Commissioner Robb indicated that he had written to the Neff Company, Inc., the apparent low bidder for the general construction of the Richfield Library, Contract No. 3553A, and requested certain information relative to their bid. He said the firm has only been in business since September 1972, so was unable to furnish a three-year audited financial statement. He then asked Mr. Neff if he had a financial statement with him. Mr. Neff replied that he did not, but could produce a balance sheet in the afternoon. Commissioner Lindgren asked Stanley R. Cowle, County Administrator, to cite his reasons for recommending the second low bidder on the project, Henry Mikkelson Company.

Mr. Cowle said there were basically five reasons for rejecting the bid of the Neff Company and recommended^{ing} the Henry Mikkelson Co.

- 1) 75 days longer term for the project
- 2) Non-responsiveness on requests for financial data
- 3) Only 6 months experience as a construction entity.
- 4) Successor company to other companies which have a history of mechanics liens filed against them
- 5) Staff is obligated to make a recommendation which reflects a public trust expenditure of public monies which guarantees successful completion of the projects.

Commissioner Lindgren asked Mr. Neff to respond to Mr. Cowle's comments. Mr. Neff stated that his firm is well qualified to perform the job, that it has all the financial backing needed. He went on to cite the reasons for the successor companies going out of business. He said the firm is always conservative in stating the number of days for completion of a project. He said the corporation has an approximate net worth of \$500,000.00.

XXXI (Exh. 1 and 2) and Statement of Intent by three County Commissioners dated August 20, 1969, (Exh. 3); and

WHEREAS, County Board resolution dated February 23, 1971, promised a General Hospital "of the same size that the voters approved in 1969--500 beds and 500,000 square feet--(including-ed.)--swing facility--within the 500,000-square-foot limits" (Exh. 4); and

WHEREAS, State of Minnesota Certificate of Need, dated June 9, 1972, was issued Hennepin County General Hospital for "replacement of existing facilities with construction of 485-bed General Hospital--Estimated Cost \$40,000,000" (Exh. 5); and

WHEREAS, County Board resolution 72-8-2, dated August 1, 1972, altered "gross" square feet to "usable", increasing total size of hospital approximately 29% and setting budget at \$34 million (Exh. 6) and further resolutions and planning involving food facility, heating and cooling, and laundry had the effect of widening the gap between the size and budget; and

WHEREAS, Using space efficiency ratio of 48% thus established, an additional 180 beds in 2-bedroom units may be added in Hennepin County General Hospital without using more than 28% of its total space; and

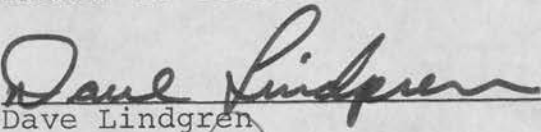

WHEREAS, County Administrator, Architect, and other staff and consultants have provided information showing construction, fees, equipment, and food facility bids and estimates currently running 18% average over comparable figures for aforementioned \$34 million budget, (Exh. 10)

NOW THEREFORE BE IT RESOLVED, That this Board does hereby determine to add 180 beds in 2-bedroom units to the Hennepin County General Hospital now under construction, orders termination of current plans for Center Hospital, Inc., and directs staff and consultants to replan interior of the new Hennepin County General

Hospital and facilities in the old General Hospital facility accordingly (so as to provide all bed facilities and as many teaching and clinical facilities as possible in the new hospital),
