Dear Gregory,

I would like to be among the many who wish you the very best in your retirement. I have enjoyed working together with you on projects such as the Upper Landing, Holman Field, City House, and all other types of Riverfront development, including parks and trails and many environmental issues. Your reputation for honesty, trustworthiness, and integrity is second to none, and have made your work and vision a welcome part of any discussion.

As you enter retirement, I would like to wish you all the best that life has to offer. Be well!
