February 14, 2012

Dear National LID Conference Partners and Participants,

On behalf of the City of Saint Paul, I want you to know we are pleased to be hosting the 6th Annual National Low Impact Development Symposium on August 18-21, 2013 at the Saint Paul RiverCentre.

Perched on the banks of the Mississippi River, you'll discover Saint Paul to be an active city featuring historic neighborhoods, lively events, and a landscape blending both urban and natural amenities that make us unique for a major metropolitan area. Convenient parking, excellent transit, and walk-able streets provide easy access to hotels, restaurants and entertainment throughout downtown. In the past year, Saint Paul has opened some of the most acclaimed restaurants and bars in the region and has brought internationally acclaimed events and exhibits to our event venues and museums.

We look forward to having you in Saint Paul this summer and trust you will have a pleasant visit and a successful event.

Sincerely,

Christopher B. Coleman
Mayor
