At 10:30 a.m., a hearing was called for regarding the obstruction in County Ditch #16 in the Village of Corcoran, by Clinton J. and Lydia Cook.

Jerome Chapman, Assistant County Attorney, explained the procedure for resolving the matter pursuant to M.S. 1971, Chapter 106.491. James Ault, Hydraulic Engineer, Hennepin County Department of Public Works, indicated that he had examined the ditch and that the Cooks

had constructed a road across the ditch with a 24" diameter culvert for drainage. He said that the construction will restrict the flow of water, which will result in "back-up" and upstream flooding.

Mr. and Mrs. Cook said that they have seen no water in the ditch in the time they have lived there and feel that present construction is adequate to handle the flow of water.

William E. and Florence C. Mason, complainants, said that the construction and installation has blocked or materially reduced the waterway opening in the ditch and will cause large quantities of water to accumulate upon their (Masons') property.

Commissioner Lindgren moved, seconded by Commissioner Hanson, that the Board approve the Findings of Fact and Order directing Clinton J. and Lydia W. Cook to remove the road and culvert, at their own expense, from County Ditch #16 by October 15, 1973.

Commissioner Lindgren, Chairman, Committee on Ways and Means, presented the following resolution:

WHEREAS, pursuant to Resolution No. 73-8-13, adopted August 7, 1973, the County has caused notice to be duly published in the official newspaper inviting proposals for the purchase and development of certain real estate including subsurface and air rights along Chicago Avenue between Seventh and Eighth Streets, as more fully described in the invitation, and has received a proposal from Center Hospital, a Minnesota nonprofit corporation, to purchase such real estate at not less than the minimum price specified in the invitation, and to construct thereon and finance a hospital structure to provide shared facilities to be leased by the purchaser for use by Hennepin County General Hospital and by Metropolitan Medical Center, in accordance with final plans and specifications to be developed subject to approval by the County and by Metropolitan Medical Center and by the State Board of Health in accordance with the certificate of need heretofore given, and in accordance with the forms of leases setting forth the desired terms and provisions for the joint use of the structure which were approved by said resolution, and

WHEREAS, Center Hospital proposes to issue its First Mortgage Hospital Revenue Bonds in the amount necessary to finance such acquisition and construction, presently estimated at approximately \$23,000,000, substantially in accordance with the provisions of an Indenture of Mortgage and Deed of Trust proposed to be entered into by and between Center Hospital and a banking institution as Trustee, the form for which is on file with the proposal, and to lease the hospital structure to Hennepin County and to Metropolitan Medical Center as aforesaid, and upon completion of the payment of said bonds to convey its entire interest in the structure to the County by warranty deed and bill of sale which are to be placed in escrow for delivery to the County when all such bonds have been fully paid, and

WHEREAS, the County Board is responsible under the provisions of Minnesota Laws 1963, Chapter 738 for providing hospital care and medical service for poor persons who are residents of the County or a municipality therein and for residents of the County who require but are unable to pay the full cost of such care and service, and for others in case of injury or emergency, and is authorized to provide such service at public or private hospitals and to contract and cooperate with other boards and officers responsible for the administration of such hospitals in order to attain the highest degree of economy and effectiveness in the administration and financing of hospital and medical care and service and in its operation of Hennepin County General Hospital, and is authorized to acquire additional hospital facilities for these purposes, and

WHEREAS, the Board has reviewed the Articles of Incorporation and Bylaws of Center Hospital, under the provisions of which three of the six members and directors thereof are to be selected by the County Board, and the members of the County Board are entitled to receive notice of and participate in all meetings of the members and directors of Center Hospital, and

WHEREAS, the County is presently constructing the new Hennepin County General Hospital and Metropolitan Medical Center is presently expanding its hospital, both on sites abutting on Chicago Avenue in Minneapolis, and economy and flexibility in meeting the health care needs of the County and surrounding area can best be obtained by the construction of a shared hospital facility to provide some of the services required in connection with the operation of both hospitals;

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Hennepin County, Minnesota, as follows:

Section 1. The Board finds and determines that the proposal received from Center Hospital is the most favorable and the only one received pursuant to said Invitation for Proposals, and that the interests of Hennepin County and its inhabitants will be served by the construction of said facility by Center Hospital and the leasing thereof to Hennepin County and to Metropolitan Medical Center, as proposed; and said proposal shall be and is hereby accepted, and the proper officers are directed to execute a contract, in form and substance as approved by the County Attorney, for the sale and conveyance of said real estate upon the terms and conditions therein provided, and to execute and deliver a quit claim deed of the real estate to Center Hospital.

Section 2. The Board approves the existence and purposes of Center Hospital as shown in its Articles of Incorporation and Bylaws, and the membership of its present Board of Directors, and the schematic design of the hospital structure as presently planned, subject to approval of final plans and specifications by the County when completed by Center Hospital.

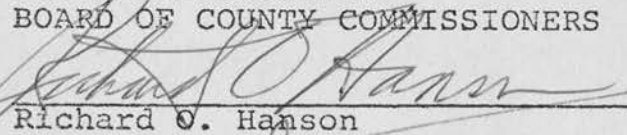

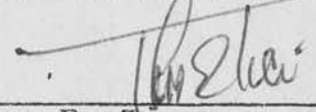

Section 3. The appropriate officers of the County are authorized and directed to enter into the lease of a portion of the hospital to the County in substantially the form referred to in the proposal, after complying with such procedures to assure the lawfulness thereof as the County Attorney may specify.

Section 4. The Board agrees that title to the hospital structure may vest in Hennepin County upon the retirement of all of Center Hospital's bonds as described above, and after delivery of a warranty deed and bill of sale thereof to be placed in escrow pending the retirement of such bonds, and accepts on behalf of the County and its inhabitants the transfer of such title in accordance with the above proposal.

Section 5. The Board agrees with the provision of the proposed Indenture to be entered into by Center Hospital for the security of its bonds, that the proceeds thereof will not be used in a manner which, if reasonably expected on the date of issue, would cause the bonds to be arbitrage bonds within the meaning of Section 103(d) of the Internal Revenue Code and Regulations adopted pursuant thereto.

Gary Flakne, County Attorney, appeared before the Board urging it to approve the contract with Popham, Haik, Schnobrick, Kaufman and Doty, Ltd., for providing legal services regarding the Government Center. He said handling arbitration and litigation of this type is a highly specialized field and the County Attorney's office does not have adequate staff to handle the anticipated problems connected with a venture of this magnitude.

Commissioner Lindgren requested that a letter from Wayne Popham dated September 21, 1973, setting forth some of the litigation the firm has handled in this field be read into the record.

Chairman Olson ordered the clerk to read Mr. Popham's letter.
