RESOLUTION NO. 75-650

JUL 22 1975

Commissioner Olson,
offered the following resolution:

WHEREAS, The State of Minnesota has enacted the 1975 Criminal Sexual Conduct Law, Chapter 374, 1975 Chapter Laws, and Section 11 of that Act requires the county in which a sexual assault has occurred to pay the reasonable costs for a medical evidentiary examination conducted as a result of said assault, which section is set out below:

Section 11 Minnesota Statutes 1974, Chapter 609, is amended by adding a section to read:

(609, 299) (COSTS OF MEDICAL EXAMINATION)
No costs incurred by a county, city or private hospital or other emergency medical facility or by a private physician for the examination of a complainant of criminal sexual conduct, when the examination is performed for the purpose of gathering evidence for possible prosecution, shall be charged directly or indirectly to the complainant. The reasonable costs of such examination shall be paid by the county in which the alleged offense was committed. Nothing in this section shall be construed to limit the duties, responsibilities, or liabilities of any insurer, whether public or private. (Effective August 1, 1975); and

WHEREAS, Hennepin County has affirmatively and aggressively implemented efforts to combat criminal sexual conduct and it is therefore appropriate to continue such efforts; and

WHEREAS, The Committee to Recommend Standards and Regulations to the Hennepin County Board of Commissioners regarding the Administration of Hennepin County's Responsibilities under the 1975 Criminal Sexual Conduct Law has recommended that the following Resolution be made;

JUL 22 1975

00978

THEREFORE, BE IT RESOLVED, that the Hennepin County Board of Commissioners hereby authorizes payment by Hennepin County to any public or private hospital, emergency medical facility, or private physician who performs an evidentiary medical examination upon the victim of a criminal sexual assault for the reasonable costs of that examination when the examination is performed for the purpose of gathering evidence for possible prosecution and when the alleged offense was committed within the County of Hennepin, UPON THE FOLLOWING CONDITIONS:

1. No payment by the County to the examining medical facility or physician shall be made unless the examining medical facility or physician has:

(A) Waiver and Release

Obtained the waiver and release in use by Hennepin County from the patient-victim which authorizes the complete evidentiary examinations to be performed and authorizes release of the examination findings to the appropriate law enforcement agencies. (This does not require the victim to prosecute); and

(B) Medical Protocol

Followed the complete medical examination protocol currently in use by Hennepin County at the time of the examination at all medical levels (including nurses' history and exam, physicians' exam, appropriate follow-up examinations or referral); and

12.

00979
JUL 22 1975

II. Payment By The County

With respect to payment for the costs of the evidentiary examinations, the following rules shall apply:

(A) Patient-Victim Not To Be Billed

The patient-victim may not under any circumstances, be billed directly or indirectly for the costs of the evidentiary medical examination as distinguished from treatment of injuries sustained.

(B) Reimbursement Claims Only to Hennepin County

The examining facility or physicians shall not make any claim for payment of the costs of such evidentiary medical examination as distinguished from the costs of treatment for injuries sustained in the assault to any party whatever other than to Hennepin County except as hereafter provided.

(C) No Inquiry As To Patient-Victim's Insurance

Under no circumstances shall the examining facility or physician inquire into the medical insurance coverage of the patient-victim with respect to said evidentiary medical examination as distinguished from treatment for injuries sustained in the assault.

(D) The Medical Evidentiary Examination

Hennepin County shall bear the reasonable costs to the examining medical facility or physician for the evidentiary medical examination. Such evidentiary medical examination shall include:

1. The entire evidentiary medical examination as set out in the medical protocol in use in Hennepin County at the time;
2. The examination and treatment of any minor injuries

such as cuts, abrasions, suturing of a small wound and appropriate medication administered or distributed at the time of the evidentiary medical examination, where the costs of such examination and treatment are not reasonably severable from the costs of the rest of the evidentiary medical examination;

3. Two follow-up visits after the assault by the patient-victim to the examining medical facility or physician to perform the necessary repeated tests for gonorrhea and syphilis, which tests will be performed at approximately three and thirty days after the assault, respectively. The examining facility or physician may refer the patient-victim to the OB-GYN Clinic at HCMC rather than perform the two necessary follow-up examinations.

(E) Reimbursement For The Medical Evidentiary Examination

The examining medical facility or physician shall submit an itemized bill to Hennepin County for approval before payment of the costs of each evidentiary medical examination.

1. It is anticipated that an ordinary evidentiary medical examination for a sexual assault victim will cost from \$75 to \$125 including: (1) treatment of incidental injuries the costs of which are not reasonably severable from the costs of the rest of the evidentiary medical examination, and (2) both required follow-up visits for venereal disease tests, as set forth in (D) above.

2. In the exceptional case, the County is prepared, upon proper itemization of the costs and justification for such costs, to pay a maximum of \$150 for the total evidentiary examination including incidental injuries and the two

JUL 22 1975

follow-up examinations as described in (D) above.

00981

(F) Other Injuries

Where diagnostic tests and/or treatment is required for injuries sustained as a result of the sexual assault and hospitalization does not occur, then:

1. The examining facility or physician must inquire into the patient-victim's medical insurance coverage and must seek payment of the costs of such diagnostic tests and/or treatment from any third party who provides such medical coverage to the patient-victim:

2. When the patient-victim does not have medical insurance coverage for such diagnostic tests and/or treatment performed on the patient-victim at the time of the evidentiary medical examination as an outpatient, then Hennepin County is prepared to pay the examining facility or physician a maximum of \$100 for such diagnosis and treatment in addition to the aforementioned \$150 on the following conditions:

(a) The costs of such diagnostic tests and/or treatment for injuries is severable from the costs of the evidentiary medical examination as set forth in (D) above;

(b) The costs of diagnostic tests and/or treatment for such injuries must be properly itemized and justified.

(G) Hospitalization and Medical Treatment After The Evidentiary Medical Examination:

Except for the two follow-up examinations required by the medical protocol as a part of the evidentiary medical examination set forth in (4) above, Hennepin County shall not pay for the costs of any hospitalization or medical treatment of any kind after the date of the evid-

entiary medical examination.

JUL 22 1975 00982

(H) Insurance Procedures Summarized

The examining facility or physician may not inquire or report to an insurer of the patient-victim at any time concerning the evidentiary medical examination as defined in (D) above. However, the examining facility or physician shall inquire into and report accordingly to an insurer of the patient-victim concerning diagnostic tests and/or treatment, whether out-patient or in-patient of any and all injuries when the costs are severable from the costs of the evidentiary medical examinations as set forth in (F) and (G). The patient-victim shall be referred to the Minnesota Crime Victims Reparations Board, 504 North Rice Street, St. Paul, Minnesota, 55103, (Telephone Number: (612) 296-7080) for reimbursement of medical expenses that are not covered by Hennepin County or by insurance.

Commissioner Robb moved that the resolution be referred to staff with an instruction to modify the resolution, particularly in regard to its insurance provisions. The motion failed for lack of a second.

Commissioner Olson moved that the resolution be approved, with the provision that the study committee meet in late August to prepare for the County Board a review of its implementation, as well as the Committee's recommendations concerning the possibility of the County recovering costs from the insurance companies, where possible. The motion was seconded by Commissioner Derus and approved.

WHEREAS, The Hennepin County Welfare Board by its Resolution dated February 4, 1975, adopted policy whereby the welfare client is to receive one-third of the gross settlement or award, in cases involving welfare medical liens, as inducement to cooperate and assist in litigation and settlement;

WHEREAS, Herman M. Winkelman, a recipient of Medical Assistance, died as a result of injuries sustained in an automobile accident; and Harold M. Winkelman, who was appointed trustee for the heirs of decedent, successfully concluded an action for wrongful death resulting in gross recovery of \$25,500.00;

WHEREAS, The aid and assistance of said trustee was essential in preserving the lien interest of Hennepin County in this action, said lien exceeding \$30,000.00;

WHEREAS, Said trustee is willing to compromise and settle with the County of Hennepin for 10% of the gross recovery or \$2,500.00 for said aid and cooperation rendered said County relative to the litigation, and that said amount appears to be just, proper and in accordance with the policy of this Board as expressed by its above mentioned Resolution;

BE IT RESOLVED, That Resolution 75-650 be amended as follows:

II. Payment by the County

(E) Reimbursement for the Medical Evidentiary Examination

The examining medical facility or physician shall submit an itemized bill to Hennepin County for approval before payment of the costs of each evidentiary medical examination.

1. It is anticipated that an ordinary evidentiary medical examination for a sexual assault victim will cost less than \$100 including: (1) treatment of incidental injuries the costs of which are not reasonably severable from the costs of the rest of the evidentiary medical examination, and (2) both required follow-up visits for venereal disease tests, as set forth in (D) above. 2. In the exceptional case, the County is prepared, upon proper itemization of the costs and justification for such costs, to pay a maximum of \$100 for the total evidentiary examination including incidental injuries and the two follow-up examinations as described in (D) above.

(F) Other Injuries

2. When the patient-victim does not have medical insurance coverage for such diagnostic tests and/or treatment performed on the patient-victim at the time of the evidentiary medical examination as an outpatient, then Hennepin County is prepared to pay the examining facility or physician a maximum of \$100 for such diagnosis and treatment in addition to the aforementioned maximum \$100 payment for the medical evidentiary examination on the following conditions:

Commissioner Hanson, Chairman, Committee on Ways and Means, offered the following resolution:

WHEREAS, The Hennepin County Board of Commissioners has established the position of Executive Director to the Board as an unclassified position,

NOW THEREFORE BE IT RESOLVED, That David Krogseng be appointed to the position, tentatively called Executive Director to the Hennepin County Board of Commissioners, effective July 22, 1975, at a salary of \$2200 per month, pending County Personnel Board action establishing the position in the Department Head unclassified list at an appropriate salary range.

Commissioner Robb requested that the resolution be divided to consider (a) salary and (b) person appointed. The Chairman ruled that this could be done but after some discussion reversed the ruling and ordered that the resolution be treated as a whole.
