Abrams Family Reunion Gathering  
1605 Alameda Street  
Saint Paul, MN 55117

Dear Abrams Family,

Welcome to the City of Saint Paul. I know many of you have come from across the country to gather for your reunion in our beautiful city. Thank you for making the trip to see Saint Paul. For those of you who call Saint Paul home, I'm sure you will join me in welcoming your family to the most livable city in America.

I also wish to extend a special thank you to Dr. Abrams, whose many years of service to our community have made Saint Paul a better place to live.

While you are here, please explore all that Saint Paul has to offer. We have state of the art theatres like the Ordway, and stimulating places to learn such as our world class Science Museum of Minnesota. There are as many fun things to enjoy outside as there are inside. You may enjoy a beautiful walk along the Mississippi River or rent one of the many new Nice Ride green bikes around the city. Above all, I am sure you'll enjoy the company of each other and reestablish connections and make new ones while you celebrate family, community, love and friendship in Saint Paul.

I hope you enjoy a wonderful weekend in our great city.

Sincerely,

Christopher B. Coleman  
Mayor
