NO. 74-2-10

Commissioner Lindgren, Chairman, Recreation Committee,
offered the following resolution:

WHEREAS, Development pressures are threatening unique natural land and open spaces in the seven-county metropolitan area, and rising land prices are drastically increasing the cost of open land; and

WHEREAS, The Hennepin County Park Reserve District and the Metropolitan Inter-County Council have worked cooperatively with the Metropolitan Council in preparation of its Open Space Development Guide and related legislative proposals; and

WHEREAS, It is necessary and desirable that open space planning and development include citizen input and elected officials;

NOW THEREFORE BE IT RESOLVED, That the Board of County Commissioners of Hennepin County supports the recommendations of the 1972 Open Space Advisory Committee to the Metropolitan Council establishing a regional parks and open space system planned by the Metropolitan Council with counties, park districts and municipalities acquiring and developing the land while providing a regional source of funds for acquisition and development, and urges passage of such legislation in 1974; and

BE IT FURTHER RESOLVED, That the County Board believes that such legislation must provide for local government consent for acquisition of land and for use of the power of eminent domain; and

BE IT FURTHER RESOLVED, That the County Board believes that the Metropolitan Council, rather than a separate park commission, should be responsible for regional open space plans; and

FEB 12 1974

Charlotte Dietz, League of Women Voters, offered the following statement:

"We have been quoted in the media as supporting the Hennepin County Reapportionment Bill which is pending in the Minnesota State Legislature. The ad hoc committee of the Hennepin County League of Women Voters has not taken any formal action as to the reapportionment of the Hennepin County Commissioner district, whereby the Hennepin County Board would be expanded from five to seven commissioners. Our group takes action only after a formal study has been completed and a consensus has been reached. We are in the process of collecting facts on county government and at this time we are not advocating any position on county government.

"We will continue to follow the proceedings of the Hennepin County Government with a great deal of interest."

FEB 12 1974

Commissioner Ticen offered the following resolution:

WHEREAS, The Hennepin County Law Library does not have available sufficient funds to move to the new Government Center; and

WHEREAS, The County Law Library needs its present fees to provide on-going financial support for its operation; and

WHEREAS, Hennepin County cannot under the present law assist the Law Library without the Library losing their allotted fees; and

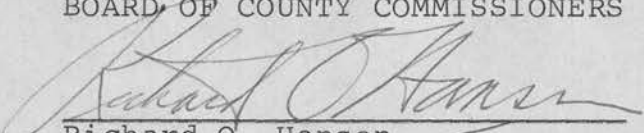

WHEREAS, It is to the advantage of the County government to assist the Library and facilitate their relocation in the Government Center,

NOW THEREFORE BE IT RESOLVED, That the Hennepin County Board of Commissioners support the attached bill which would give them permissive authority to assist the Hennepin County Law Library in meeting their needs and making their transfer to the Government Center.

RESOLUTION
NO. 74-2-22

Commissioner Lindgren offered the following resolution:

WHEREAS, On July 12, 1973, the Personnel Board, on motion by Moore, seconded by Van Valkenburg, "moved that this Board establish a search committee representative of County Board, County Administration, and County Personnel Board that would actively seek out the best qualified candidates nationally for this position and encourage candidates to apply with an understanding that their competency would be judged by an examining board at a later date"; and

WHEREAS, Similar authority was granted by the Hennepin County Board of Commissioners on similar rationale as used before the Personnel Board; and

WHEREAS, The emphasis in both cases was a committee, consisting of representatives of the County Board, Personnel Board, and County Administration; and

WHEREAS, Some \$5,000-plus later, we find that this committee of three, in fact, interviewed only four candidates as a committee, and that was in Miami, Florida, November 24 through 30, 1973; and

WHEREAS, Stanley Cowle interviewed, by himself, twenty-nine candidates in such cities as Minneapolis, Washington, D.C., Chicago and New York; and

WHEREAS, Tom Olson interviewed four candidates, by himself, in Los Angeles, on December 20 and 21, 1973; and

WHEREAS, Jerry Gray interviewed four candidates, by himself, in San Francisco, on December 7 and 8, 1973; and

WHEREAS, If the intent was to have a uniform selection process, then we should have used the committee on all interviews, or one person, standard, or whatever; and

WHEREAS, In lieu of one standard, we have a minimum of four standards. First, the committee as a whole, with four candidates in Miami. Secondly, Stan Cowle's standard, with twenty-nine candidates in various cities. Thirdly, Tom Olson's standard, with four candidates in Los Angeles. And lastly, Gray's standard, with four candidates in San Francisco; and

WHEREAS, As policy-makers for Hennepin County, we are very concerned with the discrepancies, methods, and standards used to date and are also concerned with the thousands of dollars expended in a search-and-selection process that is questionable, at best; and

FEB 12 1974

WHEREAS, We believe that the search-and-selection process must be competitive, fair, standard, and must select the best qualified candidate.

NOW THEREFORE BE IT RESOLVED, That all authorization for expenditures of funds for a Personnel Director selection be held in abeyance pending a County Attorney opinion on procedures used to date.

RESOLUTIONHENNEPIN COUNTY INTERNAL AND INTERGOVERNMENTAL STUDY COMMITTEE

Duane Miedtke, Chairman of the Subcommittee on the Size of the County Board, offered the following resolution:

WHEREAS, The Subcommittee has had testimony from Representative John Salchert and each of the present Hennepin County Commissioners, Thomas Olson, Richard Hanson, Thomas Ticen, Dave Lindgren, and E. F. Robb, Jr., concerning the question of the appropriate size of the County Board and Representative Salchert's bill on the matter; and

WHEREAS, The testimony has not sufficiently demonstrated a pressing need at this time to change the number of commissioner districts; and

WHEREAS, It is the consensus of the Subcommittee that the Salchert bill, based on its merits and without political considerations, was drawn without sufficient study, especially with respect to the commissioner district boundary lines; and

WHEREAS, The Subcommittee feels the size of the County Board is a function of the total operation of the County, its purpose and the needs of its citizens,

BE IT RESOLVED, That this Committee recommends:

1. That action on the Salchert bill, or any other such legislation, be delayed until the 1975 legislative session;
2. That study be made of the total Hennepin County government operation and structure prior to the 1975 session;
3. That any and/or all changes to come from said study be incorporated into a far-reaching reorganization bill if such reorganization is indicated;

BE IT FURTHER RESOLVED:

1. That these recommendations be presented to the Board of County Commissioners at the February 12, 1974, Board meeting;
2. That these recommendations be forwarded to the Hennepin County Legislative Delegation as soon as practicable.

WHEREAS, By said resolution the Board approved the existence and purposes of Center Hospital as shown in its Articles of Incorporation, the membership of its Board of Directors, and the schematic design of the hospital structure, subject to approval of final plans and specifications by the County when completed by Center Hospital, and authorized the appropriate officers of the County to enter into a lease of a portion of the hospital structure to the County, substantially in the form referred to in the proposal, after complying with such procedures to assure the lawfulness thereof as the County Attorney might specify; and
