WHEREAS, the application by Hennepin County General Hospital for Hill-Burton Hospital Construction Funds through the Minnesota Department of Health, authorized by the Hennepin County Board of Commissioners in Resolution 72-7-2, requires certain assurances on the part of the Hospital to comply with federal regulations governing the allocation of said funds, and Hennepin County General Hospital wishes to comply with all federal regulations of such funds and to maintain its eligibility status;

BE IT RESOLVED, that the Hennepin County Board of Commissioners authorize the County Administrator to act as its representative in giving said required assurances to the granting agency(ies) and that no portion of the project will be converted to inpatient use or to inpatient use different from that approved in the application unless such conversion in use has been approved by the Minnesota State Department of Health, and
