M. by Dr. Miller - Attended by Dr. Lang & Dr. Nathanson - Brought to Hospital in ambulance No. 1 from his home where he had taken about ½ ounce of trional according to his wife. Deceased had been ill since the world war and was a disabled veteran and had been discharged at his request from Fort Snelling Hospital on Jan. 21-1929 after being there since Oct. 1928. - Deceased was in bed most of the time since & then was unable to sleep & was extremely nervous. He had never threatened suicide but for 1 week before being admitted to General Hospital he had acted peculiarly especially toward his family. He had taken trional for years in order to sleep and always took it himself. About 2 weeks ago he had bought a box of powdered trional (1 ounce) and took about ¼ teaspoonful at night - About 7:30 P. M. March 2 deceased's wife says that he emptied the box which she thought still contained ½ ounce trional and also took some other sleeping tablets (2 of which I have turned over together with box (trional) to Dr. Clawson). Shortly thereafter he became unconscious & Dr. Norman Smith was called and he sent deceased to General Hospital where he never regained consciousness.

REMARKS: Deceased was found at 5:35 A.M. today by the crew on Soo R.R. freight train No. 71. He was lying on south side of main line about 150 feet east from the station. Marks in the gravel showed that deceased had left a train, either jumping off, or falling off or being pushed off, about 33 feet west from where body lay. E.J. Daugherty Conductor of train No. 71 reported the finding to E.T. Sonenstahl, Sta. agt. at Hamel, who in turn notified Dr. Seashore. It is suggested that deceased possibly was on an east bound freight #74 passing thro Hamel about Midnight. The conclusion that he was probably on an east bound train is made because of the marks in the gravel as if made by dragging feet & by spots of blood at intervals in this distance of 33 feet.
Deceased was identified La Belle Deleo, 244-14 Ave. So. & L.C. Owens, 1008-6 Ave. So. These men saw deceased yesterday & say he had $2.00, that he told them he was going to Seattle.

REMARKS: Admitted at 9 A. M. today & died at 5:30 P. M. today. Drs. Sinner & Dunlap attended deceased. A history of an injured knee & the fact that deceased was said to have taken a large amount of amytal, made this a coroner case, so reported to Dr. Hobbs by Dr. Dunlap. Dr. Dunlap saw her first at 74 Spruce Place on April 8-1929 at which time she was complaining of her right knee. Said she had hurt it in Jan. of '29, & that it had bothered her more or less since that time. On April 9-1929 she was taken to Dr. Sinner's office where the knee was x-rayed & a plaster cast applied. Next day Dr. Milton called to see her. On the 12th Dr. Dunlap ordered her to Swedish Hospital. A sister-in-law Mrs. S. S. Fisher, 275 Fillmore St. N. E. is the one who called Dr. Dunlap to see deceased. This Mrs. Fisher told Dr. Hobbs that deceased admitted to her that before Fri. or April 5-1929 she went to a doctor's office & the doctor "opened her womb"; that he had done this a number of times during the past 8 years. This doctor also called at 74 Spruce Place at least once & that was Friday night April 5-1929. The uterus emptied itself. The night pmeal began to hurt her on Sunday April 7, 1929. Deceased had not been living with her husband, V. G. Fisher, Aberdeen, So. Dak. for one year. She came to Mpls. Nov. 11-1928 & has been a waitress at Childs restaurant. Her husband told Dr. Hobbs by phone that 4 times he & deceased had been separated, & three times he had taken her back. Mrs. S. S. Fisher stated to Coroner Seashore that the deceased had not complained of her knee until Sunday April 7. Deceased told Mrs. S. S. Fisher on Tues. April 9 that Dr. E. E. Benedict had produced the abortion. On Friday night April 5 when Dr. Benedict called on deceased her temperature was about 104°.

REMARKS: Death occurred shortly after 8:30 P.M. A brother R.P. Eng, 206 W. 36 was with deceased for sometime previous to 8:30 P.M. He left the house at 8:30 P.M. to go home. His father Joseph Eng, 78 years old, who lives with deceased, went down stairs with R.P. Eng. Immediately he returned to the house & when entering he heard shots. - He went upstairs & in the bedroom he saw deceased, still living, lying on the floor, a rifle on his side. He called a neighbor L. Montbriand, 612 Morgan ave. So., who came over & says deceased was still breathing. Deceased lay nearly on his back his face slightly toward his right, knees partly drawn up & arms, the right stretched out & the left over his chest. Blood was over the front of both shirts & some on his Mackinaw. Two holes were found in each shirt at points where they would correspond to two wounds of chest. Chest wounds were below left nipple, slightly toward Midline, edges inverted, & slightly powder marked. Two other wounds were found, depit, about ¼ in. apart nearly in the left post. Axila line. Inquiry elicited the fact that the brother R.P. Eng had been trying to patch up differences between deceased & wife; that deceased refused to listen & was very despondent. Earlier in evening deceased had had a fight with James Drew, living downstairs at same address. Bruises were found over left ear & over right zygoma & right temple.
Deceased's wife took their little girl early this afternoon & went to Mankato, Minn.
