Commissioner Derus moved that a Request for Proposals re Special Chemical Dependency Programs for Youth, Women, Elderly, Gay Men/Lesbian Women and Blacks (Governor's Chemical Dependency Bill) that had been discussed the previous day at a Health and Social Services Committee meeting be reconsidered in light of the fact that there were representatives present at the Board Meeting who wished to testify on the subject. The motion was seconded by Commissioner Robb.

Chairman Hanson ruled that the matter had been defeated twice in Health and Social Service Committee meetings and that the motion was therefore out of order.

Commissioner Derus moved a point of order that any Commissioner can bring a matter before the Board for discussion if there is a second to the motion.

Chairman Hanson ruled that the matter was still before the Committee on Health and Social Services. However, he would request the Executive Director to read Resolution No. 76-8-848 pertaining to this matter and that he himself would offer it before the Board. The resolution was seconded by Commissioner Derus.
