The Board of County Commissioners of the County of Hennepin, Minnesota, met in the Court House in the City of Minneapolis, at ten o'clock A.M., pursuant to law.

All members were present.

The meeting was called to order by George W. Matthews, Chairman.

A contract and contract bond from Arnell Business Forms for furnishing tax statements for the County Treasurer's office were referred to the Committee on Ways and Means.

A letter from the Health Department, City of Minneapolis, requesting the commitment of a patient to Glen Lake Sanatorium was referred to the Committee on Ways and Means.

A petition signed by Albert Schumacher asking that his lands be set off from School District No. 80 to School District No. 102 was referred to the Attorney for the Board, the Superintendent of Schools, and the Committee on Public Grounds and Buildings.

At 10:20 o'clock A.M., hearing was called for on the petition of Confer Bros. and others asking for the transfer of property from School District No. 24 to School District No. 89 in Hennepin County.

The Clerk to the Board presented the publisher's affidavit of publishing the notices of hearing, the Sheriff's return of posting the notices and the County Auditor's certificate of mailing said notices of hearing.

A letter was presented from Viola S. Thompson, County Superintendent of Schools, notifying the Board that if School District No. 24 was opposed to the setoff, the County Board could not approve the transfer.

A letter from E. J. Cooper, Superintendent of Independent School District No. 24, was presented, rescinding the School Board's approval of the transfer of property as petitioned for by Confer Bros. and others, from School District No. 24 to School District No. 89 because the transfer would not include all property south of Highway No. 55.

Philip Whitman, Attorney for the petitioners, presented the Board with a petition signed by Mrs. Clarence R. Salstrom and by Confer Bros. for the transfer of Lot 11, Block 2 and Lot 4, Block 1, Westchester Addition, from School District No. 24 to School District No. 89, thus including all lands south of Highway No. 55 between Winnetka Avenue and Highway No. 100 in the petition for annexation to School District No. 89. Affixed to said petition was consent to it by Independent School District No. 24. Mr. Salstrom appeared before the Board stating that the petition

was signed with the understanding that his son would be permitted to complete his schooling in School District No. 24.

Commissioner Christensen moved, seconded by Commissioner Hanson that the order for the transfer of property be amended to include Lot 11 Block 2 and Lot 4, Block 1, Westchester Addition owned by C. R. Salstrom and Confer Bros. Inc. respectively.

The vote on the motion was as follows: Ainsworth yea, Christensen yea, Hanson yea, Scott yea, Chairman Matthews yea.

Motion carried.

Upon the presentation of the petitions signed by Mrs. Salstrom and Confer Bros. E. J. Cooper, Superintendent, and R. J. Parrish, Clerk and Attorney for School District No. 24, consented to the granting of the petitions.

After consent by School District No. 24 to the transfer of said property from School District No. 24 to School District No. 89 Viola S. Thompson, County Superintendent of Schools, withdrew her objections to the granting of the petitions.

and that said lands adjoin School District No. 89 in said County.

That the reasons for setting off said lands of petitioners are as follows:

That Independent School District No. 89 has adequate class room space and other facilities to accomodate the school children presently attending the schools and that reasonably may be contemplated in the future within its present District and in the area in which petitioners reside, without over crowding, which would make for a more efficient operation of such schools.

The schools in Independent School District No. 24 are over crowded and the proposed change would to some extent alleviate the burden in Independent School District No. 24.

That some of the children in the area are required to cross Trunk Highway 55 for transportation to and from the schools in Independent School District No. 24.

That the land of petitioners as well as the remainder of the area in sections 32 and 33, Township 118, Range 21 lying between Trunk Highway 55 and the north boundary of Independent School District No. 89 are properly in the geographical area of Independent School District No. 89 and it would be more economical, convenient and efficient for the students in said area to attend Independent School District No. 89.

IT IS THEREFORE DETERMINED AND ORDERED: That the said lands of said petitioners as above described be, and the same hereby are set off from said School District No. 24 to said School District No. 89 in said county; and that hereafter said lands be and constitute a

part of said School District No. 89.

Minneapolis, Minnesota

Tuesday, September 17, 1957

The Board of County Commissioners of the County of Hennepin, Minnesota, met in the Court House in the City of Minneapolis, at ten o'clock A.M., pursuant to adjournment.

All members were present.

The meeting was called to order by George W. Matthews, Chairman.

A monthly report from Ed Ryan, Sheriff, was ordered placed on file.

A letter from Northside Post No. 230 A.L. expressing appreciation for the Memorial Day contribution from the County was read and ordered acknowledged and placed on file.

A letter from L. M. Hardaway of Thorpe Bros., offering Brookview Country Club for sale to the County was read. The Board directed that the letter be acknowledged and the writer informed that the County Board has no funds and no authority under the law to purchase properties of this kind.

A letter from the Village of Bloomington submitting a resolution adopted by the Bloomington Village Council relative to the establishment of a watershed or drainage district was read. The matter was referred to the Attorney for the County Board for a report as to what might be involved and the ramifications that might develop if the County does

establish such a drainage district.

Letters were received from L. P. Pederson, County Engineer, as follows:

1. Submitting an agreement between the County and the City of Minneapolis for the maintenance of State Aid roads within the City of Minneapolis.

2. Requesting authorization for the County Engineer to attend the National Conference of County Engineers and Officials to be held at French Lick, Indiana.

The above letters were referred to the Committee on Ways and Means.

Letters were received from O. A. Pearson, Budget and Purchasing Agent, as follows:

1. Requesting that funds be set aside from the Road Construction Fund to cover an overrun in the contract for the improvement of State Aid Roads No. 31 and No. 53. Referred to the Committee on Ways and Means.

2. Recommending that the Sheriff be directed to bill all governmental subdivisions for care of prisoners held in the Jail at the rate of \$3.19 per day, which is the same rate charged the United States Government for care and keep of federal prisoners. Referred to the Attorney for the County Board.

A contract and contract bond from Naugle-Leck, Inc. for construction of blacktopping, targets, operating mechanisms, and canopy at the Hennepin County Pistol Range were referred to the Committee on Ways and Means.

Commissioner Hanson offered the following resolution and moved its adoption:

BE IT RESOLVED, That the following named persons be included in the list of Hennepin County Welfare Board employees designated as eligible to claim an amount of \$20.00 per month as transportation allowance in addition to the regular per mile reimbursement as provided by Chapter 796 of the Laws of Minnesota for 1955, and in accordance with the policy adopted by the County Board August 23rd, 1955, such designation to continue until the employees named are promoted to positions not requiring the use of a car, terminate employment or otherwise become ineligible to receive said allowance.

and that said land adjoins School District No. 102 in said county.

That the reasons for setting off saidland of petitioner are as follows:

To enable our child (boy 10) to go to a school of smaller enrollment; so can get individual help which is needed. (He has improved 18 months in one term after attending district 102 as compared with his grades at a Catholic). He is also able to transport

SEP 24 1957

himself (in 15 minutes) to District 102 which otherwise he would have to be on the Delano bus at 7:30 A.M. We also have four other girls that could benefit from this extension.
