Dear Dianne,

On the behalf of the City of Saint Paul, I would like to thank you, the staff of the Minnesota Children's Museum, and Travelers for your hard work and generosity in Saint Paul. Through this unique partnership, the Minnesota Children's Museum and Travelers have come together with a mutual goal of ensuring all Saint Paul communities have access to many educational opportunities, allowing Saint Paul to play a major role in developing young people. Our city's future depends on organizations like the Minnesota Children's Museum to provide future economic stability and high quality of life by connecting our youth to meaningful early life experiences and education beyond the classroom.

I am confident that the Minnesota Children's Museum's *Play Makers Ball* will continue to be an extraordinary event that will only strengthen the role that MCM plays for our city's youth. I commend you for the initiative you and your organizations have shown, and I am certain this weekend's event will be a great success. Thank you for all that you do for Saint Paul, and enjoy the evening's festivities!

Sincerely,

Christopher B. Coleman  
Mayor
