NOW THEREFORE BE IT RESOLVED, That the Hennepin County Board of Commissioners directs its Chairman to designate a Commissioner to work with the Citizens League and other civic organizations to review whether or not an additional study of the structure of County Government is warranted at this time, and, if so, what form that study should take.

BE IT FURTHER RESOLVED, That such review be reported to the Board with a recommendation no later than October 15, 1975; and

BE IT FURTHER RESOLVED, That existing County staff be utilized to assist in such review.

NOTICE OF SALE
\$5,050,000 GENERAL OBLIGATION LIBRARY BONDS
HENNEPIN COUNTY, MINNESOTA

Sealed bids for the purchase of \$5,050,000 principal amount of general obligation Library Bonds of Hennepin County, Minnesota, will be received by the Board of County Commissioners in the County Board Room in the Government Center, Minneapolis, Minnesota, until 11:30 o'clock A.M., Central Daylight Time, on

Tuesday, September 30, 1975

at which time and place the Board will open, consider and act upon the bids received. The bonds are issued for the acquisition and betterment of county libraries and branches. Taxes needed, with any other funds appropriated, for payment of the principal and interest of the bonds when due may be levied upon all taxable property within the County without limitation as to rate or amount.

The bonds will be dated November 1, 1975, will be issued as coupon bonds, fully negotiable and payable to bearer, but registrable as to principal only, at the holder's request, at the office of the County Treasurer in Minneapolis, Minnesota, in the denomination of \$5,000 (unless otherwise specified by the purchaser within 48 hours after the sale), and numbered serially, and will mature in order of serial numbers on February 1 in the following respective years and amounts:

<u>Year</u>	<u>Amount</u>	<u>Year</u>	<u>Amount</u>
1977	\$ 50,000	1987	\$100,000
1978	100,000	1988	500,000
1979	100,000	1989	500,000
1980	100,000	1990	500,000
1981	100,000	1991	500,000
1982	100,000	1992	500,000
1983	100,000	1993	500,000
1984	100,000	1994	500,000
1985	100,000	1995	500,000
1986	100,000		

The bonds maturing in the years 1988 to 1995, inclusive, will be subject to redemption and prepayment at the option of the County on February 1, 1987, and any interest payment date thereafter, in inverse numerical order, at par plus interest to accrue to the redemption date. The remaining bonds will not be subject to redemption before maturity.

Interest on the bonds will be payable August 1, 1976, and semiannually thereafter on each February 1 and August 1. The bonds maturing on a single date are to bear interest at a uniform rate,

SEP 9 - 1975 01216

expressed in a multiple of 5/100 of 1%, not exceeding the rate specified for any later maturity. Not more than twelve different rates may be specified. The interest on each bond to maturity will be represented by one set of coupons.

The County will furnish without cost to the purchaser and within 40 days after award of sale, the printed and executed bonds and the unqualified approving legal opinion of Dorsey, Marquart, Windhorst, West & Halladay, of Minneapolis, Minnesota, together with the customary no-litigation certificate. The legal opinion will state that the bonds are valid and binding general obligations of the County. The bonds will be delivered without cost at any place in the continental United States. Principal of and interest on the bonds will be made payable at a suitable bank recommended by the successful bidder and approved by the County, and the County will pay the reasonable and customary charges for this service, provided that such recommendation is received within 48 hours after the award of sale, and the County will select the paying agent if the recommendation is not approved.

Each bid must be unconditional, except as to the issuance and delivery of the bonds in conformity with this notice, and must be accompanied by a certified or cashier's check on a responsible bank, payable to the order of the County Treasurer, in the amount of \$101,000, to be retained as liquidated damages if the bid is accepted and the bidder shall fail to comply therewith, or to be applied as part payment for the bonds. The checks of unsuccessful bidders will be returned on the day of sale.

The County will assume no obligation for the assignment or printing of CUSIP numbers on the bonds or for the correctness of any numbers printed thereon, but will permit such printing to be done at the expense of the purchaser, if the purchaser waives any extension of the time of delivery caused thereby.

The bid offering the lowest net interest cost, determined by computing the interest payable on all bonds to their stated maturity dates at the coupon rates specified and deducting any premium and adding any discount between the cash purchase price and the principal amount of the bonds, will be considered the most favorable. If two low bids involve the same interest cost, the successful bidder will be selected by lot. No bid can be considered if presented orally, or if it involves a net interest cost exceeding an average rate of 7% per annum, or if it provides a cash price less than \$5,000,000 plus accrued interest on the total amount of the bonds to the date of delivery. The right is reserved to reject any and all bids.

Dated September 9, 1975.

Minneapolis, Minnesota

The Board of County Commissioners of Hennepin County, Minnesota, met in the Hennepin County Government Center in the City of Minneapolis at 10:00 a.m., pursuant to adjournment.

All Commissioners were present.

The meeting was called to order by Thomas E. Ticen, Chairman.

The minutes of the September 9, 1975 meeting were approved, as published in Finance and Commerce, Saturday, September 13th and Tuesday, September 16th, 1975. However, Commissioner Robb requested that the matter of library bonds, covered in Resolution 75-848 and approved at that meeting, be referred to the County Attorney for his opinion as to their legality and this was so ordered by the Chairman.

The Chairman announced a change in the roll call procedure for casting votes, in that a rotating system would be adopted in sequence of district, so that each Commissioner would cast the first vote every fourth time - with the Chairman continuing to vote last. Commissioner Robb moved that the roll call be rotated as described, including the Chairman. The motion was seconded by Commissioner Derus and the vote was as follows:

HANSON	NAY
OLSON	NAY
DERUS	YEA
ROBB	YEA
TICEN	NAY

The motion was not adopted.

Commissioner Hanson moved to concur with the Chairman's announcement, with the Chairman continuing to vote last.

Seconded by Commissioner Olson. The voting was as follows:

HANSON	YEA
OLSON	YEA
DERUS	YEA
ROBB	NAY
TICEN	YEA

The motion was adopted and the new roll call voting procedure was thus approved.

Mr. Michael Dwyer, Chairperson of the Health and Social Services Advisory Board, spoke at the meeting concerning certain problems at Pilot City Health Center, and in support of Resolution 75-889. Mr. Gleason Glover, member of the TACTICS Board, also spoke at the meeting regarding this matter and in support of the above Resolution.

RESOLUTION
NO. 75-889

SEP 16 1975 01263

Commissioner Olson, offered the following Resolution:

WHEREAS, the Health and Social Services Advisory Board has been constituted to advise the Hennepin County Board of Commissioners on matters of importance in the area of health and social services; and

WHEREAS, the problem of retention of nursing assistant positions at the Pilot City Health Center is an important issue;

BE IT RESOLVED, that the Health and Social Services Advisory Board be directed to form an Ad Hoc Committee to study this issue and provide recommendations for solution to the problem to the Hennepin County Board of Commissioners;

FURTHER, that the Administrator of Pilot City Health Center be directed not to hire more than one Licensed Practical Nurse until the issue of nursing assistants can be resolved.

Commissioner Olson moved that the last paragraph be deleted and substituted by the following:

FURTHER, That the matter of hiring of personnel be held in abeyance until the Committee on Health and Social Services has reviewed and resolved the matter."

Commissioner Hanson seconded the amendment.

Commissioner Robb moved to insert in the resolving clause that the committee formed by the Health and Social Services Advisory Board study the issue and provide a recommendation for solution to the problem prior to 30 days from this date. The motion failed for lack of a second.

Commissioner Derus moved to include the word "firing" after the word "hiring" and Commissioner Robb moved that the words "and transfer" be included after "firing". These motions were seconded and approved unanimously. The substitute paragraph was therefore to read as follows:

FURTHER, That the matters of hiring, firing and transfer of personnel be held in abeyance until the Committee on Health and Social Services has reviewed and resolved the matter.

The question was on the adoption of the Resolution, as amended, and there were five YEAS and no NAYS, as follows:

RESOLUTION NO. 75-886

Commissioner Hanson offered the following resolution:

WHEREAS, the travel policy for Hennepin County employees and officials has raised some confusion and misunderstandings, and

WHEREAS, portions of such policy have been amended by previous resolutions, and

WHEREAS, there is a need for further clarification and amendment to reflect the current requirements of employees and officials required to travel,

BE IT RESOLVED, that the travel policy of Hennepin County for all employees and officials shall be as follows:

Board members and employees may be authorized to attend institutes, conferences, meetings or training sessions in accordance with the annual budget appropriation and the following policy:

Travel Requests and Approval

All travel by department personnel requires the approval of the department head or a designee. It is therefore the department head's responsibility to remain within the travel allocation of the budget.

On a quarterly basis, all departments are to submit a report of travel costs incurred by them to the County Administrator for presentation to the County Board for review.

All expenses incurred for travel are to be paid by the employee. The employee expenses are to be covered with a travel advance, or the employee must use personal funds and be reimbursed subsequently.

For purposes of this policy "travel" refers to costs associated with the intent of BUSINESS TRAVEL and PROFESSIONAL/EDUCATIONAL TRAVEL as defined herein. This includes, but is not limited to, lodging, meals, travel costs, seminar and registration fees, incidentals and the like.

BUSINESS TRAVEL

- Travel required to maintain or obtain financing for ongoing or newly approved programs (e.g. bond sales, federal or foundation grants, etc.)

SEP 16 1975

- Travel required to recruit personnel for a key vacancy. Position vacancies appropriate for inclusion under this section are department heads and their immediate subordinates.
- Travel required by a federal, state, regional or legal body for purpose of testimony as a representative of Hennepin County.
- Travel required for the planning and completion of a newly approved or ongoing capital construction project (e.g. site visits, meetings with architects, etc.)
- Travel and related costs for training of employees where such training is not reasonably required or expected as a requirement for employment; e.g. basic police training, property appraiser courses, special EDP programming courses, etc.

Note: Travel and related costs associated with the training or education required by professional associations for the purpose of maintaining individual certification are not covered under this definition.

PROFESSIONAL/EDUCATIONAL TRAVEL

Travel and related costs incurred primarily to provide employees with professional or educational experiences.

Note: All costs not specifically defined as BUSINESS TRAVEL will be identified with this category, such as program site visits, local and out-of-town conferences and seminars, training of employees for the purpose of maintaining individual certification, etc.

It is highly desirable to make conferences or institutes available to employees where such will better equip the employee to perform effectively in his/her position. On the other hand, the opportunity presents itself to participate in many more excellent programs than available funds will permit.

In order for department heads to determine what travel is of most value and which employees should go, the following guidelines have been established:

1. That the conference, institute or training program can be paid for out of the budget approved by the County Board.
2. That one employee from a department be sent to a conference, institute or training program unless it can be clearly supported that significant information cannot be obtained by the attendance of one individual.

SEP 16 1975

3. That essential contacts can be made or significant information is available that is important to the improved operations of the department.
4. Utmost discretion must be exercised by department heads submitting requests for out-of-country travel. The conferences must be unquestionably professional in content and should prevail only when a professional conference of similar quality cannot be found within the continental limits of the United States within the same calendar year.

Expense Reimbursement

The following reimbursement policies are intended to set forth maximum standards. Departments may establish more restrictive policies in order to maximize travel allocations, provided they are administered in a consistent fashion.

Employees may be reimbursed for the total cost of transportation by airline, railroad, or other common carrier.

- a. Airlines - Tourist accommodations shall be the standard mode of travel. First class accommodations may be authorized if tourist accommodations are not available; or first class accommodations may be authorized for flights in excess of 1200 miles. (Receipt required)
- b. Railroad - First class accommodations shall be standard and shall include lower berth or roomette in case of overnight travel. (Receipt required)
- c. Automobile - Reimbursement for use of personal automobiles in travel will be paid on the basis of the prevailing mileage allowance rate or tourist air fare, whichever is less. Travel within the State of Minnesota may be reimbursed at the higher level when it can be demonstrated that a savings in time can be achieved.

Note: When two or more employees are traveling in one car, reimbursement shall be made to one employee.
- d. Cab Fare and Related Costs - Cab fare and reasonable gratuity to and from the terminal (air or rail) both in Minneapolis and the destination(s) shall be reimbursed on an actual basis. Cab fare required for transportation while out of town shall be reimbursed on an actual basis provided it is necessarily related to the business or purpose of the trip. (Receipt not required) Automobile rental costs will be reimbursed when such travel is necessary to the purpose of the trip or where cab fare may exceed cost of the automobile rental. (Receipt required)

SEP 16 1975

- e. Lodging - Hotel accommodations shall be reimbursed at actual cost consistent with facilities available and proximity to the location of the business or conference attended. (Receipt required)
- f. Meals and Incidentals - Meals and incidentals shall be reimbursed for actual expenses incurred during such business or conference attendance to the extent receipts for such expenses are submitted.

In lieu of the receipt requirement for actual and necessary expenses for meals and incidentals, primarily due to the general difficulty in acquiring such receipts, any employee or official of the County of Hennepin may claim a per diem expense not to exceed \$20.00 per day for meals, gratuities, clothing care, incidentals, etc. The per diem is allowable for each day of travel or attendance at such conference or business meeting pursuant to section h. of this policy.

- g. Registration, Tuition, etc. - Employees will be reimbursed for registration or conference fees. Whenever possible, advance registration should be used. Tuition and registration fees may be included as a part of the travel advance. (Receipt required)
- h. Travel Time - Employees may be authorized expenses and leave time for travel the day prior to and the day following institute or meeting date(s).
- i. On occasion, employees or officials may desire to have their spouse accompany them to a conference or business meeting. No reimbursement over that actual and necessary for the employee or official's expense shall be claimed or reimbursed.
- j. Travel Advances - Travel advances for both a) rail, bus or air fare, and b) subsistence (up to a maximum of \$50 per day) may be granted for authorized travel. Such advances may be secured upon application to the Accounting Division.
