JUL 30 1974

Commissioner Robb, Chairman, Highways

Committee, offered the following resolution:

WHEREAS, The County of Hennepin acquired a certain tract of land for highway purposes via a Warranty Deed dated 13 July 1973, from Unionamerica Mortgage and Equity Trust, a California Real Estate Investment Trust.

The Hennepin County Highway Division having completed design for road construction Project No. 6715 has released and sold to the highest bidder a tract of land adjoining County State Aid Highway No. 18 to Unionamerica Mortgage and Equity Trust, said deed dated 11 December 1973.

The legal descriptions used in the transactions described herein were of a very complicated nature and proved to be in error and misleading. It has been determined that the most expedient and accurate method of correcting this problem was to draw deeds back to the original grantors and file a Registered Land Survey together with new deeds using new descriptions based on said survey.

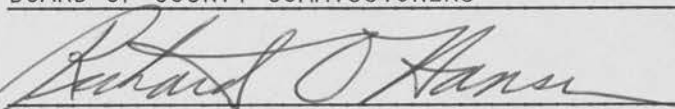

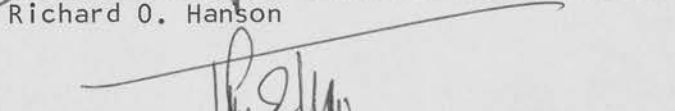

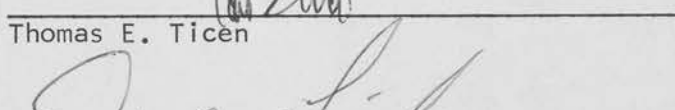

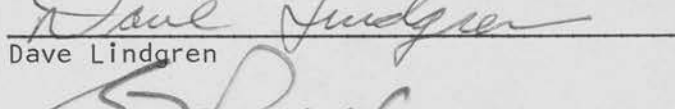

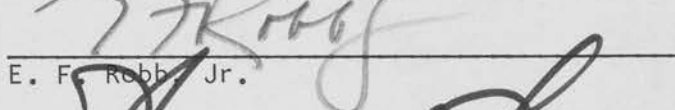

BE IT RESOLVED, That pursuant to a request from A. J. Lee, Director of Public Works, your committee recommends that the Board of Commissioners authorize the Chairman of the Board and the Auditor as clerk thereof to sign a Quit Claim Deed for the land originally conveyed to Hennepin County back to Unionamerica in exchange for a new deed to the County of Hennepin using the new legal description created in the Registered Land Survey and the authorization to sign a Quit Claim Deed to said Unionamerica for the surplus tract using the new legal description as set out in said survey.
