JUN 04 1974

Board of Commissioners - May 21, 1974

Chairman Olson: Item 14 ... we'll take as a lump, they are all change orders. Items A through F, Sam would you read the accompanying resolution?

Sam: Commissioner Ticen, Chairman, Committee on Ways and Means ... Whereas certain modifications are required to Contract 2505 with Knutson Construction Co., for general construction work at the Hennepin County Government Center, which result in increases and decreases as set forth in change orders be it resolved that Contract 2505 be modified in the net amount of \$130,539.68, as an addition to the total contract price. In accordance with change order numbers GC-76 through GC-78, and others.

Chairman Olson: You have heard the recommendation, is there a discussion.

Commissioner Robb: Change order number GC-100 to Contract 2505 according to testimony yesterday involved changing from the Walnut paneling in the Commissioners offices which was specified to Rosewood paneling and English Smoked Oak, is it, something like that. Mr. Chairman, I would move to strike that portion of the change orders of this resolution by deleting that particular change. Thus, leaving the Walnut paneling that was originally specified in the Commissioners offices.

Chairman Olson: Motion to amend deleting Change order GC-100, is there a second?

Commissioner Lindgren: Purpose is discussion, I'll second.

Chairman Olson: We have a second - is there a discussion then on the matter at hand?

Commissioner Robb: Mr. Chairman, may I inquire as to the purpose of the change?

Commissioner Hanson: Mr. Chairman, I _____ that these five offices are Rosewood. I think someone suggested that the other two be Walnut and it was concluded that all seven should be identical. So, that all we're talking about. We're not talking about changing ... is that correct? I took it, the two new ones would have the same kind of woodwork as the five old ones.

Commissioner Robb: That wasn't the testimony we got yesterday.

Commissioner Hanson: Well, that was the facts.

Commissioner Robb: Well, I appreciate being brought up to date on the facts ...

Commissioner Hanson: Well, I was brought up to date on that two years ago, you should have been too.

Chairman Olson: Gentlemen, calm down.

Commissioner Hanson: Call the roll.

Chairman Olson: The point is, we have a decision to go with Rosewood in those particular offices, that the issue ... which of course, Mr. Robb has moved to amend.

Secretary, please call the roll.
