Dear Members of the YDA Site Selection Committee,

As Mayor of the Most Livable City in America, I would be honored to host the Young Democrats of America this summer in Saint Paul.

Whether you're looking for hockey, history or hops, you'll find them all in Minnesota's capital city. We are North America's most romantic getaway, the top-ranked park system and the best local food scene. If you want live, outdoor music, the chance to take in ball game or a good glass of craft beer – you can get all three in our Lowertown neighborhood, ranked 'top hipster zip code' in the country. And if you're a history buff or a science lover – we've got you covered, as we are home to the Minnesota History Center and the Minnesota Science Museum.

Thank you for your consideration of Saint Paul, and we look forward to hosting your Summer Meeting in August!

Sincerely,

Christopher B. Coleman, Mayor
