Commissioner Christensen offered the following resolution, and moved its adoption:

WHEREAS, the City Council of the City of Minneapolis in the County of Hennepin and State of Minnesota, on the 30th day of March, 1951, duly adopted four resolutions determining the total amount which would have been assessed against each parcel of tax forfeited land therein described for improving (1) certain alleys in the City of Minneapolis, by paving; (2) Bloomington avenue between East 43rd Street and East 44th Street, by sidewalk; ~~(3) Valley Street from Columbia Boulevard to 36th Avenue N.E., by watermain;~~ (4) certain streets in the City of Minneapolis, by sewers, if such parcels of land had been subject to assessment, which said public improvement was made by said city after each such parcel had been forfeited to the State for non-payment of taxes; and

WHEREAS, the City Clerk of said City of Minneapolis, pursuant to Minnesota Statutes for 1945, Section 282.01, Subd. 3, as amended, has duly certified to the County Auditor of said county the total amount which would have been assessed against each such parcel described in said resolution if it had been subject to assessment; and

of each such parcel; and

BE IT RESOLVED, by this Board that the appraised value for the purpose of sale of each such parcel of land which is described in the list designated as List No. 56, Special Assessment List for the City of Minneapolis, is the existing appraised value of each such parcel plus the amount set opposite each such parcel in said list and therein listed under the heading "Amt. of Assmt.", which said amount set opposite each such parcel is hereby included as a separate item in fixing said total appraised value of each of said parcels of land for the purpose of sale; and

BE IT FURTHER RESOLVED, that the said list be ordered filed with the County Auditor.
