BACKGROUND The County Board approved the 1975 budget by the program structure within each department. Certain programs are projected to be over budget for 1975. The listing attached to this resolution transfers funds between programs, departments and funds to eliminate any projected overexpenditure and complete proper accounting of funds. County Board approval of these transfers is necessary to comply with statutory requirements and recommendations by the State Auditor. Additionally, 13.0 new positions are requested for immediate recruitment and training, (Schedule F). This manpower will begin training and work necessary to comply with regulations governing State responsibility for ninety percent of medical indigency costs. The additional manpower is to be financed from the County contingency.		Resolution No. BACKGROUND DATA: <input type="checkbox"/> Attached <input type="checkbox"/> File AGENDA NO. <u>1</u>

COUNTY BOARD ACTIONS IMPACTING BUDGETS
EXPERIENCING OVEREXPENDITURES IN 1975

(1975 Omnibus Resolution)

<u>Department Program</u>	<u>Resolution- RBA No.</u>	<u>Explanation</u>
COMMISSIONERS Board of Commissioners	RBA 75-645	Authorized the transfer of funds for additional Board staff.
INTERNAL AUDIT Annual Audit	RBA 75-925	Authorized the establishment of a cost center to which charges for State Auditor fees and associated costs could be accumulated. With the exception of legal costs, those expenditures (estimated to amount to \$138,000) will be charged to the Annual Audit Program. This RBA did not appropriate additional monies to cover these costs.
MANAGEMENT SERVICES Government Center	RBA 2-75-32	Authorized completion of all space in the Government Center. This had an impact on Government Center staffing, janitorial services, heating, cooling, power and light, etc. Resolution did not, however, speak to an increase in budget for additional operating costs.
SHERIFF Contract Patrol	RBA 75-253	This overexpenditure resulted from the extension of a contract for four months beyond the original term of the contract.

Motion by Commissioner Robb to amend the minutes of October 28 in that they did not reflect motions that were made by him but not seconded. Motion failed for lack of a second.

Commissioner Robb moved an amendment to Resolution No. 75-920, "to eliminate the next to last paragraph of the resolution that relates to a committee to be established under that resolution and substitute therefor the following:

The TACTICS Board is the 99-year lessee of the Pilot City Health Center and is the entity to which all parties have looked for community input since the inception of Pilot City Health Center. The Hennepin County Board reaffirms its desire to seek policy recommendations regarding service and programmatic directions from TACTICS or the designee of TACTICS duly appointed by resolution of TACTICS".

The motion failed for lack of a second.

November 25, 1975

Upon legal advice by Assistant County Attorney, Floyd B. Olson, the Chairman, Thomas E. Ticen, directed that all resolutions and/or motions that are not seconded be henceforth included in the minutes.

The Chairman ordered the minutes of November 18 amended as moved by Commissioner Robb. Commissioner Robb notified the Board that he would move correction to minutes of previous meetings at a future meeting of this Board. Chairman Ticen stated, "the ruling of the chair, subject to being over-ruled, is that we are not going to operate on a nunc pro tunc basis ...".

The Board was advised of certain communications and the Chairman referred same for appropriate disposition.

DEC - 2 1975

Mr. Ted Willard, Executive Director of LOGIS, an organization of County computer user municipalities, was present at the meeting. He expressed concern as to the possible delay in the selection of expanded computer facilities and its effect upon LOGIS municipality members. Chairman Ticen advised that the letter of intent as outlined in Resolution No. 75-592 still stands; it was his ruling that Resolution No. 75-1128 authorizing the Lease/Purchase of IBM 370/168 CPU be laid over for 60 days so that in the interim a committee could be established to review the plans and determine if the proposal was in keeping with the County's goals.

A Public Hearing, pursuant to M.S. 112.65, to consider the petition of the Riley-Purgatory Creek Watershed District to transfer jurisdiction of certain County ditches to the District was held. Mr. Fred Richards, attorney for Riley Purgatory Creek Watershed District, was present to support the petition and there being no opposition expressed, the petition was granted under Resolution No. 75-1045A.

The Administrator, Stanley R. Cowle, updated the County Board on the Prospect Park nursing home matter. He recommended the Board authorize immediate notice be sent to Prospect Park nursing home cancelling the lease and, based on figures just received from Northwestern Hospital, owners of Sister Kenny Institute building, that offer be accepted and reduced to a lease agreement, with an option to buy in the event the County wishes to exercise the option within a two-year term. He indicated the immediate concern was to notify Prospect Park nursing home of the cancellation

DEC - 2 1975 01753

as it requires 90=days notice. Commissioner Robb so moved.
Motion failed for lack of a second.

Commissioner Hanson moved that the Administrator, Mr. Cowle, be directed to advise Prospect Park nursing home that the county is terminating its lease and also directing Mr. Cowle to proceed to negotiate the lease, with option to purchase, with Sister Kenny through Northwestern Hospital. At the meeting of December 9th, 1975, Mr. Gary Flakne, County Attorney, outlined the contents of a letter dated December 8th, 1975, which had been received by the Chairman and each Commissioner just prior to the meeting. In his opinion, there was no illegality involved nor any conflicts of interest. Mr. Arthur Whitney, Bond counsel in the legal firm of Dorsey, Marquart, Windhorst, West and Halladay, which had been retained by the Hennepin County Board to advise on Center Hospital financing confirmed this opinion.

Commissioner Robb moved to rescind Resolution 75-1160 (twice) but was ruled out of order by Chairman Ticen.

Commissioner Olson, as originator of Resolution No. 75-1160 moved to rescind that Resolution with the purpose of substituting Resolution No. 75-1211 in its place. Seconded by Commissioner Hanson and approved unanimously.

Resolution No. 75-1160 was accordingly rescinded.
