The Board of County Commissioners of Hennepin County, Minnesota, met in the Hennepin County Government Center in the City of Minneapolis, at 10:00 a.m., pursuant to adjournment.

All Commissioners were present.

The meeting was called to order by Thomas E. Ticen, Chairman.

The minutes of the April 15, 1975, meeting were approved, as published in Finance and Commerce, Saturday, April 19, 1975.

The Board was advised of certain communications and the Chairman referred same for appropriate disposition.

Commissioner Olson, Chairman, Health and Social Services Committee, 0047% offered the following resolution:

WHEREAS, The rights and individual freedoms and human dignity which Americans accept as their birth right are made possible by a government of laws and a system of independent courts in which every citizen enjoys equal protection, and

WHEREAS, In today's complex society, there is a particular need for understanding on the part of our citizens of all ages that respect for law, and acceptance of the principle of the supremacy of law is vital to the public welfare and necessary for the preservation of the individual liberties that distinguish our way of life from a totalitarian system, and

WHEREAS, The 1st day of May has, by presidential proclamation, come to be observed annually as LAW DAY U.S.A., for the purpose of fostering increased respect for law and a deeper understanding of the place of law in our daily lives, as well as focusing public attention on the potential of law as an instrument for resolving disputes between nations.

NOW THEREFORE, We, the County Commissioners of the County of Hennepin, State of Minnesota, do hereby proclaim Thursday, May 1, 1975, as Law Day in our community and urge that the people of Hennepin County join in the nation-wide observance of this day, so that by their support, this important event will be made informative and meaningful for all our citizens.

Public Welfare Manual

Fach of the categorical aid laws provides a penalty for unlawfully receiving assistance (OAA - Minn. Stat., Sec. 256.31; AFDC - Minn. Stat., Sec. 256.83; AB - Minn. Stat., Sec. 256.68; AD - Minn. Stat., Sec. 245.34; and NA - Minn. Stat., Sec. 2568.16. If the recipient has been convicted for a violation of the statute, the county agency may discontinue assistance. If there has been no allegation of fraud on the recipient's part and there is no intention on the part of the county agency to act under the fraud statute, there is no basis for a suspension, cancellation, or medification of the grant.

### -1233 Lost, Stolen, or Destroyed Assistance Checks

If an assistance check is lest, stolen, or destroyed before it is cashed or deposited, a duplicate check may be issued. Minnesota Statutes, Section 471.415, Subdivision 1, states in part:

"Such duplicate shall correspond in number, date, and amount with the original order or warrant and shall have endorsed on its face by the officers issuing the same the word 'duplicate', together with the date of its issuance."

A prerequisite to the issuance of a duplicate check is the filing of an affidavit with the county agency by the payee attesting to the loss, theft, or destruction of the original.

While the statute requires the payee in a situation of this kind to file with the agency an indomnity bond, with sureties, it also provides for an exception. "The governing body of any county, city, town, village, borough, or school district may in its discretion dispose of the requirement of an indemnifying bond." (Minn. Stat., Sec. 471.415, Subd. 2)

It is not reasonable to expect public assistance recipients to be able to comply with this requirement, and the appropriate governing body of the county should waive this requirement in relation to assistance checks.

Because the welfare board is not the governing body of the county, it has no authority to make this waiver. Such action must be taken by the board of county commissioners.

Commissioner Hanson, Chairman, Committee on Ways and Means, offered the following resolution:

WHEREAS, on November 26, 1974, the County Board adopted a parking policy for the Hennepin County Government Center Garage and the County Administrator has recommended a modification to that policy,

BE IT RESOLVED, That

- -there be established a night rate of \$1.00 for parking in the Government Center Garage between the hours of 5:00 p.m. and 7:00 a.m.
- -that Referees in the various Courts of Hennepin County be authorized to park in the Government Center Garage at a monthly rate of \$25.00
- -that motorcycle parking be allowed in the Government Center Garage in specifically designated areas at a rate of \$10.00 per month, and
- -that each Commissioner and the County Administrator be authorized to validate parking tickets of official visitors to the Government Center with such parking charges to be charged back to the proper County departmental account.

Commissioner Hanson, as mover of the motion and Chairman of the Ways and Means Committee, exercised his prerogative to delete a portion of the resolution, that portion pertaining to Referees in the second resolving clause.

Commissioner Robb moved to amend the resolution in the first resolving clause by changing the hour for night parking from 5:00 p.m. to 7:00 p.m. The motion failed for lack of a second.
