Minneapolis, Minnesota

Tuesday, April 29, 1952

The Board of County Commissioners of the County of Hennepin, Minnesota, met in the Court House in the City of Minneapolis, at ten o'clock A.M., pursuant to adjournment.

All members were present.

The meeting was called to order by George W. Matthews, Chairman.

Letters were received from Elmer H. Larson, Land Commissioner, as follows:

1. Recommending the appraisal and sale of certain tax forfeited lands.
2. Recommending the addition of special assessments to the appraised valuation of the tax forfeited lands described in Special Assessments List No. 65.

The above letters were referred to the Committee on Public Grounds and Buildings.

Applications for license to sell non-intoxicating malt liquor were referred to the Committee on Ways and Means.

A letter from Dr. F. G. Gunlaugson, Director, Bureau of Health Maintenance for the City of Minneapolis, requesting the commitment of

a patient to Glen Lake Sanatorium was read and referred to the Committee on Ways and Means.

At 10:15 o'clock A.M., the time specified in the published advertisement for bids, O. A. Pearson, Budget and Purchasing Agent, proceeded to open bids for furnishing office furniture to Hennepin County for the offices of District Court Judges Hall and Weeks. The bids were referred to the Purchasing Agent and the Committee on Ways and Means.

Specifications were received from O. A. Pearson, County Purchasing Agent, as follows:

1. For one 48-passenger bus for general use at the Home School For Boys.
2. For furnishing approximately 110,000 gallons of S.C. Asphalt.
3. For furnishing approximately 110,000 gallons of M.C. Asphalt.
4. For furnishing approximately 40,000 gallons of R.C. Asphalt.
5. For furnishing approximately 40,000 gallons of Asphalt Emulsion.

The above specifications were referred to the Road and Lake Committee.

A letter was read from Howard W. Perkins, County Surveyor, and L. P. Zimmerman, County Engineer, reporting on the proposed sale of a part of the Hennepin County Home site in the City of Hopkins. A letter from W. L. Taylor, City Manager for the City of Hopkins, expressing the official views of the City Council's policy in the matter was read and ordered incorporated in the minutes of the County Board meeting, as follows:

April 28, 1952

The Board of County Commissioners
Hennepin County, Minnesota

Gentlemen:

Representatives of the City have discussed with the County Surveyor and the County Engineer the problems involved in the proposed disposition of part of the County Home site in Hopkins.

The policy of the City Council will be:

1. To accept a warranty deed for the vacated lots lying in the south 223.9 feet of block 63, with immediate development of Lot 13 as a lift station for the Peaceful Valley Sanitary Sewer. The remainder of this tract will be developed for recreational purposes to serve as a buffer between the lift station and the residences proposed for the balance of the site. This recreational development will replace the present similar development North of this site.
2. To accept, under its ordinances controlling platting, plats for the remainder of the tract only when such plats contain street dedications which do not abut the west line of the tract reserved for the County Home.
3. To accept platting of contiguous property only so as to continue alignment of north-south streets so that no dead ended streets exist within the site.
4. To provide storm sewers for drainage of the low areas on Block 43 and 44 on or before the time when 50% of the lots platted are built upon, subject only to vote of the people of the money for a bond issue. As was explained to Mr. Zimmerman our storm sewers system has been enlarged nearly every other year; however because such extensions are financed as a general obligation of the city, to get the bond issue passed we will wait until we get a number of small projects throughout the city. The policy of the city in the past has been to provide storm sewerage when needed in this manner.

This has been discussed completely with the Hopkins City Council and I am directed to inform you that these views are an official expression of the Council's policy.

Very truly yours,

/s/ Walton R. L. Taylor
City Manager.

Fitzsimmons, County Auditor, be directed to advertise for bids for blacktop material according to specifications to be prepared by O. A. Motion unanimously carried.

Commissioner Christensen offered the following resolution, and moved its adoption:

WHEREAS, The City Council of the City of Minneapolis in the County of Hennepin and State of Minnesota, on the 25th day of April, 1952, duly adopted a resolution determining the total amount which would have been assessed against the parcel of tax-forfeited land therein described for improving Vincent Avenue North from the South line of Lot 21, Block 11, Brodericks Addition to Minneapolis, to 8th Avenue North, by grading, sewer, water main, curb and 2-foot gutter, sidewalk 6-feet wide, if such parcel of land had been subject to assessment, which said public improvement was made by said City after such parcel had been forfeited to the State for non-payment of taxes; and

WHEREAS, The certificate of the said City Clerk in which she made such certification has been filed in the office of the said County Auditor and has been submitted to this Board by said County Auditor; and

WHEREAS, It appears to this Board that such parcel has been benefited by said public improvement in an amount equal to the amount set opposite such parcel in said resolution and certificate;

NOW, THEREFORE, This Board does hereby determine that the value of such parcel of tax-forfeited land described in said resolution and certificate and also described in the list hereinafter referred to was enhanced by such improvement to the extent of the amount set opposite such parcel in said resolution, certificate, and list, and that such amount should be added as a separate item to the existing appraised value of such parcel; and

APR 29 1952

BE IT RESOLVED, By this Board that the appraised value for the purpose of sale of such parcel of land which is described in the list designated as List No. 65, Special Assessment List for the City of Minneapolis, is the existing appraised value of such parcel plus the amount set opposite such parcel in said list and therein listed under the heading "Amt. of Assmt.", which said amount set opposite such parcel is hereby included as a separate item in fixing said total appraised value of said parcel of land for the purpose of sale; and

BE IT FURTHER RESOLVED, That the said list be ordered filed with the County Auditor.

When the purchase price of any such parcel of land exceeds \$100.00 but does not exceed \$500.00, one-fourth of such purchase price, or more, shall be paid in cash at the time of purchase and the balance thereof shall be paid in five equal annual installments with interest on the unpaid balance of the purchase price at the rate of four per cent per annum payable annually, provided however, that the entire unpaid balance of said purchase price with accrued interest may be paid at any time before the final installment thereof becomes due; and

When the purchase price of any such parcel of land exceeds \$500.00, one-fifth of such purchase price, or more, shall be paid in cash at the time of purchase and the balance thereof shall be paid in ten equal annual installments with interest on the unpaid balance of the purchase price at the rate of four per cent per annum payable annually, provided however, that the entire unpaid balance of said purchase price with accrued interest may be paid at any time before the final installment thereof becomes due; and

BE IT FURTHER RESOLVED, That until the purchase price of any such parcel of land is paid in full, the removal therefrom of any structure be and hereby is prohibited and the removal therefrom of any sand, gravel, topsoil, subsoil, or peat be and hereby is prohibited unless the removal of such sand, gravel, topsoil, subsoil, or peat is incidental to the erection of any structure thereon, or to the grading thereof, and will result in enhancing the value thereof.
