January 7, 2015

Dear Athletes and Guests of the National Senior Men's Curling Association Championship,

As Mayor of Saint Paul, it is with great excitement that I welcome all participants and spectators to this year's National Senior Curling Championship. We are proud to host this exciting event and support the Saint Paul Curling Club.

Such sporting events remind us of the richness and diversity of the talent and skills in our community. Since 1912, The Saint Paul Curling Club has drawn curlers from across the United States and around the world. I hope you have an opportunity to visit all the great restaurants, theaters and other cultural establishments in our great city during your stay here.

Thank you to the Saint Paul Curling Club for bringing this remarkable event together. Please enjoy your time in our city, and to the all the athletes, I wish you good luck.

Sincerely,

Christopher B. Coleman
Mayor
