Minneapolis, Minnesota

The Board of County Commissioners of Hennepin County, Minnesota, met in the Hennepin County Government Center in the City of Minneapolis, at 10:00 a.m., pursuant to adjournment.

All Commissioners were present.

The meeting was called to order by Thomas E. Ticen, Chairman.

The minutes of the September 23, 1975, meeting were approved, as published in Finance and Commerce, Saturday, September 27, 1975.

The Board was advised of certain communications and the Chairman referred same for appropriate disposition.

A communication had been received from Briggs and Morgan, Attorneys for Bigelow-Sanford Inc., with regard to an invitation to bid to furnish carpet material for the Hennepin County Medical Center. Mr. R. Scott Davies, attorney, spoke on their concerns in prequalifying. The Chairman referred the matter to the County Attorney's office for his legal opinion.

Commissioner Russell Green, Department of Veterans Affairs, presented a report to the County Board on the Operation of Big Island Veterans Camp. The Chairman advised it was his intention to refer the matter to the Committee of the Whole and for it to be considered as part of the budget hearings. Commissioner Derus moved that our Veterans Service Officer (Mark Anderson) be appointed as a representative for Hennepin County to the Board of Governors of Big Island Veterans Camp. The motion was seconded by Commissioner Robb and the vote was as follows:

The motion was adopted.

The Chairman noted that there were representatives in the audience from three groups who had an interest in the award of Contract #5580 - Janitorial Maintenance Services for the Government Center. Mr. Clete McGovern spoke on behalf of the janitorial staff as to concerns they held as to job security, etc. Mr. Samuel I. Segal, attorney for Service Employees Local 26, advised it was the intention of the Union to obtain a collective bargaining agreement protecting the rights of the workers. Mr. Patrick O'Neil, counsel for Marsden Building Maintenance Co. Inc., stated it was the intention of the company to pay its employees that would work in the Government Center the Minneapolis BOMA wage rate as consistent with other major buildings in the Minneapolis area and would respect current employee fringe benefits. No reprisals would be forthcoming against employees involved in the dispute. Commissioner Derus advised that a representative from Sanitas, the present contractors for the janitorial maintenance services, could not be present at the meeting but would like to be heard next week. In response to questions by members of the County Board, the Assistant County Attorney, Mr. David Mikkelsen, ventured the opinion that it was legal for the issues to be discussed at the meeting and that it did not constitute an unfair labor practice. Commissioner Robb moved the matter be laid over for one week. The motion was seconded by Commissioner Derus and adopted unanimously.

BOARD ACTION REQUESTED - RESPECTFULLY REQUESTS APPROVAL ON DATE OF COMMUNICATION

County Board approval to amend Agreements #5908 and #5909; County Board
approval to enter into Agreement #5879 between Hennepin County and Hennepin
County Welfare Board; Signature of the Chairman of the Board to amendments
all new agreement; and Authorization for County Controller to receive and
disburse funds.

BACKGROUND

Currently, all receiving centers in the State of Minnesota are funded under Title IV-A; however,
on October 1, 1975 Title XX will be used. The advent of Title XX will require procedural
modifications in order to receive reimbursement for expenses from the State Department of
Public Welfare (DPW). DPW has issued Policy Bulletin #94 (dated 9/15/75 and received 9/19/75)
which requires that receiving centers complete new eligibility forms and that county welfare
departments verify income before determining eligibility.

In order to implement this new policy, it is necessary to amend the two existing contracts,
effective October 1, 1975, between Hennepin County and DPW for receiving center services
provided by the Hennepin County Alcohol Receiving Center (ARC) and the Near South Side Neighbor-
hood Receiving Center (NSSNRC). (These agreements are #5908 and #5909 respectively) Under
DPW's procedures, costs for income verification are to be reimbursed at actual cost, but may
not exceed 6% of the value of the contract between the County and DPW. The amendments will
increase the contract values as follows:

Total Value of Contract

Reimbursable Amount from DPW
(Not to Exceed):

Contract #5908

\$1,448,409

\$778,525

Contract #5909

338,058

193,270

The total increase in the combined budgets is \$101,120. As noted below, this is equivalent
to the resulting subcontract between the MH/MR/CD Department and Henn. Co. Welfare Department.

BACKGROUND (continued)

Similarly, it is necessary to enter into a contract between Hennepin County and the Hennepin County Welfare Board. This contract will require that the Hennepin County Welfare Department verify incomes of potential eligible clients at the receiving centers, store copies of all forms and provide the MH/MR/CD Department with one copy of each form. Income verification must be completed no later than 10 days from application in order to qualify for state reimbursement. The value of Agreement #5879, between the County and Hennepin County Welfare Board is \$101,120.00. The term of this contract is from October 1, 1975 through June 30, 1976.

BOARD ACTION REQUESTED Appointment of Arthur Andersen & Co. to perform the annual audit for 1975.		
BACKGROUND <p>The Minnesota Laws require Hennepin County to retain an independent certified public accountant to audit the financial statements of the County.</p> <p>In 1970, the County Board appointed Arthur Andersen & Co. as auditors beginning with 1970. Upon the completion of the 1974 audit, they had audited the financial statements of Hennepin County for the past five years. When Arthur Andersen was originally appointed by the County Board, the intention was to rotate upon completion of the 1974 audit.</p> <p>Because of their involvement in 1975 accounting and auditing matters, and the lead time required for rotating audit firms, it is recommended that Arthur Andersen & Co. be appointed auditors of Hennepin County for the 1975 audit. It is anticipated that the review process necessary for the selection of the successor to Arthur Andersen & Co. for the next five year period, will be completed in the near future at which time a recommendation will be made to the Board of County Commissioners.</p>
