawer case and one roller shelves case for the Hennepin County Treasurer. The bid of Bertelson Bros. Office Supplies being

the only one received, a motion was made and unanimously carried, that said bid be returned unopened to the bidder, and that the County Auditor be directed to readvertise for bids, said bids to be opened on Tuesday, September 19, 1950, at 10:15 o'clock A.M.

Letters were received from Eric G. Hoyer, Mayor, City of Minneapolis, Parker S. Nolan, President, Minneapolis City and County Employees Local #9, Harry A. Leonard, Temporary Chairman, Minneapolis A.F.L. Policy Committee, and Shirley Zaverl, 313 Humboldt Avenue North, Minneapolis, praising the administration of the County Veterans Service Office, and urging the County Board to appropriate additional funds to enable the said veterans office to continue operation for the balance of the year. Said letters were referred to the Committee on Ways and Means. Mr. Nolan also spoke in support of his letter.

A letter from the Village Council of Morningside requesting an appropriation of \$145.00 from the Road and Bridge Fund for assistance in reconditioning village roads was referred to the Road and Lake Committee.

A copy of a letter from L. P. Zimmerman, County Engineer, addressed to Donald and Glenn L. Hendrickson, Route 1, Wayzata, informing them that the County has no jurisdiction over the public use of the West Arm-Crystal Bay Channel at Lake Minnetonka unless the safety of the public is involved, was read and ordered placed on file.

Three letters from the County Engineer relative to changes in the County Road System in the Village of Brooklyn Center and in the Townships of Champlin and Brooklyn were read and referred to the Road and Lake Committee.

A letter from L. P. Zimmerman, County Engineer, reporting on the

complaint of Mrs. Mary Eberle relative to water drainage west of County Road No. 18 at Heine Avenue and Medicine Lake Boulevard, and stating that it was his belief that the County has done all that it is responsible for in connection with this drainage, and that it is satisfactory, and that additional expenditure in connection with this drainage is unwarranted, was read to the County Board. It was moved by Commissioner Ainsworth and duly seconded that the Board concur in the Engineer's report and that a copy of said letter and a copy of this motion be forwarded to Mrs. Eberle. On roll call on the motion there were four YEAS and one NAY, as follows:

Ainsworth yea, Christensen nay, Hanson yea, Scott yea, Chairman Matthews yea. Motion carried.

Specifications received from the County Engineer for one roller shelf case for the Register of Deeds and for two roller shelf cases for the Tract Index Department of the Register of Deeds office were referred to the Committee on Ways and Means.

Commissioner Ainsworth from the Committee on Roads and Lakes presented the following report:

TO THE HONORABLE BOARD OF COUNTY COMMISSIONERS:

Gentlemen: Your committee on Roads and Lakes to whom was referred the matter of designation and extension of county roads in the Town of Eden Prairie has given the same careful consideration and begs leave to report as follows:

That County Road No. 2 as designated April 11, 1950 be changed as follows:

ORDER SETTING OFF FREEHOLDER FROM ONE SCHOOL DISTRICT TO ANOTHER
 STATE OF MINNESOTA }
 COUNTY OF HENNEPIN }

At a regular meeting of the County Board of Hennepin County, State of Minnesota, held on the 19th day of September, 1950, the petition of Thomas G. Valenty asking that his land, described in said petition, be set off from School District No. 45 to School District No. 46 in said County, came on to be heard by said Board, and it having been made to appear to its satisfaction that notice of said hearing had been published, posted and served as required by law and its order, said Board, having heard all persons interested in said matter, both for and against, finds as follows:

That said petitioner is a freeholder and resident of said county, and that he owns land now in School district No. 45 in said county described as follows, to-wit:

Lot 8, Auditor's Sub-Division 296, Maple Grove Township,
 Hennepin County,

and that said land adjoins School District No. 46 in said county.

That the reasons for setting off said land of petitioner are as follows, to-wit:

1. Petitioner's son will start school in first grade in the fall of 1950 and District 45 school is four miles away, too far for easy walking and no bus service is provided.

2. All the neighboring children attend District 46 school and petitioner's son would have no company going to and from District 45 school.

3. District 46 school is within easy walking distance, since it is only three-quarters of a mile from home and must be passed on the way to District 45 school.

4. Due to the extreme distance to District 45 school, and the closeness of District 46 school, the petitioner asks that his land be set off to school district 46 for the convenience of his children.

IT IS THEREFORE DETERMINED AND ORDERED: That the said land of said petitioner as above described be, and the same hereby is set off from said School District No. 45 to said School District No. 46 in said county, and that hereafter said land be and constitute a part of said School District No. 46.
