Minneapolis, Minnesota

The Board of County Commissioners of Hennepin County, Minnesota, met in the Hennepin County Government Center in the City of Minneapolis, at 10:00 a.m., pursuant to law.

All Commissioners were present.

The meeting was called to order by Thomas E. Ticen, Chairman.

The minutes of the May 20, 1975 meeting were approved, as published in Finance and Commerce, Saturday, May 24, 1975.

The meeting recessed at 10.15 a.m. for the opening of bids relating to Highway Project S.P. 27-653-03 (CSAH 53), 66th Street, Minnesota Project M 5164 (1). It reconvened at 10.30 a.m.

The Board was advised of certain communications and the Chairman referred same for appropriate disposition.

An announcement was made by the Chairman that, pursuant to 1974 Laws of Minnesota - Chapter 576, the Hennepin County Board of Commissioners must by July 15th, 1975, reapportion itself to create seven districts instead of the present five. The board will also have to decide which two of the five seats in the 1976 election will be two-year terms and establish an arrangement of staggered terms to provide a regular pattern for election of Commissioners in each of the seven districts.

JUN - 3 1975 688

Commissioners had referred plans to the Chairman and he proposed that these plans be referred to a Committee of the Whole consisting of all five Commissioners, to consider these and any other plans at public meetings to be held in the Board Room on the 24th Floor of the Hennepin County Government Center at 2.30 p.m. on June 9, 1975, and as long on that day as necessary to hear all those who would like to be heard, and likewise on June 11, 1975, commencing at 2.30 p.m. in the same chamber to hear testimony.

The Committee of the Whole will then meet at 10:00 a.m. on June 13, 1975, in the Board Room to attempt to draw redistricting plans for Hennepin County and to make recommendations to the County Board with respect to which of the various districts will elect Commissioners for two-year terms and which for four-year terms, pursuant to law. The Committee will refer its recommendation to the County Board at its regular meeting on June 17th, 1975. If the majority of the Board approves the plan at that time, certified copies of the resolution establishing the plan and terms of office will then be transmitted to the Clerk of the Senate and Clerk of the House of Representatives for such action as the Legislative may wish to take.

Commissioner Robb requested that written notification of the Chairman's announcement be given to municipalities in Hennepin County as well as to each State Legislator within the County. This was so ordered.

Commissioner Robb offered the following resolution:

WHEREAS, the Hennepin County Board of Commissioners, by law, must redistrict itself by July 15, 1975, increasing its membership to seven, and

WHEREAS, this board thrice rejected a study commission approach to this matter, as provided by Minnesota Law, during 1973 and 1974, and

WHEREAS, this board subsequently appointed an ad hoc inter-governmental relations committee, a subcommittee of which consisting of Gertrude Ulrich, Chairperson, Melvyn Brown, Wayne Burggraaf, and Scott Dickman studied the redistricting responsibilities imposed by ML Chapter 576, 1974, with considerable outside testimony and Hennepin County staff assistance, and

WHEREAS, said committee, in its report to the Hennepin County Board dated November 12, 1974, listed ten criteria which it deemed very important.

NOW THEREFORE BE IT RESOLVED, the Hennepin County Board of Commissioners hereby accepts said ten criteria as guidelines for its redistricting responsibilities and decisions as follows:

1. Each district shall be as nearly equal in population as practicable.
2. Each district shall be composed of contiguous territory as regular and compact in form as practicable.
3. No district should cross any voting precinct lines.
4. No district should cross any ward lines.
5. Except for Minneapolis, each Hennepin County municipality should be wholly contained within one of the seven commissioner districts.
6. The seven districts should be distributed into two wholly suburban districts; three districts with part Minneapolis, part suburban content; two districts wholly within the City of Minneapolis (considering St. Anthony part of Minneapolis).
7. The seven commissioner districts should be constructed so that four of them have a suburban majority and three of them have a Minneapolis majority.
8. The districts created should bear some resemblance to the present commissioner districts. In particular, the 2nd and 4th districts to be created should bear a close resemblance to the present 2nd and 4th districts.
9. Redistricting should not give any clear partisan advantage to either political party.
10. Each of the districts should be as homogeneous as possible.

JUN - 3 1975

00688

BE IT FURTHER RESOLVED, the Hennepin County Board hereby thanks said committee for its wisdom and diligence in developing said criteria.

Commissioner Olson moved to refer the matter to the Committee of the Whole. The motion was seconded by Commissioner Ticen and approved unanimously.

JUN - 3 1975

RESOLUTION NO. 75-455

Commissioner Derus offered the following resolution:

WHEREAS, Mr. Walter P. Halstead has served for the past twenty-five years and continues to serve as Director of Civil Defense and emergency preparedness for Minneapolis and Hennepin County; and

RESOLUTION
NO. 75-493

Commissioner Robb offered the following resolution:

WHEREAS, the Hennepin County Board has created the Criminal Rules Advisory Committee, and

WHEREAS, said committee has requested instructions as to whether the County Board seeks its advice as to one or all of the three areas specified as follows:

1. That portion of the budget request which relates to the belief that even without the new rules the office is understaffed and requires additional budget authority.
2. That portion of the budget request which relates to the belief that additional temporary costs will be incurred because all cases pending at midnight on June 30 will operate under the old rules and all cases commencing after midnight on June 30 will operate under the new rules.
3. That portion of the budget request which relates to the belief that once the implementation of the new rules has been fully accomplished, they will be more costly to administer than are the present rules.

NOW THEREFORE BE IT RESOLVED, the Hennepin County Board of Commissioners, while not seeking to restrict the committee in whatever deliberations it deems necessary and pertinent, requests the committee to concentrate on the direct effect of the new rules of criminal procedures and to avoid, in so far as possible, those areas that are not directly related to them, as suggested in third item enumerated above.

Commissioner Hanson moved that the word "area" in the last line of the resolution be deleted and the word "item" be substituted for it. The motion was seconded by Commissioner Robb and approved unanimously.

The question was on the adoption of the resolution, and there were Five YEAS and NO NAYS, as follows:

Commissioner _____ Tice
offered the following resolution:

WHEREAS, the Hennepin County Board of Commissioners has been awarded a \$378,254 grant by the Robert Wood Johnson Foundation, to develop a coordinated emergency medical services (EMS) response system for the western seven-county metropolitan area; and

WHEREAS, the Robert Wood Johnson EMS project consists of several components, including the training of initial emergency response personnel, the design and implementation of an advanced radio communications system, planning for better public access to EMS through a single universal emergency telephone number (911) and planning for integration of the project's system with others outside the project area; and

WHEREAS, it is vital to the success of the Project and it is vital to the health and welfare of the citizens of Hennepin County that a determination be made of the exact manner by which it is decided which ambulance service or ambulance(s) are selected to respond to each request for assistance, and it is equally vital that each response be of the highest quality of emergency care and transportation at all times; and

WHEREAS, under the provisions of Chapter 753, 1967 Laws of Minnesota, this Board has the authority to license, regulate and provide standards of operation for the use of both public and private ambulances in Hennepin County and the drivers and attendants of such ambulances,

BE IT RESOLVED, that an ad hoc committee be established to develop and recommend to the Board rules and regulations pertaining to all aspects of the use of both public and private ambulances in Hennepin County, the Committee to pay particular attention to the areas of:

1. Standards of training, operation and medical supervision for all ambulance service personnel operating within the County;
2. The manner(s) by which the public and private sectors should cooperate in determining how requests for emergency medical services are received, how they are managed, and which ambulance service or ambulance(s) responds to which calls and under what conditions;
3. Furthering the development of a centralized or consolidated County-wide public safety communications network;
4. And all other areas vital to the quality of emergency ambulance services in Hennepin County.

The ad hoc committee to consist of:

- ...two representatives of Hennepin County municipal government
- ...two representatives of area emergency hospitals
- ...two physicians actively involved in emergency medical services
- ...two consumer members of the Hennepin County Health Coalition
- ...two representatives of area ambulance services
- ...one representative of the Health Board of the Metropolitan Council (ex officio)

Res. No.
75-488 (Con't.)
