JUDGES OF ELECTION.

Register of Electors in Towns, Villages and Cities of Not Over 10,000 Inhabitants

List of Qualified Electors

in the Election District composed of the 1st Precinct
of Stillwater Town in the County of
Washington State of Minnesota, for an Election to be
held in the said Election District on the 14th day of March
Nineteen Hundred and Twenty Two

(a) Election Boards are required to serve at the delegate election held on the second Tuesday in March. If there is an annual election on such day the polls should be kept open during the time of such annual election, otherwise from twelve noon until nine P. M. The names of all persons voting and also the party ballots voted by them at such election must be entered on such list. However, voting at the delegate election does not constitute registration for the general election. At the close of the delegate election the judges should draw a red line after the last name appearing on each page of this list. This is important. County Auditors should examine the lists and registers after the delegate election and should supply any red lines which have been improperly omitted.

Election boards must meet and remain in session on primary election day from six A. M. to nine P. M. for the purpose of compiling a list of the voters and in doing so should proceed as though no names appeared on this list. In other words, the name of a person entered on this list on delegate election day must be again entered either on primary election day or on a subsequent registration day or on the general election day in order to entitle such person to vote at the general election.

Three copies of this list should be posted at least thirty days before the election.

In cities containing a population of not over ten thousand (10,000) (Fourth Class) said Board of Registration shall meet on Tuesday next preceding such election, at the place where such election is to be held, from nine (9) o'clock in the forenoon until nine (9) o'clock in the evening for the purpose of making corrections in said list or register, said place and time of meeting for correction in said list or register to be noted on the lists previously posted.

CITIES CLASSIFIED

FIRST CLASS	Over 50,000
SECOND CLASS	20,000 and not over 50,000
THIRD CLASS	Over 10,000 and not over 20,000
FOURTH CLASS	Not over 10,000
