Commissioners Ainsworth, Hanson, Mrs. Scott, Swanson and Matthews offered the following resolution, and moved its adoption:

WHEREAS, The intersection of Trunk Highway 100 and County State Aid Highway 39 (Valley View Road) presents a dangerous and unsatisfactory safety situation to both motorists and pedestrians; and

WHEREAS, There have been seventeen personal injury or property damage accidents at this intersection in the past two years; and

WHEREAS, The safety of large numbers of motorists and pedestrians is more important than the inconvenience of relatively small numbers; and

WHEREAS, The nature of Valley View Road is that of a local residential street quite dangerous and inadequate to and for large numbers of fast moving vehicles; and

WHEREAS, Hennepin County's newly opened Crosstown Highway offers faster and safer traffic movement both to the east and to the west of this area for motorists who formerly used Valley View Road.

NOW THEREFORE BE IT RESOLVED, That the Hennepin County Board of Commissioners concur in the recommendation of both the county and state highway departments in the installation of a median island which would prohibit left turn and crossing movements onto and over Trunk Highway 100 County State Aid Highway 39 (Valley View Road); and
