Commissioner Lindgren introduced as a verbal communication a travel list submitted to him by Stanley R. Cowle, County Administrator, of various County officials and employees. He stated that the list is inaccurate in that it has at least six omissions. He said that he will provide the Board with an accurate list at some later date. ✓

Commissioner Robb stated that in September 1973, he requested an opinion from the County Attorney relative to warrants (covering a 10-year period) that were issued to Northwest Airlines, Inc., for tickets to cover County employees' travel in the amount of \$5000. He said that the warrants have not been approved by the Board. He presented the County Attorney's opinion and requested that it be entered into the record. He also requested that the warrants be brought back to the table for approval.

Stanley R. Cowle indicated that it was a result of a breach of administrative procedure over a period of time which may have occurred as a consequence of two strikes at Northwest Airlines. He said no billings were received from the company for many months and reconciling after-the-fact became literally impossible. He said the County's Internal Auditor was placed on the case and the figure was adjusted to \$5000.

Chairman Olson referred the warrants and the County Attorney's opinion to Stanley R. Cowle for preparation of a resolution approving the warrants for consideration by the Committee on Ways and Means at its meeting on January 28, 1974.

RESOLUTION
NO. 74-1-44

Commissioner Ticen offered the following resolution:

WHEREAS, The Minnesota Legislature is now in session and will be considering legislation affecting Hennepin County in at least the three following areas: 1) Authority to operate a Workhouse for Hennepin County; 2) Library Merger Bill; and 3) General Assistance (Poor Relief Corrective Language Legislation).

THEREFORE BE IT RESOLVED, That the County Administrator is hereby authorized to direct lobbying efforts in regard to these three matters consistent with the following concepts endorsed by the Hennepin County Board of Commissioners:

Workhouse: That such legislation be adopted to henceforth provide Hennepin County with the authority to operate, build or remodel such facilities without constraint in regard to any existing facilities, provided, however, that should the Legislature in its wisdom condition such authority for Hennepin County, such conditions be as unrestrictive as possible.

Library Merger: That such legislation provide for the merger of the City and County libraries into a Hennepin County Library System under control of the County Board with provisions for an Advisory Board and that all assets and liabilities of the Minneapolis system be transferred without recompense except for the original capital cost of the Central Downtown Library, and that the employee transfer be accomplished within the full purview of the Hennepin County Personnel System. That all legislative conditions relating to such transfer be as equitable as possible both financially and operationally for Hennepin County.

General Assistance (Poor Relief Corrective Language): That such legislation provide recipients with assistance standards consistent with other County administered categorical aids with appropriations by the State Legislature sufficient to provide an equitable cost sharing by the State of Minnesota.
