Dear Volunteers,

I'd like to welcome you to the annual Spring Parks Cleanup! Thank you for taking the time to contribute to our community and helping preserve the natural beauty of our great city. This citywide effort is only possible because of dedicated volunteers like you. Your help prevents trash from harming the health and beauty of our lakes, rivers, and landscape. We should do all we can to maintain this wondrous environment for our future generations.

During the cleanup, I hope you enjoy your time with fellow volunteers and members of the community. Stewardship of this beautiful land is a responsibility we share in living together. We must respect the natural environment and preserve the fragile ecosystem while reducing our own impact.

I commend your service and appreciate the positive impact you all have on Saint Paul.

Sincerely,

Christopher B. Coleman
Mayor
