Dear Dennis,

We are writing to thank you for your service on the Saint Paul Mayor's Advisory Committee on Aging (ACOA). You were a very active member of this committee and contributed a great deal of time and effort on behalf of the older citizens of Saint Paul.

Among your contributions:

- Lobbying downtown business owners regarding the importance of keeping sidewalks clear of snow and ice.
- Participation in the Police Department Training on Elder Abuse.
- Outreach to the community, educating people about Vulnerable Adults and Elder Abuse, as well as providing materials and contact information to those who may be in need of services.

Thank you, Dennis, for helping to make Saint Paul the most livable city for seniors.

Sincerely,

Christopher B. Coleman
