Dear RBI World Series Participants:

On behalf of the City of Saint Paul, I want to welcome the players, coaches, staff and fans who will be participating in the championship round of the 20th annual Reviving Baseball in Inner Cities (RBI) World Series. The Twin Cities are privileged to host the RBI World Series and help RBI fulfill its commitment to bring the excitement of the game to young people in diverse and underserved areas.

Over your time here in the Twin Cities, we hope that your love of the game and team camaraderie will be strengthened through the exciting games and events planned for you. RBI has been an important organization, discovering some of our greatest stars and keeping our young adults active here in Saint Paul and across the country. It's a great way for youth to stay active and maintain healthy lifestyles as well as an avenue to keep them engaged in team-building and leadership roles. We are happy for the opportunity to be a community that celebrates and participates in this type of athletic activity.

While you are visiting the metropolitan area, we hope you take advantage of everything we have to offer. Minnesota's Capital City has something for everyone—including sports, shopping, theater, music, museums, and outdoor recreation. Our world-class attractions like the Science Museum of Minnesota, Minnesota Children's Museum, Minnesota History Center, and the many great restaurants are not to be missed.

I hope that you have an exciting and enjoyable week here and we look forward to seeing some of you in Twins jerseys in the near future.

Sincerely,

Christopher B. Coleman
