Every male person of the age of twenty-one (21) years or upwards, belonging to either of the following classes, who has resided in this state six (6) months next preceding any election, shall be entitled to vote at such election in the election district of which he shall at the time have been for thirty (30) days a resident, for all officers that now are, or hereafter may be, elective by the people.

OPINIONS OF H. W. CHILDS, ATTORNEY GENERAL.

Under the recently adopted amendment to our constitution only those are entitled to vote who have been citizens of the United States for three months or more preceding the day of election.

Who are citizens of the United States without any action on their part?

1. Persons born in the United States, and not subject to the jurisdiction of some foreign power; that is, persons born in the United States, no matter what the nationality of their parents, unless such parents were here in some capacity as representatives of a foreign nation.

2. Children born in foreign countries but whose fathers became full citizens of the United States before such children reached the age of twenty-one years.

3. A foreign born woman who marries a citizen, or whose husband becomes fully naturalized, is thereby made a full citizen.

How to become citizens:

Except in certain instances hereafter mentioned the applicant must first secure what are known as "first papers" or "declaratory

First—Citizens of the United States who have been such for the period of three (3) months next preceding any election.

Second—Persons of mixed white and Indian blood, who have adopted the customs and habits of civilization.

Third—Persons of Indian blood residing in this state, who have adopted the language, customs and habits of civilization, after an examination before any district court of the state, in such manner as may be provided by law, and shall have been pronounced by said court capable of enjoying the rights of citizenship within the state.

papers," and at least two years must elapse thereafter before final or papers of citizenship can issue. The applicant must have resided in the United States at least five years before final papers can issue.

Aliens who served in the regular or volunteer army of the United States, and who have been honorably discharged, are not required to take out first papers, but may upon petition to the court be made citizens, by proving one year's residence and such honorable discharge, and producing such evidences of good moral character as is required in all cases.

Any alien who became a resident of the United States at the age of eighteen years or under and has continued to reside therein may be made a full citizen at any time after he has been a resident five years and has reached the age of twenty-one years. He is not required to take out declaratory papers.

When one who has taken out "first papers" dies before becoming fully naturalized, his widow and children shall be considered citizens and entitled to all rights and privileges as such upon taking the oath prescribed for those becoming full citizens.

[Extracts from the General Election Law Relating to Registration of Voters.]

REGISTRATION IN CITIES UNDER FORTY THOUSAND INHABITANTS.

Sec. 62. In all incorporated cities of over twelve thousand (12,000) inhabitants the persons authorized by or appointed pursuant to law to act as judges of election in such city, or in any ward or other election district in such city in this state, shall constitute a board of registration for their respective cities, wards or election district, and shall meet on Tuesday, seven (7) weeks preceding any general, state or city election (except town, village or special election).

Such board shall meet at six (6) o'clock in the morning at the place where the last election was held, or such other place as may be lawfully designated for the polling place for the election district, in which place such board shall continue in session until nine (9) o'clock in afternoon, and they shall proceed to make the registration as hereinafter prescribed, of all persons entitled to vote at the ensuing election in such election districts. Such registration when complete shall be constituted and known as the register of electors of such election districts, and such register shall be made by said board unless ballot judges are required or provided for, in which event three (3) registers shall be so made.

Such board shall have and exercise the same right to preserve order at their meetings as is given to judges of election to preserve order on election days and vacancies in said board shall be filled in the same manner as such vacancies are filled at election. [Amended, chapter 137, General Laws 1895.]

In case the boundaries of the district have been changed since the preceding election, at which such poll list was made, then the board shall place on the registers only the names of the persons appearing by such poll list to be residents within the new district in which they are sitting.

Clerks of Election.

Judges of Election.

have taken out my second papers for the purpose of naturalization, the same being issued by the.....
.....(give court or place) on the.....(give date or other particulars).....

Signature.....

"State of.....County of.....ss.—On this.....
day of.....19.., before me, the subscriber, a.....
in and for said county, personally appeared....., to me personally known, and being by me first duly sworn, subscribed and swore to the foregoing statement....."

Such affidavit shall be subscribed and sworn to before some person qualified to administer oaths, who shall attach his official certificate thereto, according to the above form.

If it shall appear by such affidavit that the affiant has removed from another election district, or is registered elsewhere in the city, a certificate of removal from such other district shall also be required as provided in the next succeeding section.

"Provided, that at the first election held in cities having over fifteen thousand inhabitants and less than fifty thousand inhabitants next subsequent to the passage of this act, the board of registration in each election district therein shall enter on said registers only the names of all proper persons who shall personally appear for registration, or who shall make and have presented to the board, at any time while sitting to prepare the registry list, an affidavit in manner and form hereinabove provided."

[Amended, Chap. 14, Gen. Laws 1897.]

Sec. 64. When it shall appear by the answer or affidavit of the applicant for registration, or shall be known to the board of registration that the applicant has or is registered in another election district in the same city than the one at which he makes his application, the board shall not enter his name in said register until a certificate of removal is procured from the board of such other district, which may be in the following form:

"This is to certify that the name of....., heretofore residing at..... in this election district, has been by us, the board of registration of this district, stricken from the registration of this district at his request, upon his affidavit of removal. The following entries appear upon the register of this election district concerning him (add entries in various columns of register)."

Signed by the board of registration of former place of registration.

Except as hereinafter provided, the above certificate shall be granted by such board upon and only upon the applicant for registry making and subscribing the following affidavit, which shall be sworn to before such board, or before the board in the district to which the removal is to be made, and if made before the latter board, upon being presented to the former, such affidavit shall warrant such former board in issuing the above certificate to the bearer.

"I....., do solemnly swear (or affirm) that I now reside at number..... (street or avenue), in ward number..... in the city of..... That I am duly entered as a qualified voter in the registers of the..... district, in the..... ward, of said city, as residing at number..... (street or avenue); that I have removed from the last mentioned residence, and do hereby request the proper entry and record to be made, and that my name be erased from the register of the last mentioned district, and a certificate of removal be furnished me."

If a person remove from one place in a district to another place in the same district, his vote shall not be received at any election unless the registers are changed as herein provided.

Provided, that whenever a "registry oath of an absent person," specified in section sixty-three of this act, is presented to the board in the district where such affidavit shows such person to have formerly resided, and such

affidavit further shows the person subscribing the same to be a resident of and voter in another election district, then if affiant's name appears upon the registers, the board shall erase it therefrom and give the person presenting the affidavit a certificate of removal for the person mentioned in the affidavit, making upon the registers the following entry: "Removed to..... district..... ward, by affidavit presented by....."

Sec. 65. The board of registration in the district from which the removal, in a case specified in the proviso to the last preceding section, is made, shall not retain the affidavit so presented to them, but it, together with the certificate of removal, shall be deposited with the board of registration in the district to which the removal is made.

Sec. 66. In cities having over forty thousand inhabitants, the registers shall be substantially as those provided for in section sixty-three of this act, except that in place of the heading "Where last registered—ward—district," the heading shall be "Householder—boarder—lodger—employee."

The board of registration in each district therein shall enter all names in said registers, alphabetically by surnames, but there shall be no name of any person registered unless he shall appear personally before said board, or register by affidavit of absent person as provided by section sixty-three of this act; and no copy shall be made of any names on the poll lists of any previous election.

Sec. 67. In all election districts in cities having over twelve thousand inhabitants one of the judges of election shall administer to all persons appearing personally before him for registration the following oath or affirmation:

"You do solemnly swear (or affirm) that you will fully and truly answer such questions as shall be put to you, touching your place of residence, place of birth, and your qualifications as an elector, and your right to register and vote under the laws of this state."

One of the judges shall then ask each of the said persons appearing before them the questions necessary to properly fill out the spaces opposite the names of such person in the various columns of the register.

The clerks or other members of the board shall enter the names of such persons in the registers, and the answers to the questions in appropriate columns therein.

In the column headed residence, there shall be the name and number of the street, or other location of the dwelling, if there be a definite number; if not, such clear and definite description of the place of such dwelling as shall enable it to be readily ascertained.

If more than one family be residing in a house, there shall be entered the floor on which the applicant resides, and the room or rooms occupied by him.

The register shall be ruled, and one name shall be written on each line, but no name shall be written between the lines, and if the name of any person be so written, such person shall not be entitled or allowed to vote, unless his name shall also appear properly on a line in said register.

At the end of the first day's registration the board shall carefully compare the registers and make them to correspond and agree, and one or more of the judges of election shall sign his name at the end of the list on every page of such register, so that no name can be added without discovery, and all the judges shall also sign and attach to such a register a certificate in substance as follows:

"We, the undersigned, judges of election in the..... district of..... ward, of the city of..... in the State of Minnesota, do jointly and severally certify that at the general registration of electors in said election district, on the..... day of....., 19.., there were registered by us in said election district the names which in this book

are inserted, and that the number of registered and qualified voters was and is the number of....." (Number to be written in figures and words.)

If any females shall have registered, then the certificate shall read, after the blank following the words "number of...." "of whom.... are males and..... are females."

Such registers shall, before ten o'clock in the forenoon of the next day, be deposited by one of said board in the office of the city clerk or recorder, whose duty it shall be to safely keep the same.

Sec. 68. In cities having over twelve thousand (12,000) inhabitants, on Tuesday two (2) weeks preceding any general election, and on the thirteenth (13th) day preceding any special election, said board of registration shall meet the same place as before, and shall remain in public session from six (6) o'clock in the forenoon until nine (9) o'clock in the afternoon, for the purpose of registering all qualified voters whose names are not yet registered.

They shall obtain from the city clerk or recorder and use the same registers as on the first day, and the same forms shall be observed in regard to registration as were required upon the first day of registration.

At the end of such day's registration the registers shall be compared and made to agree, and shall be signed as at the first day's registration and similar certificates attached with this condition thereto:

"Making the total number registered to date hereof inclusive....., of whom.... are males and..... are females."

It shall be the duty of said board during the session of that day, and before the board adjourns, to make a copy of all the names upon such registers, together with the addresses, as indicated in such registers. Immediately after its completion said copy shall be conspicuously posted outside the place of registration with a notice of the time when such board of registration will meet for the completion and final correction of its register, and shall be accessible to any elector who may desire to examine the copy of same. The registers shall be returned by one of said board to the office of said clerk or recorder

before ten (10) o'clock in the forenoon of the day succeeding the day of registration. [Amended, chapter 137, General Laws 1895.]

Sec. 69. On the last Tuesday preceding any general election and on the day one week preceding any special election the board of elections in cities having over twelve thousand (12,000) and less than forty thousand (40,000) inhabitants shall again meet at the same place for the completion and final correction of said registers, and in like manner in cities having over forty thousand (40,000) inhabitants, the board of registration shall again meet on the second Saturday preceding said day of general election. Prior to each of said meetings said board of registration shall again obtain the same registers before used from the office of said clerk or recorder, and on each of said days shall be in session from six (6) o'clock in the forenoon until nine (9) o'clock in the afternoon. Any qualified elector not already registered may apply to either of said boards to have his name inserted in said register, and the same rules for registration required on previous days shall be observed by the board. It shall be the duty of each of said boards at any meeting thereof to erase from the register the name of any person inserted thereon who shall be proved by the oath of two (2) qualified electors of such district to the satisfaction of the board to be in any way disqualified to vote in such district at the ensuing election. At the end of such meeting the register shall again be compared and be made to agree and correspond and shall be signed and certified by the board as at their second meeting and deposited in the city clerk's or recorder's office before ten (10) o'clock in the forenoon of the next succeeding day.

When said registration shall have been fully completed and before said board shall adjourn or separate, they shall prepare a copy of all the names and their respective addresses appearing upon such registers and post the same conspicuously forthwith outside the place of registration, or in such manner as to be plainly discernible and easily read from the outside thereof. [Amended, chapter 137,³General Laws 1895.]
